The ladies have taken this space for one year, and are responsible for all that it may contain.

One of the Greatest Foes of our American Boyhood and Manhood.

Not since the days when the first Eden was robbed of its joys, has a greater foe arisen than the foul physical, mental, and moral destroyer, the cigaret. Alcoholic drink has done and is doing great destruction to the human family, but in my opinion tobacco, in its various forms of use, and especially the cigaret, leads more effectively in destroying the manhood, and especially the boyhood of our land.

Thousands of deaths occur annually among our men and boys as a result of the use of tobacco. Cigaretts produce heart failure, and constantly reduce the circulation. The cigaret, and also tobacco, impair muscular force, produces amnesia, which is a loss or decay of sight without any visible defect in the appearance of the eye, destroys slowly and permanently the power of optic nerve, produces color blindness and delirium tremens. One of the saddest cases I was ever called to attend professionally was that of a man in the strength of his days, an Elder in the Presbyterian Church, who died with tobacco tremens. And there was a sixteen-year-old boy whose death was the result of the foul cigaret. Tobacco produces smokers' cancer and insanity. The facts are appalling in the highest degree as to the effects, both physical and moral, upon our manhood and boyhood of tobacco and cigaret poison. Unless radical steps are taken by the State and society to arrest and overcome this pernicious habit, it will only be a brief question of time until we shall have a nation of weaklings and emaciated manhood. Careful analysis of the stomach of cigaret smokers shows acid phosphorus and arsenic. These drugs are largely used in the manufacture of paper used in cigaret business.

Again, cigaret tobacco is strongly impregnated with opium. The constant use of tobacco in any form will produce functional derangement of the digestive, circulating and nervous systems, producing headache, confusion of intellect, loss of memory, dullness, stupor, and indisposition to muscular or mental labor. Here is the strong point manifestly displayed by our young women, who are taking the honors in our high schools and colleges. They have clear brains, not dumbed by cigaret or tobacco smoke. No man over has or will reach his best, mentally, morally or physically, who becomes a slave to tobacco. The cigaret subtly combines a three-fold deadly bane, as fatal to the unwary youth as the poisoned garment of Nessus to the unsuspecting Hercules. Ninety per cent of our men and boys are tobacco worms. Heart disease is on the increase, loss of eyesight has reached an alarming stage. A large per cent of these cases can be traced to the use of tobacco and nicotine poison; also to the unerring incontrovertible law of heredity. Tobacco stimulates the appetite for alcoholic drinks.

My observation has been that no man dies from intoxication who is not a tobacco user. The science of medicine the irrefutable facts that are daily increasing, resulting from the laws of heredity, leave no room for doubt as to the duty of society and the state in taking legislative steps in saving our youth from this deadly upas tree.—O. H. St. John, D. D., M. D., Ph. D., Ottawa, Kansas.

Seven Years in Bod.

"Will wonders never cease?" inquired the friends of Mrs. H. Paine, of Lawrence, Kan. They knew she had been unable to leave her bed in seven years on account of kidney and liver trouble, nervous prostration and general debility; but "three bottles of Electric Bitters enabled me to walk," she writes, "and in three months I felt like a new person." Women suffering from headache, backache, nervousness, sleeplessness, melancholy, fainting and dizzy spells, will find it a priceless blessing. Try it. Satisfaction is guaranteed. Only 50 c. at Crowell's Pharmacy.

Something about Base-ball.

At a meeting of the Hammonton Base-ball Club, held Monday evening, June 25th, it was unanimously agreed to address the following letter to the people of Hammonton who are interested in supporting a club here:

The grounds of the Hammonton B. B. C., and everything they contain, are the property of that organization, and are used by them for the purpose of giving entertainments to the public; to which entertainments tickets are sold, entitling the holder to witness the game, and insuring him or her protection against offense of any kind. Hereafter, these tickets will be sold on condition that the holder will conform to all rules made by the Board of Managers of this Club, or be subject to dismissal from the grounds upon complaint by any Club officer.

The rules, in brief, are:

1. No one except an officer or player of the club shall be allowed on the field.
2. No profane or vulgar language allowed in any part of the inclosure.
3. No one will be allowed to address the umpire or any player, personally, in an offensive manner.
4. No betting allowed within the inclosure.
5. No one under the influence of liquor will be allowed to buy a ticket. If by mistake any person in this condition does get into the grounds, he will be removed at once.
6. No unseemly noises, such as horn blowing, pounding on the fence, or striking pieces of boards together, will be tolerated.
7. We reserve the right to refuse any and all applications for tickets to the grounds, at our discretion.

We feel that it is to the best interest of the game to request that those of our town people who are not in sympathy with the members of our nine and do not wish to see them win, will not attend the games. We invite the freest kind of enthusiasm and encouragement to the visiting clubs, but not at the expense of our own players, who give their services free of charge for the entertainment of our people.

This sentiment of opposition to our players, I am glad to say, has been manifested by very few very unimportant members of our community, but it has been annoying to a large majority of our patrons, who have the interest of the game at heart; and we feel that it is better to ask those few to stay at home.

We cordially invite the ladies and children to come to our games (we know the men will follow), assuring them a clean, enjoyable game of base-ball, where the best club will win, without interference from any one. Let us "keep the ball rolling" in every sense of the word.

Respectfully,
EDWARD S. GRANT,
JOHN GALIGNE,
HARRY SMITH,
J. A. WAAS,
Board of Managers.

June Weddings.

A very pretty home wedding took
place at Mr. Henry J. Monfort's, on
Thursday, June 28th, at 4 P. M., the
contracting parties being Mr. Charles
A. Housh, of Hoboken, N. J., and Miss
Nellie A. Monfort, of this place. The
ceremony was performed by Rev. W.
N. Osborn, and only a few beside the
immediate family were in attendance.

After refreshments, the happy couple
were taken to the Reading Depot, where
a large number of friends greeted them,
and gave them the usual shower of rice.
Most of the young people accompanied
them to Winslow, where the final
salute was given, and the disturbed
couple left to themselves for a pleasant
journey.

There was an attractive home wed-
ding last Sunday, at noon, at the resi-
dence of Mr. and Mrs. John B. Seely,
in Hammoncton, when their daughter,
Miss Lizzie B. Seely, was united in
wedlock to William U. Priestly. Rev.
Samuel B. Hilkey, of the Wynd Baptist
Church, Camden, officiated, assisted by
Rev. Herbert F. Loomis, of the Ham-
moncton Baptist Church. Miss Mabel
Seely was bridesmaid. Mr. John Dodd
groomsmen. There were many hand-
some presents. The newly married
couple took the afternoon train for
their new home, in Camden.

Miss Mabel Quinn, of Hammoncton,
and the Rev. St. Ethelbert Yates,
formerly Pastor of the Hammoncton
Universalist Church, were married on
Saturday, June 23rd, 1900, by Rev. Dr.
Brooks, in Christ Church, Philadelphia.

Mr. and Mrs. Yates started at once for
Niagara Falls, and will go thence to
their home in Vermont. Several Ham-
moncton friends were present at the
wedding.

Our soldiers in the Philippines
have a little spice, at times, in the way
of danger. May 1st, a hundred picked
men were sent out in search of a band
of Filipinos. With them was Hospital
Steward Bradbury, of Hammoncton. On
the 25th, a detail of fourteen men,
under Sergeant Harvey, attacked the
enemy, and Harvey was shot in the leg
above his knee, the bone being broken.

A Corporal risked his life to carry the
Sergeant to cover. Bradbury dressed the
wound by daylight, making splints by
splitting bamboo, and made a good job
of it. The men carried their wounded
comrade for twenty-eight hours,—six-
teen miles of the roughest kind of con-
veyance, until they reached a safe place.
Officers gave the men, the Sergeant, the
Corporal, and the Steward unstinted
praise. The story came to us from a
Washington (D. C.) paper.

A very enjoyable party was
given last evening at Mrs. Albert L.
Jackson's, in honor of her cousin, Miss
Henriette, of Virginia. Before and after
the tea a supper was spent in
games of charades, telegrams, literary
conundrums, peanut jack straws, etc.

Among the invited guests were:
Misses Katie and Joella Garton, Jessie Rath,
William Jones, Lillian Doyle, Ethel
Davies, Nellie Vander, Ethel Jacobs, Anna
Gowdy, Mabel Clement, Gertrude Henne,
Misses Mrs. O. D. Jacobs, Mr. and Mrs. Robert
Steed, Mrs. and Mrs. Henson, Mrs. J. O. Henson,
Messrs. Harry Davidson, Harry Rutherford,
John E. Hoyt, Dr. Frank Tomlin, Hurlbert
Poulin, James Baker, Albert Whitler, Alfred
Trenford, Ernest Jackson, Walter, Rev. H. P.
Loomis, Rev. W. K. McKimsey.

Pastor W. N. Osborn was out of
town last Sunday. Rev. Mr. Trevor
preached in the morning; the Epworth
League conducting evening service.

Prof. N. C. Holdridge will leave
Hammoncton for Europe, next Friday,
to visit the Paris Exposition, see the
world renowned Paston Clay, and etc.

Save Two from Death.
"Our little daughter had an almost
fatal attack of whooping cough and bron-
chitis," writes Mrs. W. K. Hayward, of
Ampark, N. Y. "but, when all other
remedies failed we saved her life with
Dr. King's New Discovery. Our niece,
who had consumption, in an advanced
stage also used this wonderful medicine
and to-day she is perfectly well." Doc-
tor's chest and lung disease yield to
Dr. King's New Discovery as to no other
medicine on earth. Infallible for coughs
and colds. 50 cent and \$1.00 bottles
distributed by Crowell's Pharmacy.—

INDIGESTION

Cured by Johnson's Dyspepsia Cure

"I suffered over two years with Indigestion and Nervous Dyspepsia, unable to eat or sleep. I tried several physicians and different remedies, but they only helped me for a short time. A friend advised me to take Johnson's Dyspepsia Cure. I have taken three boxes, and am now feeling better than I have for two years. Have a good appetite, sleep well and have none of the symptoms of Indigestion or Dyspepsia, while I have gained ten pounds in weight within a couple of months. I am taking pleasure in recommending Johnson's Dyspepsia Cure wherever I can, and several of my friends are taking it with marked results."—L. A. Arnold, Chm.
