SATURDAY, JUNE 7, 1895.

**MEMORIAL DAY.**

On Sunday morning Gen. D.A. Russell Post attended service at the Baptist Church. They were agreeably surprised to find on the platform various relics of the late war—familiar objects to all,—a "shelter tent," with blanket spread within, a full knapsack, haversack, canteen and frying-pan, with stack of muskets in front. The wall, over the pulpit, was hung with large flags, and smaller ones judiciously placed, over which, in a laurel wreath, was a good likeness of President Lincoln. The pulpit was covered with a flag, with the Bible over it. Pastor Killian preached an excellent and appropriate sermon. On Thursday morning, a detail of Comrades, under command of Senior Vice-Commander Chas. E. Roberts, decorated graves in the cemeteries at Waterford, Bates Mills, and Winslow. Another detail, commanded by P. P. Com. Alex. Aitken, visited the cemetery at Elwood.

Comrade Geo. W. Huntman and a detail decorated graves at Green Bank, Lower Bank, and Pleasant Mills. At the last named, the usual grand reception was prepared and enjoyed.

In each place the comrades were joined and assisted by citizen friends, who seem to appreciate the touching service each year.

In the afternoon, the Post assembled at headquarters, and about two o'clock proceeded in carriages to Oakdale cemetery. With others who united in the parade and ceremonies were at least one hundred girls, from four to fourteen years of age, dressed in white, with sashes of the national colors, marching in Companies—Co. A, in charge of Miss Eva Carlaw; Co. B, Miss Nellie DePay; Co. C, Miss Jennie Andrews; Co. D, Miss Lizzie Barnhouse; Co. E, Mrs. Jessie R. Moore; Co. F, Miss Nora Monfort. At the cemetery, prayer was offered by Rev. J. C. Killian, appropriate songs sung by the Glee Club, an excellent patriotic address made by Rev. Costello Weston, and the impressive ritual services conducted by the Post.

It was nearly five o'clock when the procession reached Greenmount Cemetery, where again they were met by an immense concourse of citizens, who surrounded the Post and its aids, and formed a scene that was inspiring to the thoughtful, and must have been impressive to even the youngest. Rev. H. B. Randall offered the prayer, and Rev. Alfred Wager made a very interesting and appropriate address. The day was oppressively hot,—the hottest Memorial Day on record,—and participants suffered from the burning sun; but none regret and few will forget Memorial Day of 1895. It seems that each year the occasion becomes more a day generally observed; and this year it was more than ever solemn because three members of the Post who participated in its ceremonies in 1894 were now among those whose graves were decorated,—Comrades T. B. Brown, Thomas Rogers, and William Jones. These "old soldiers" were growing old, and it must be expected that, from now, each returning Memorial Day will find their number shortened by the unrelenting hand of death. May all be ready for the special order to transfer to the Celestial army.

Captain William M. Burgess died very suddenly last Saturday, aged 78 years. On Thanksgiving Day, 1893, he sustained a slight stroke of paralysis, but had almost entirely recovered, on Saturday worked all the forenoon on his farm, and was sitting at the dinner table when the family noticed his head fall back and he was dead when they reached his side. A second stroke, the doctor said, was added to heart trouble with which he suffered lately. The Captain and large family came from Maine in 1863, settled on the land which he cleared and farmed, and where he died. He was known to all and very highly esteemed; large framed, large hearted, generous, with a greeting and clasp of the hand that was appreciated by every friend. Funeral service on Tuesday.

Late Thursday afternoon, while near the Union Depot, Pasquale Bure's horse ran away, throwing Mr. R. from a load of berry crates. He struck on his head and was badly injured, remaining still unconscious on Friday morning. Dr. North says that if inflammation does not set in he will probably recover.

The opening game of base ball will be played on Saturday afternoon, at the school house grounds, between our team and the Hood, Foulrod & Co., team of Philadelphia. The grounds are being put into good condition and a grand stand is being erected. The club expects to arrange games with other clubs for every Saturday afternoon during the summer, and good sport is anticipated. Admission to games will be ten cents, and to grand stand fifteen cents.

**School Matters.**

Pursuant to a call, a public meeting of "legal voters"—parents and guardians—was held in Central School on Monday evening last. The attendance was very large—the questions at issue being of interest to all.—Mr. H. L. Irons called the meeting to order. Mr. C. H. Wilson was chosen Chairman; Orville E. Hoyt, Secretary. It was voted that two tellers be appointed, that voting on all questions should be by uplifted hands, to be counted by tellers and recorded by the Secretary. Messrs. J. B. Small and J. W. Lysinger were appointed tellers. The Secretary read the following which had been placed in his hands:

Whereas, the public schools of the Town of Hammonon have been conducted to the satisfaction of pupils and parents during the past three years under a course of study adopted by the Board of Education, and the pupils have made excellent progress under the same; and

Whereas, The present Board of Education, has ignored petitions signed by nearly every one of the pupils in the higher departments, and by a large majority of the parents and guardians of these pupils, and has voted to change our late popular course of study and to place the schools again in the county course; therefore be it

Resolved, that we, the legal voters, on School questions in the Town of Hammonon, assembled in pursuance of a public call, do disapprove of the aforesaid action of the Board of Education, and do demand that the Board recognize our right to control their own schools, in the management of the public schools; that we further demand that they rescind their late action, by taking our Schools out from the County course of study, and by restoring the independent course of study.

Resolved, That the Secretary of this meeting take into the next meeting of the Board of Education a copy of this preamble and resolutions, and to read the same or have it read by the District Clerk.

On motion, after some debate, a few questions asked and answered—all in good temper—the vote was taken and announced as 74 in favor and 8 against the resolutions.

The Secretary then read the following, also, furnished by a voter present:

Whereas, the public schools of the Town of Hammonon have reached their present high state of excellence under the able management of our Supervising Principal, Prof. R. E. Salisbury; and

Whereas, This management has been eminently satisfactory to us, the patrons of these schools; and

Whereas, The Board of Education, regardless of petitions asking that Prof. Salisbury be continued in charge of our schools, has refused to re-elect him; therefore be it

Resolved, That we, legal voters on school questions in the Town of Hammonon, assembled in pursuance of a public call, do disapprove of the aforesaid action of the Board of Education, and do demand that the Board re-elect Prof. R. E. Salisbury as Principal of our schools.

Resolved, That the Secretary of this meeting present a copy of this preamble and resolutions, along with those hereof adopted by this meeting, to the Board of Education.

A motion to lay this on the table was lost by a vote of 7 to 77. After a short discussion, the resolutions were adopted by a vote of 69 in favor, 13 against.

A collection was taken to compensate the janitor for opening and lighting the room, and the meeting adjourned.

THE SCHOOL BOARD met on Tuesday evening,—all members present except Mr. Rutherford who was very sick. At the proper time the resolutions quoted above were presented and read to the Board, who voted to resolve and file them. Mr. D. B. Berry then presented a paper which read as follows:

We, the undersigned citizens of Hammonon being interested in the welfare of our public schools, do hereby express our confidence in the Board of Education, and our willingness to leave the administration of school affairs in their hands without interference or dictation.

This was signed by 79 citizens. Later, the second series of resolutions were taken up for action, and several propositions were made, none seeming feasible except one by Mr. Jacobs, which was to refer the matter to a special election to be held, where every legal voter should cast his ballot for or against the employment of Prof. Salisbury. This was lost by a vote of five to two.

Finally, a motion was made which we cannot formulate, but which meant that the Board reconsider its recent action, and elect Prof. Salisbury Principal. The vote on this was as follows:

Mr. Osgood—no.  
Mr. Jacobs—yes.  
Dr. North—yes.  
Miss Pressey—no.  
Mrs. Beveridge—no.  
Mr. Packard—no.  
Mr. Adams—no.  
Mr. Monfort—no.

Just make a note of the names please. Six to two against complying with the wish of the people, expressed by petition, and by resolutions adopted at a public meeting; and that after also receiving written permission to reconsider their previous action, signed by seventy-nine voters. Four of the six who are satisfied would not change their vote on any consideration; two of them like Philate of old, said "What is written is written."

Proceeding to elect a principal, Prof. H. C. Krebbs, of Egg Harbor City, received six of the eight votes. Miss Weston (daughter of the Universalist Pastor) was elected first assistant; Miss Savage, of Egg Harbor City, second assistant; Miss Beale Hall, of Maine, given one room in Central. All the other vacancies were also filled, some of them conditionally. Will give name and designations later.

It was certainly a very spirited meeting, and at times the diplomatic (?) language used conveyed opinions and ideas that were not at all unanimous. It was a very entertaining meeting at times, and we regret that others of our citizens were not present. Also we regret that our stenographic reporter was engaged elsewhere that evening.

NEW SERIES.—A new series of stock will be supplied by the Hammonon Loan & Building Association at the meeting on June 8th next. There will also be offered for sale to the highest bidder some \$200 or \$300. A good opportunity for those who contemplate building houses soon. Subscriptions for stock may be made now. W. R. TILTON, Secretary.

We were surprised that but one member of the Board of Education was present at the public meeting on Monday evening,—and his professional duties called him away too early to take part in the business. We supposed they would attend and make such explanations or defense as was deemed necessary. Mr. Jacobs was summoned to Baltimore by telegram.

FOR SALE. Thirteen acres of land, all in heavy fruit.—six dwelling houses on the premises. One of the houses has a heater in every room, barn, carriage house, bath house, windmill, also pig sty, and a large water every hundred feet. In the Town of Hammonon, N. J., three squares from the station. Apply 180 Columbia Avenue, Philadelphia. Price, \$500,—easy terms.

It is said by some one that the angels  
weep when they see a young man begin  
to spend more than he makes. This  
may or may not be true, but somebody  
soon suffers when he starts out deter-  
mined to have all he can eat, drink and  
wear, whether he has the money to pay  
for it or not. He can get credit for a  
while, but this is stopped when his  
methods become known. But if he can  
not get it in one way he resorts to  
others, and sometimes gets into limbo.

### Saved his Life.

Mr. G. Gaillonette, druggist, Beavers-  
ville, Ill., says: "To Dr. King's New  
Discovery I owe my life. Was taken  
with lagrippe and tried all physicians for  
miles about but of no avail, and was given  
up and told I could not live. Having  
Dr. King's New Discovery in my store, I  
sent for a bottle and began its use, and  
from the first dose began to get better,  
and after using three bottles was up and  
about again. It is worth its weight in  
gold. We won't keep store or house  
without it." Get a free trial at Croft's  
Pharmacy.

Persons who sympathize with the af-  
flicted will rejoice with D. E. Carr, of  
1235 Harrison St., Kansas City. He is  
an old sufferer from inflammatory rheu-  
matism, but has not heretofore been  
troubled in this climate. Last winter  
he went up into Wisconsin, and in con-  
sequence has had another attack. "It came  
upon me very acute and severe," he said.  
"My joints swelled and became inflamed;  
sore to touch or almost to look at. Upon  
the urgent request of my mother-in-law  
I tried Chamberlain's Pain Balm to re-  
duce the swelling and ease the pain, and  
to my agreeable surprise, it did both. I  
have used three fifty-cent bottles and be-  
lieve it to be the finest thing for rheuma-  
tism, pains and swellings extant. For  
sale by druggists.
