No. 23

OUR FLAG

Hope of the race
Flag of the free
I pledge anew
My love to thee

RED be for righteous anger,
At lawlessness and crime,
So peace adore
Our far-flung shore
Through all the realms of time.
WHITE, Purity of Purpose,
A nation's noble aim,
Each getting sun
Sees work well done
For all our wealth and fame.
And BLUE shall stand for loyal—
For loyal hearts and true,
Who make their fight
With right and might
AMERICA for you.
And every star that's woven
Upon its bright-hued field,
A state of free
De-mo-cra-cy
To have, to hold, to shield. —F.

Yes, schoolsout!

Mrs. W. L. McIlvaine and son, Marcer, spent last week in Atlantic City.

Miss K. Adella Hill will spend the summer months "down East," as usual.

Mrs. James Craig and her two little ones are visiting her mother, Mrs. C. F. Crowell.

Anthony Russo was the first "Young American" to enroll in the second precinct.

Quite a party of Methodists took an auto-car ride to Pleasant Mills on Wednesday afternoon.

Lewis Mathis is regular carrier on Rural Delivery Route No. 2,—his appointment taking effect on June 1st.

Hammonton Alumni Association will hold their annual re-union and business meeting this evening, in Red Men's Hall.

The Farmers' and Merchants' Building Association will issue a new series of stock at the meeting next Tuesday evening.

The High School Base-ball team will close its successful season this afternoon at 3:30, in a game with the Alumni Association.

E. W. Strickland has improved the older canoe house, in the Park, and will provide accommodations for row-boats and canoes.

There is to be a re-union at the State Normal and Model Schools on Saturday, June 23rd,—in the Auditorium at 12 o'clock.

Lovers of flowers will enjoy a treat next Wednesday and Thursday, at the Peony Show in Horticultural Hall, Philadelphia.

A severe thunder storm cut very short the Home Guard drill, Tuesday night. It was postponed to Thursday night, but another very wet visitation soon cancelled the appointment. They will try again this afternoon, on the base ball grounds, at three o'clock, and the regular drill next Tuesday evening at eight o'clock sharp.

A Dry Day in Hammonton

It was agreed, everywhere, that the sale of liquor on Enrollment Day would have a tendency to foment trouble; hence the Sheriffs of many counties, Mayors of cities, etc., ordered the saloons to close on that day, where they had power to do so; or appealed to patriotic feeling. In Hammonton, a dozen or so citizens petitioned Governor Edge to order all saloons in New Jersey closed. A courteous reply from the Governor stated that he had no authority to do this, but recommended an appeal to our Town Council, who granted the licenses. Mayor Rivins, upon request, called a special meeting of Council at 5:30 p. m., Monday, to consider the matter. It was found that H. L. McIntyre, a member of the Law and Order Committee, had called upon nearly every saloon keeper, that day, and reported that each one had expressed a willingness to close on Tuesday. It was then decided to make a formal request of each license holder that he close his bar-room all day, on June 5th. This request was conveyed by the Mayor, each man executed, and Hammonton had a dry day.

Town Council meets Wednesday evening.

Mr. Parker entertained his father and mother this week. They came from Avon-by-the-Sea, in their car. Capt. Parker is government store-keeper.

Next Thursday, June 14th, will be national "Flag Day," but as we are having a continuous flag day, probably the anniversary will receive scant notice.

The Pleasure Scouts will have a truck ride to Clementon on Saturday, 23rd, starting from P. O. S. of A. Hall at one o'clock. Round trip ticket, 50 cents.

Eighth Grade exercises will be held in the M. E. Church next Wednesday evening. Tickets are in the hands of the forty-nine (or more) members of the class.

There will be a class for knitting on Friday afternoon, two o'clock, at Mrs. Samuel Anderson's. All interested are invited to assist in furnishing one of the United States destroyers.

There will be a benefit at Eagle Theatre on Wednesday eve, June 20th, for the Navy League; proceeds for the purchase of knitting wool. Tickets are being sold by Camp Fire Girls, at 10 cents.

All members of the Women's Civic Club are invited to an all day "clean-up" and in-door picnic on the club property, Friday, June 15th. Report at 9:15 a. m., at the Club House.

The old East Hammonton Hotel, for years a "white elephant" on the hands of its owners, was burned to the ground last Friday evening. No one will tell what caused the fire. The building was never occupied,—stood as a monument to somebody's folly.

On Tuesday, June 5th, Mrs. S. T. Twomey celebrated her eighty-first birthday. It is also worth noting that on May 12th Mr. and Mrs. Twomey celebrated the 60th anniversary of their marriage. We tender congratulations to the still happy couple.

Hammonton Ambulance Corps.

Nearly the entire number required to form the "Hammonton Company of Philadelphia Ambulance Corps" offered their services, and were examined on Tuesday. Out of thirty-four, only eleven were accepted, twenty-three not passing the test for height, weight, teeth, and general health.

The successful ones were,—
Serg. P. Joseph Heck
Vernil Hevorage
Joseph D'Agostino
Charles Delkor
John Plearra
Frank Jacobs
Robert Jannott
John Maguo
Mike Monino
Anthony Penn
William Tell

They were sworn in at once, to be ready for departure any day. They are obliged to report to Serg. Heck each morning at 8:00, and evenings at 5:00.

Every saloon was notified that liquor must not be sold or given to any recruit.

Applicants are still coming in, and any others must apply at once if they wish to complete the thirty-six,—and it is hoped they will.

7000 Abusive Miles Prove HUDSON Endurance

Note What the Super-Six Did

Perhaps the Hudson record which means most to you is the ocean-to-ocean record.

Each new claimant to greatness, for several years, has tried to prove it by a transcontinental run.

A seven-passenger Hudson Super-Six broke the best record made up to last summer by nearly 2 1/2 days—from San Francisco to New York. Then turned around and broke the record from New York to San Francisco. It completed the round trip in 10 days and 21 hours—over 7000 miles, including mountains and desert. And thus twice won America's most coveted record in one continuous trip.

1819 Miles in 24 Hours

Next to that, the greatest official endurance record is the 24-hour top-speed run. A Hudson Super-Six stock chassis ran 1819 miles in that time—as far as from New York to Denver. That broke the best previous stock chassis record by 52 per cent.

These Tests Were Official

The 24-hour run, 102 1/4-mile an hour speed, both made with stock chassis, and the 100-mile and the one-hour stock car tests, as well as many others, were official.

They were made under the supervision of the American Automobile Association. They mean more than the speed records won—more than the best time regardless of size or class in the Pike's Peak hill-climb, by a Hudson Super-Six Special, in which 20 racing cars participated.

They Prove Endurance

We made these tests just to prove endurance. Nothing else is so important to motor car owners. It is not how well a car will run in ordinary use that counts. How long and how little attention—how free from mechanical needs and excessive fuel and lubrication charges, is the main thing. These tests have demonstrated that, measured by other standards, there is a yet unknown limit to the endurance of a Hudson Super-Six.

What the Super-Six has proved, in performance and endurance, has never before been done.
