The contractor has completed the new well at the Town's pumping station. It is 305 feet deep, eight inches in diameter, and has a capacity of four hundred gallons per minute—equal to all the others combined—and appearances indicate much greater flow than was promised. It is a new system well, an improvement over the others, and will be connected by an eight inch pipe, probably next week.

THE NATION'S BIRTHDAY.

July Fourth, this year, was more like the kind Hammonton used to have, years ago. People wakened up, trimmed their residences and business places with bunting and flags, and devoted the day to sight seeing and a general good time.

Many hundreds of visitors were here, including members of the Moose lodges. The latter helped to swell the size of the parade, which was composed of local organizations, on foot, and lodge and business floats, led by Columbus Band, which played very acceptably all day and evening.

While but few of the children caught flags dropped by bombs in the morning, most of them were handed one by W. J. Vernier, from his well filled basket.

The line of march was up Bellevue Avenue to School Lane, to Vine Street, to Third, to Orchard, to Egg Harbor Road, to Hammonton Park,—just long enough to be interesting, without being too tiresome. People thronged the sidewalks, while others, as patriotic, were not sparing of bunting and flags.

At the Park, many took to the boats, others to the water (to wash off the coating of dust), but most of them to the races and base ball game.

The assemblage in the evening was much larger, of course, to witness the ever-popular display of fireworks, which, though good, proved too short for many.

No serious accidents were reported, though there was much powder consumed. Egg Harbor Road and Bellevue were alive with autos all day,—the former being ground to fine powder two inches deep.

People are indebted to the Moose Lodge, business men, and organizations, for celebrating the day so appropriately.

Christian Endeavor Picnic.

The Christian Endeavorers of Atlantic County and neighboring cities and towns will hold their first open air conference and picnic at Lenape Park, May's Landing, on Saturday next, July 15th.

Supper to be given at St. Mark's Parish House, Wednesday, July 12th, six to eight o'clock p.m. Hot waffles a specialty. Ice cream. Music by orchestra.

The twenty-fourth anniversary of the Stratford M. E. Church, of which Rev. W. L. Shaw is pastor, will be observed to-morrow with appropriate exercises.

Last Saturday, as Mrs. Chas. E. Small was leaving the Baptist Church, she was seized with vertigo and fell, cutting her head badly. Her husband found her lying unconscious. Happily, her injury did not prove serious, and she soon rallied, under treatment.

Two hundred or more persons enjoyed the first Band Concert, in the Park, Saturday afternoon and evening. Rev. Henry M. Mellen, of Atlantic, delivered an interesting patriotic address on good citizenship. Two prominent speakers are expected at the next concert, July 15th.
