## HAMMONTON'S FOURTH OF JULY

Flag Raising—Parade—Races—Fireworks

Hammonton's celebration on Tuesday will be no effort to eclipse the noise and confusion of the battlefields; but an effort on the part of the Moose and their friends to perpetuate the spirit of patriotism in our town (which would have required a microscope to detect), and at the same time entertain their fellow townpeople and the hosts of visitors and brother members of the Moose Lodge.

The day's program will start off about eight-thirty, with a salute of six bombs, on W. J. Vernier's lawn. One of these will scatter hundreds of tiny flags for the children. This will follow the raising of the stars and stripes.

The parade, made up of lodges, floats, and several bands, will form at ten o'clock, at the Reading. Starting at ten-thirty sharp, they will proceed up Bellevue to Central, to Vine, to School Lane, to Bellevue, to Third, to Orchard, to Egg Harbor Road, to Hammonton Park. Prizes (probably flag) will be awarded for best decorated house along the line of march; also for best float. Procession will reach Park about noon.

Band concerts will take place at the Park about one o'clock, five to seven, and during fireworks.

Races will start at one o'clock. Entry blanks can be secured of Harry Carson. At three o'clock, and at four-thirty, there will be two ball games, at the Park, with the Vineland Moose and the "Has Beens" of Hammonton, respectively. Early in the morning about eight o'clock, there will be shooting matches, open to all comers, also for beginners, with first and second prizes.

Fireworks—a grand display—will be set off after dark—about eight-thirty.

Refreshment and amusement stands, also free swings and see-saws, will be found in the grove.

Jeeps will take on and unload passengers at their stand, near Bank Bros. store. Until after the races, they will return from the Park by way of Park Ave. and Central; after the races, they will probably run on the track.

If a resident of Hammonton, give yourself, your family, and your employees a holiday. If an out-of-town friend, come and enjoy the day with us.

Those of our readers who are interested in the all-day conference and picnic given by Atlantic County Christian Endeavorers at Lenape Park, May's Landing, on Saturday, July 15th, will be glad to know that West Jersey Presbytery has endorsed the plan, recommending their churches, ministers and societies to co-operate, and attend. Yes, everybody in South Jersey is being invited.

## Yeggmen, or Amateurs?

A daring, but bungling, attempt to rob the Hammonton Post Office was made early Friday morning, between one and two o'clock; but the appearance of Officer Myers, at two o'clock, upset their plans, and they seemed glad to escape, leaving several chisels and monkey-wrench as souvenirs, which had been stolen from Walther's wagon shop.

The "yeggmen," who had evidently come in on the midnight freight, or, as some suspect, in their own high-power car, which they left on a back street, then forced open a back window, covered the big safe with sacks and inserted a charge of explosive. That the explosion did not accomplish their purpose was doubtless due to inexperience. The door was badly warped and partly opened at the top, but the bolts held. The combination was so damaged that the safe could not be opened. A second charge would have finished the job.

Mr. Myers came past just then, on the opposite side of the street. Suspecting nothing, he heard a voice from near the fountain commanding "Hands up!" and two men were in sight. He was not in that business, and when he failed to obey they began firing at him. He promptly responded with several shots, then woke the town by ringing the fire bell. Confederates, on the watch, then fired several shots at him from opposite corners, but fortunately missed their mark; and unfortunately he did not drop any of them, though they may carry marks of the battle. The fellows then fled across the back lot and down Second Street. In a few minutes, about fifty men were on the spot, all ready to fight fire or thieves; but there was nothing for them to do.

Postmaster Langham was sent for, but found nothing missing.

It was impossible to open the safe for the day's business. Stamps had to be borrowed from the local banking houses until a new supply could be procured or the safe be opened by an expert.

This is the third or fourth attempt to rob Hammonton Post-office, and but for the prompt appearance of the present official, a profitable haul might have been secured.

## To-day's Band Concert.

The first public open-air concert will be held this afternoon and evening, from four to eight, at Hammonton Park. Rev. Dr. Henry Merle Mellen, of Atlantic City, will deliver an address on "Good Citizenship"; and as he is known as an able and interesting speaker, it is hoped that Hammonton people will turn out in force on this occasion.

Hon. Thos. F. Martin, Secretary of State, Hon. Jos. Frelinghuysen, Hon. Walter R. Edge, and Hon. George L. Record, are other prominent speakers who are to deliver addresses on later dates, on similar patriotic topics.

In addition to the addresses and eight or ten selections by the Columbus Band, there will be races for the amateur championship of Atlantic County, three events run off,—100 yd. dash, half-mile run, and one mile.

Motor boat trips will be run, from noon until eight o'clock.

## PATRIOTISM DAY

---that's a good name for the Fourth of July:  
a day when all good citizens should reaffirm  
their allegiance to our country.

In the meanwhile, if you are preparing to make the day a holiday, and if your preparations include any of the things men wear, you'll want the co-operation we can give you in getting the right things.

### You may want Hart Schaffner & Marx Clothes

A suit for outing wear; one of the new pinch-back or bolt-back styles; extremely popular with young men and with some older men. Maybe you'd like a blue serge suit for more drossy appearance.

Or negligee shirts, or summer neckwear, or cool underwear, or footwear, hats or caps. We are prepared to supply all such needs very promptly and to your complete satisfaction.

Simple Motor—in the

## Hudson Super-Six

\$1375  
at Detroit

NOTE that we add no size, no cylinders in the Super-Six. It is still a small, light, simple Six. The size is identical with the former Hudson Six-40. But our new invention—a Hudson patent—gets 75 horsepower from this Light Six. Hereafter, at its best, it delivered 42 horsepower.

### NEVER TAXED

This vast reserve power shows in marvelous performance. It shows in hill climbing—shows on hard roads—shows in quick acceleration. Think of adding 80 per cent to a motor's efficiency. Can you realize how much that means? It means a motor which is never taxed. At hill load it does what full load did in former like-size motors. This is all due to ending motor vibration. We save the power which was lost in friction.

### All Other Cars Outrivalled

At Sheepshead Bay, under A. A. A. supervision, a Hudson Super-Six stock car excellently equipped for racing, won all four stock car races in three weeks. 100 miles in 80 min., 21.4 sec., averaging 74.87 miles per hour, with driver and passenger. 75.63 miles in one hour with driver and passenger. Standing start to 60 miles an hour in 16.2 sec. During these tests the car was driven 1550 miles at top capacity, at speed exceeding 70 miles per hour, without discoloration or wear on any part.

## THE OVERLAND

### Electric Control Buttons at your Finger Tips.

Naturally, you want a car that can be operated easily,—you realize that the extent of pleasure and safety in driving depends upon the ease of control. In most cars the details of control seem to be planned with an eye for convenience in assembling the various parts. But the Overland control was arranged just as you would arrange it if you were designing a car-for-your-own-convenience. You control the electric magneto, the electric lights, the electric horn, with your finger tips, without bending forward. To start the motor, you merely touch a foot button in the floor.

Cars are here on our floors for your inspection.

## Stop Patronizing Trusts!

YOU WILL LOSE IN THE LONG RUN

BUY AT HOME! Our Motto: Veritas Vincit

Did you ever stop to think why gasoline is so high? Did you ever stop to test your gasoline or petroleum? Are you aware that your gasoline is poor? Do you know that gasoline is a big factor of your car's power, speed, carbon, service, and expenses?

We Repeat: You Lose in the Long Run!

The independent refiner cannot afford the facilities to ship his products abroad and receive the present commanding high prices; hence it is your chance,—your opportunity to buy his best products at the same figures as you are now paying for the big man's re-refinement.

THINK IT OVER.

The undersigned Hammonton firm wishes to announce the establishment of their oil service station at Alto, N. J., and is ready to deliver within a radius of 15 miles. Prompt delivery is assured with only one stop to date out-of-town motor truck.

We are Independent of all Trusts!

Our products are refined from the Pennsylvania crude paraffine base wells,— unquestionably the best in the market. Now, Mr. Consumer, it is your chance to buy well refined filtered gasoline for your auto, gas engine, and all gasoline driven motors, petroleum for your illuminating and fuel purposes, lubricants for your machines and car. Give me a trial, and be convinced.

Be careful about fire, next Tuesday. Better have your hose handy, also a ladder.

No, that is not a photo of Hammonton's Fourth, in Rank Brothers' advertisement; but it gives an idea of the size of the crowd we expect. We desire to compliment Director Maltby and his efficient staff for their excellent monthly publication, the "Atlantic County Vocational Bulletin." The issue of June 15th is on our desk, and will be sent from the Pleasantville office to all who wish it, free.

Do your trading on Monday, thereby giving your grocer and ice man the benefit of the holiday.

We learn that Rev. and Mrs. Wallace Sutton Marple are to have their twenty-fifth wedding anniversary next Saturday, July 8. Nuf ced. A good thing,—that fire bell!

Town Council is worrying over that "dog-gone" question. Better reduce the number of canines (the worthless ones), then forget it.

Officer Myers deserves commendation for his plucky stand, early yesterday morning. What would you have done, with four desperate men peppering you?

Thanks to the Mosquito Commissioners, we are troubled very little with the "Jersey mosquitoes."

For the twentieth time, we warn our readers to be careful in crossing Bellevue Avenue. Instruct your children to always "Stop! Look! and listen!"

A suggestion has been made—and it is a good one too—that we bank a portion of our July 4th income, as it may be needed to assist the families of our soldiers on the Mexican battlefields.

Don't give money to strangers.

We tender congratulations to our esteemed fellow-townsmen and pioneer merchant, Hon. George Elvins, on passing his seventy-eighth milestone on Thursday.

You will find the "Republican" staff at the office at mail time, on the Fourth, and all over town during the day and evening.

Quit riding bicycles on the sidewalks. Besides endangering those on foot, especially small children, you'll get pinched. The roads are excellent, and are made to ride on.

Why is it? That so many of our young men are saying, "If I wasn't married, I'd enlist."

Is the very best paint ever used in Hammonton.

There are scores of buildings in town covered with this paint, which look well after eight or ten years of wear.

The Hammonton Paint is sold for less than other first class paint. It has no equal, as it works well, covers well, and wears well.

Sold by JOSEPH I. TAYLOR

## Town Council Meeting.

The City Fathers made another  
record for short meetings, Wednes-  
day evening,—but one hour and  
a-half in session.

Highway Committee reported  
that that work of moving curb,  
etc., on Egg Harbor Road, would  
be started next week.

Water Committee stated that to  
run the mains to Messina Avenue  
would be extending the system,  
which they have no power to do.

Bills were ordered paid, totalling  
as follows:

Town Purposes.....	\$174.12
Highways.....	402.45
Fire Department.....	5.75
Poor.....	42.54
Park.....	11.29
Drainage.....	3.50
Sewerage.....	5.60

Request was made by Laton M.  
Parkhurst, Chairman of Field Day  
Committee, for use of the Park on  
Sept. 9th, for police protection,  
and for lights in the evening if  
necessary. Granted.

Another complaint was received  
from Thos. W. Vane, of chickens  
killed by dogs. This time there  
were 57 S. C. W. Leghorn cockerels.  
Appraisers enclosed their estimate  
of damages at \$171. This, with  
the 197 killed May 22nd, makes  
Mr. Vane's claim \$565.

Alfred Reed claimed damages  
for loss of nine chickens, killed by  
dogs, Sunday night. Appraisers  
fixed the loss at \$10.

These claims were referred to the  
Finance Committee.

Ordinance for the collection of  
sidewalk assessments passed first  
reading.

Property Committee is making  
further improvements at the Park.

Progress was reported on the  
widening of Egg Harbor Road.  
Engineers will set stakes for new  
curb on west side; telephone com-  
panies will move poles to the new  
line; gas and water stop-cocks will  
also have to be moved.

Mr. Delker asked that a band  
stand be built at the Park, for the  
various public days. Committee  
was instructed to have same done,  
at an expense not to exceed \$50.
