WAR SAVING STAMPS

SAVE AND WIN

PROCLAMATION.

Water lilies are abloom on the Lake.

Town Council meets next Wednesday evening.

E. P. Jones has recently purchased a fine Cadillac.

Mrs. E. M. Fairchild, of Camden, was a Hammonton visitor over Tuesday.

Word was received yesterday that Dr. W. E. McIlvaine had arrived safely overseas.

Everett Hooper is here on a furlough. He has received a commission as Second Lieutenant.

L. B. Winkler has sold his property, the Whittier homestead, to Thos. J. Derrick, of Philadelphia.

James Tuono was arrested by Officer Adams on Monday, by order of the Department, for desertion from Camp Mills, L. I.

J. L. O'Donnell witnessed the parade, Thursday, from an automobile, and greeted hosts of friends and well-wishers.

Fully a dozen Hammonton boys were home from the various camps on the Fourth, some of them travelling all night to spend the holiday with their families.

The local Medical Reserve unit returned from Sea Girt enthusiastic and ready to do its bit. Charles Cunningham, Jr., was the youngest enlisted boy there, he being not quite fourteen years old.

Harry Doerr, formerly of this place, now of Vineland, has graduated from the Army School of Military Aeronautics at the Massachusetts Institute of Technology and received a commission as Second Lieutenant in the Air Service. He has been assigned to Camp Gersten, Lake Charles, La. Lieut. Doerr is the son of Mr. and Mrs. David Doerr, of DaCosta.

Union Sunday evening services will start to-morrow evening in the baseball grandstand, on the school lot, the Methodist, Presbyterian and Baptist Churches participating. Services will start at eight o'clock, lasting one hour. The pastors will take turns in preaching, and the united choirs are to furnish the music, assisted by organ and cornet. All are invited. "Familiar Songs" will be used.

Some Good Eats.

In a letter to Mrs. A. B. Davis, his aunt, Chandler Woolley, son of Dion R. Woolley, who was formerly well known here, gives an idea how much can be purchased in France for a small sum. The letter, dated May 13th, was very interesting. The menu in question is included in the following extract from the letter:

"We went up on towers, entered the chapel with its beautiful face stone interior trim, saw the door that caused the finish of one king, for it is a well-known fact that stone is harder than the skull, admired the wonderful view, inspected the battlements, then went down to a mighty nice little hotel nestled against its base for dinner. Some dinner, we are always fortunate in striking good places, and this is what we had—young radishes and a sort of pork paste for appetizers, parsley omelet, delicious spring lamb with mashed potatoes, a bottle of sparkling wine which would cost at least \$7 alone in the States, bread, apples, figs, prunes and nuts, and the bill for the three of us only amounted to \$2.98 in U. S. currency. Just think of that for one dollar apiece."

Un-Claimed Letters.

The following letters remained unclaimed for in the Hammonton Post Office on Wednesday, July 3, 1918:

Fred Hirsch
Frederick C. Housh
Albino Housh
George Housh
Billy Mack
Robert Landon
Giovanna Puleo
A. Shivers
Mrs. D. Patterson

Persons calling for any of the above will please state that it has been advertised.

LOUIS J. LANGHAM, P. M.

To the Citizens of Hammonton:

The National Holiday of France is July 14. It is a day as sacred to the French people as is the Fourth of July to us. As a tribute to that country for the friendship they have shown us, it is proposed to make the French holiday here in the United States an occasion to voice our determination to support France until peace shall have been achieved.

As our soldiers are now fighting on French soil, we feel that French soil is our soil, and that everything which is of interest to France is of interest to us.

I therefore, call attention of the different churches to the spiritual solidarity of this country with France: our debt to France; the inspiration of France's heroism; the significance to us of our dead, now and to come, which will always remain a bond between the two Republics.

The President has been asked to declare July 14 a day of prayer for Allied success, and whether this is official or not it should be the topic uppermost in every church. I would also suggest that the Star Spangled Banner, and, wherever possible, likewise the Marseillaise, be sung in every church or meeting on that day.

Display your flags. Let every home in Hammonton, and every place of business or amusement, hang out the Stars and Stripes—and also all available French flags. Be patriotic. Show the spirit.

I need not remind you that the supreme hour of the war is at hand, and that after four years of sacrifice and patience the French are still facing the need of new sacrifices that civilization may continue free and unafraid. To make this demonstration a truly national one, that will go over to those who are fighting for us on the other side, is the very least that we can do.

Respectfully,
Michael K. Boyer, Mayor.

The soldiers' life is not all pleasant, though Uncle Sam does all he can to make it so. One of the many Hammonton mothers took her son at Camp Dix a chocolate cake the other day. He had a piece or two and then invited several of his chums, over next day to share the treat. But it was a meat sandwich,—full as a tick with ants. They didn't tell the writer what they said, nor what they did with the invaders and their prize.

I saw in the Saturday "Evening Bulletin" that thirteen boys, all under twenty-one years of age, were arrested in a pool-room. If this was done here in Hammonton there would be more money for Liberty Bonds and War Stamps; also for the parents of the boys with which to feed them. Men should be earning money at the Government's plants at high wages, and not by taking it from the boys sitting around and playing in their pool-rooms. If justice was done those places would be closed to all under age, and Hammonton is noted for its many saloons and pool-rooms. Our Councilmen should be on the job and watch these places for violations. One Interested.

Mileage Tickets.

Universal mileage tickets to be sold at the basic rate of 3 cents a mile are to be issued by all of the Government operated railroads on August 1, or as soon after that date as practicable.

These scrip tickets will be good not only on all Government lines, but they will be accepted in payment for Pullman berths, for other Pullman accommodations, for excess baggage and all other charges. It is believed that their issue will not only be a great convenience to the public, but will greatly simplify railroad accounting between the various lines, and work ticket selling and other economies.

The tollage scrip tickets are to be issued first in 1000 mile groups, but larger ones will be issued if they are demanded by the public.

You Can Fool Yourself But Not Your Battery

You may think your battery has
been kept fully charged and filled
with distilled water.
And yet you may be mistaken.
But your battery writes the real
story as it goes along.
That's why you ought to stop to-
day and have a test made—to see
whether you have been fooling
yourself or not. And ask about the
Still Better Willard with Threelined
Rubber Insulation.
This is the only battery with the
"Bone Dry" principle that is your
absolute assurance of getting a
battery as new as the day it left
the factory.
