priated for the purposes of African Colonization.

Whereas, the legislature of this state, by an act passed in the year eighteen hundred and fifty-two, did appropriate the sum of one thousand dollars a year for two years to be paid to the New Jersey Colonization Society, or their authorized agent, for the purpose of African Colonization, and did in the year, eighteen hundred fifty-five received and extend the same act for further period of five years, thus appropriate the sum

eighteen hundred fifty-five received and extend the same act for further period of five years, thus appropriate the sum of seven thousand dollars for the purpose aforesaid as specified in said act, of which amount the sum of three thousand dollars remains unpaid, the said sotiety not having drawn the same within the time limited by the last mentioned act, owing to various causes interfering with their operations; and whereas, the balance of the said appropriation is now greatly needed to promote the humane objects of the society; therefore, 1. Be it enacted by the Senate and General Assembly of the State of New Jersey, That the balance of the appropriation some degration of the appropriation some degration of the president of the New Jersey Colonization Society or his order, in the first day of May, in the year one thousand dollars on the first day of May, in the year one thousand oigh hundred and sixty-etgh!, one thousand dollars on the first day of May, in the year one thousand igh hundred and seventy; and that the same be applied to promoting and providing for the emigration of free persons of color to the conset of Africa according to the best the emigration of free persons of color to the coast of Africa according to the best judgment of the said society, always giving reference to free persons of color residents of this state.

2. And be it enacted, That this act shall take effect immediately.
Approved April 2, 1868,

Chopter Three Hundred and Thirty-seven.

—A supplement to an act entitled "An act to authorize conveyances in certain cases by married women, and to limit their liability upon their convenants," approved March twenty-fourth, eighteen hundred and sixty-four,

approved March twenty-fourth, eighteen hundred and sixty-fourth,

1. Be it enacted by the Senate and General Assembly of the State of New Jersey,
That any married woman living in a state of seperation from her husband, under and by virtue of the final fudgment or decree of any court having competent jurisdiction in the premises, may at any time during such seperation, convey absolutely or in trust, any property real or personal, otherwise than by gift to her from her said hunband, without the concurrence of her hunband, without the same manner and with band, without the concurrence of her hus-hand, and in the same manner and with like effect as it she were sole and unmar-ried; provided, that such conveyance shall not affect any estate or right which her hus-hand may then have in such property. 2. And be it enacted, That this act shall take effect immediately.

Approved April 3, 1868.

Whopler Three hundred and Thirty-sic.—
A supplement to the act entitled "An act to regulate Fees."

1. Be it enacted by the Senate and General Assembly of the State of New Jersey. That the justice of the supreme court holding any oneuit shall be entitled to receive in lieu of all other fees for services in the circuit court included it the taxable costs in any cause, the following fees which shall be allowed and taxed accordingly: on the return of every writ in the circuit, except subpossa and final process, two dollars; for the trial or hearing of every cause, three dollars; for signing every postes, two dollars. dollars; for signing every postes, three dollars; for signing every postes, two dollars; for hearing every demurrer or corfigers, three dollars.

2 And be it onacted, That this act shall take effect immediately.

Approved April 3, 1868.

therein referred to is used.

11. And be it enacted, That this act shall not apply to boilers upon railroad locomotives, nor to boilers used for heating private dwellings.

12. And be it enacted, that this act shall take effect immediately.

Approved April 16, 1866.

CHAPTER FOUR HUNDRED AND NINETY-TWO.—A supplement to the act entitled "An act Concerning Witnesses," approved April sixteenth, eighteen hundred and forty-six.

1. Be it enacted by the Senate and General Assembly of the state of New Jersey, That invall suits at law or in equity, brought by, or in behalf of, or against a married woman, the martial relationship shall be no disqualification to her huscand being a witness in said suit.

2. And be it enacted, That this act shall take effect immediately.

Approved April 71, 1868.

CHAPTER THREE HUNDRED AND ELEVEN.—Ab act directing the payment of certain sums of money heretofore appropriated for the purposes of African Colonization.

Whereas, the legislature of this state, by an act passed in the year eighteen hundred and fifty-two, did appropriate the sum of one thousand dollars a year for two years to be paid to the New York Railroad, and but few miles from Philadelphia and the trans at low prices and casy terms, in five, ten, twenty acres and upwarels to suit. The title perfect; and upwarels to suit. The title perfect and and all the purchase money is paid.

The Soil

In the great Hammonton Fruit Settlement, the best inducements are offered to all wanting farms in the most delighting and healthy climate, with a good productive soil, being among the best in the gard productive soil, being among the best in the gard state of New York Railroad. These lands to the New Yor

of all kinds, and all other fruits are raised here in immense quantities, and they are sought after by the dealers and command the best prices in the markets.

Hammonton is already celebrated for its

Thammonton is already celebrate, for its fine fruits and wine.

From two hundred to five hundred dolars is cleared, free from expense, nor acre in the fine fruit culture. Sweet Potatoes, Melons, and all the finer Vegetables delight in this soil; this branch of farming pays much better than grain raising, and is much easier work.

is mild and delightful the winters being short and open, out-door work can be enried on nearly all winter, whilst the summer is no warmer than in the north. Persons wanting a change for health will be satisfied here—the mildness of the climate is soon beneficially felt by delicate persons and those suffering from Dyspensin, Pulmonary affections—General Debility, as hundreds here will testify. This section has long been known for its health, and during the summer months tens of housands flook for health. No Minsma, Chills and Fevers in this section.

Chapter Three Hundred and Fifty-one.

A farther supplement to the act entitled "An act respecting the Orphans" Court and the power and authority of Surrogates," approved April sixteenth, eighteen hundred and forty-six.

Be it enacted by the Senate and General Assembly of the State of New Jersey, That so much of the first section of the act entitled "A further supplement to the act entitled an act respecting the orphans" from ten to thirty feet. Wells are cheaply made here, as there is no rock to go through. We have the best stores in the county, whore goods are sold as cheap as they are in Phindelphia or New York.—Good schools with competent teachers.

Clergymen of all denominations reside here, some of them in charge of congregations, and after the third day of April, eighteen hundred and sixty-eight.

2. And be it enacted, That this not shall take effect immediately.

Approved April 7, 1868.

bility, as hundreds ener will testily had during the summer months tens of halth. No Minsma, Chills and Grie health. No Minsma, Chills and Favers in this section.

The Water

In theing conducted on the same plan and printing the first stores in the county where goods are sold as cheap as there is no rock to go through. PATENTIMPROVED SOAP.

The stiention of the public is particularly requested to the importance of this invention, for the following reasons: There are no Acide used. It disponses with boiling and the washboard, as it requires but lightrubbing. It sayes one third the soap. There is no possibility of infury to the Clothes. Printers' Ink, Coach Grease, or distand grease of any kind, can be ranoved without the slightest injury to prints or toxtures, and the most delicate person can accomplish a day's washing in an incredibly abort space of time, cleaner than by boiling. When the clothes are bleached by drying in the sun, there is no necessity for blucing. Prints, Muslins, Laces, &c., are washed boautifully by this process; also, cleaness Silver, Plated Ware, Jowelry, &c. Ask your grocer for lit, or write to II. II. SALMON, 13 Moore St., N.Y.
