Chau-tau-qua!

Out-door lecture this evening, by Mrs. Bloor, on W. P. U. topics.

Children's Day will be observed by the Sunday Schools, to-morrow.

P. T. Ranere's huge roof sign has been neatly lettered, and is illuminated by electricity.

The Farmers' and Merchants' Building and Loan Association will meet next Tuesday evening.

W. S. Turner has buried a five hundred gallon steel gasoline tank under the sidewalk, in front of his garage.

Laborers have torn up Bellevue, at the Penny crossing, to make connection with the improved road to Vineland.

Mrs. Frank Daneker and daughter, "Baby Marguerite," are spending a few weeks with her mother, Mrs. Dunfee.

Rev. W. H. Swallow returned home last Friday, after an operation and treatment in the Hahnemann Hospital, Philadelphia.

Elnathan H. Smith and wife, and his sister, Mrs. Frank Hines, with her youngest daughter, spent a little time in Hammonton on Thursday.

Members of the Needlework Guild will meet in Civic Club Hall on Tuesday, June 22nd, from three to five o'clock. All are asked to be present, and bring sewing.

The Odd Fellows of this district met in Egg-Harbor last Monday night. Ninety-nine members were present, seven of them from here. It was a very enjoyable meeting, and ride.

Raymond Jones, electrician on the U. S. S. South Carolina, has been spending the week at home, Collingswood. He came down on Thursday and visited his sister, Mrs. Hoyt.

Rev. W. J. Cusworth attended the Camden Baptist Association meetings, at Gloucester, Tuesday and Wednesday. Mr. and Mrs. Rublack and R. G. Scudder were also delegates.

The Girl Pioneers of America will give a strawberry festival this afternoon and evening, in King's grove, next to Union Hall. Ice cream, strawberries, candy and cake will be on sale.

Capt. Chas. H. Steelman died suddenly on Tuesday, June 1st, from apoplexy, at his home in Steelmanville. The sympathy of many is expressed for his widow and daughter, Miss Rita, who was a former Kindergarten teacher here.

Miss Marie Hoeffler spent a week at Wankton, Dakota, goes thence to La Junta, Colorado, and is to attend Summer School at Berkely, California. She is expected home in August, and will teach in New York State the coming year.

Joseph S. Mart had a narrow escape, Sunday afternoon. As he was approaching the Penny, R. R. crossing, the wind-shield of his car was clouded by falling rain, and he did not see that the gates were down. The force of his speed bent the gates, and he could not stop until he reached the centre of the road-bed. The bridge-train was approaching at lightning speed. It was a moment of terror; but the tender raised the opposite gate, and the obedient machine carried its occupants just out of danger. A little daughter received a severe blow on the forehead, and Miss Reba several bruises.

A very pretty wedding took place at six o'clock, Monday evening, at the home of Freeholder C. P. Osgood, when his daughter, Miss Mary Kliza, was united in marriage to Mr. Thomas Rothwell Taylor, Ph. D., by Rev. W. H. Gardner. Members of the immediate families and a few out-of-town guests were present. The decoration—laural and roses—was done by college mates of the bride. The young couple, both graduates of Swarthmore, where their friendship began, will reside in Chicago for a year or two, where Mr. Taylor will complete his studies. Miss Mary was one of Hammonton's most highly esteemed young ladies; and the best wishes of all go with her.

St. Mark's strawberry festival next Thursday evening, at Parish House.

The Ladies' Missionary Society of the Presbyterian Church will have an all-day picnic on Tuesday next, at the Park. Dinner at noon, and meeting of the Society at two o'clock. All lady members of the Church and congregation invited.*

Baptist Endeavors

The Baptist Y. P. S. C. E. held its semi-annual meeting on Tuesday evening. The various reports, including finances, were encouraging, and new members have been elected at nearly every meeting. The new officers are:

President, G. F. Lenz.
Vice-Pres't, W. E. Perry.
Sec'y, Miss Florence Foster.
Cor. Sec'y, Mrs. G. N. Lyman.
Treasurer, Mrs. F. A. Lehman.

Chorister, E. A. Staustreet.
Ushers, Harry Brown, Elmer Lenz.

Next Week's Chautauqua

The Chautauqua Festival will be with us next Monday, Tuesday, and Wednesday, afternoons and evenings. So much has been said in its favor that it should not be necessary to say more. Town Council Meeting.

Council had an unusually interesting and lengthy session on last Wednesday evening. All were present except Mr. Nicolai.

Highway Committee, in their report, stated that Mr. Black had signed a contract with the Post Office Department for a certain sized building, and he did not see how he could move back his front building line. They also reported Lincoln Street in bad condition.

Finance Committee reported having examined bond tendered by the well construction company, and find same satisfactory. It was accepted.

Same committee approved report of the Sidewalk Commission, and it was accepted. An ordinance will be passed, officially confirming the findings of the Commission.

Fire, Water & Light Committee recommended enlargement of the fire district, to extend to Lincoln, Passmore, Peach, to a line with School Lane, to Tilton, Pleasant, Third, to West End Ave., back to Twelfth Street. Same Committee, with the Finance Committee and Solicitor, will draft an ordinance to provide such extension.

Committee reported four sets of specifications for motor-drawn fire apparatus, as follows: For Co. No. 1, one to cost not exceeding \$2,500, to be fitted with two forty-gallon chemical tanks, 200 feet of hose, ladders, axes, etc.; also, one same as above, with accommodation for 500 feet of water hose in addition, to cost not over \$3000; also, one to carry water hose only, 1000 feet, to cost not over \$900. For Company No. 2, providing room for 500 feet of water hose and other appliances, at a cost not over \$1500. All apparatus to be fitted with self-starters, electric lights, etc. Clerk was instructed to advertise for bids, to be opened by committee July 12th, 8 p.m.

Committee recommended changes in street lighting system, including all-night service on Bellevue Ave., to Main Road; changing all gas lamps to electric on Second and Third Streets, and between these streets, and to burn all night. Action will be taken at a special meeting, next week.

All fire plugs had been inspected and repaired. Committee recommended extension of water mains out Pleasant Street to Messina Ave., to place fire hydrant at corner for Figueroa Company and providing protection for neighboring residents. Action deferred.

Bills ordered paid footed up as follows:

Town Purposes	\$337.24
Interest on Improvement debt	8.54
Highways	384.04
Fire Department	117.93
Police	123.85
Lights	151.83
Park	1.61
Board of Health	151.00
Sewerage	325.71

Chief of Police reported four arrests for riding bicycles on sidewalks, and seven star boarders.

Collector's receipts for taxes last month were \$308.90.

Clerk Seely reported receipts for liquor licenses, etc., \$2416.40.

Loyal Order of Moose asked that special officers be sworn in for the Fourth, and tender services of their members, gratuitously. Law and Order Committee were given power to act.

Assessors asked that G. Caruso be reimbursed for taxes paid by him on another man's land. He will have to present his claim, sworn to.

State Road Commissioner Stevens stated that he will advertise for bids for paving Bellevue Avenue as soon as money is available.

A letter from Mr. McCoach, City Treasurer, Philadelphia, urged the Town to compensate Mr. Vire for the killing of his valuable poultry by dogs.

An ordinance to license and regulate motor-drawn vehicles conducting passenger business, passed first reading. The fee is \$25 for first license, and \$50 each for additional licenses obtained by same person. It is to take effect July 1, if adopted.

Another ordinance passed first reading, appointing commissioners (Messrs. Wm. J. Smith, John G. Caligue, and Samuel Anderson) in the matter of changing curb lines on Egg Harbor Rd., from Bellevue to Peach Street.

Still another ordinance passed first reading, to facilitate traffic on certain streets. It provides that no vehicle may stand on any cross street within fifty feet of the corner of Bellevue Avenue. For each offence a fine of five dollars will be charged by the Justice.

Law and Order Committee will investigate the subject of appointment of a public dog catcher.

Adjourned at 11:20.
