THE BEST ONE YET.

Treat Puzzles the Tacony A. A.
and Hammonton Wins.

The crack Tacony A. A. Club, of Philadelphia, defeated last Saturday by the local team, in a game generally conceded to be the best game of the season. Treat never pitched better, and completely puzzled the visitors, and aided by Boyle's coaching and backed up well by the whole team, he held up well throughout. Only nine of the Taconys were allowed to camp under Tomlin's wing. Just thirty-four of the visitors came to bat in the nine innings—four in each inning except the fifth and ninth, when but three showed up. There were no three base drives or home runs. Base hits or brilliant plays, which make the heart go pit-a-pat and add zest to the game, were rather few and far between. Each man played as if he knew the game. Even the errors seemed less glaring than usual; perhaps because they were mostly in our favor. Some praise should be given the visiting pitchers, especially Craven, who allowed but two hits in the last five innings. Brown was worked for all he was worth, and played well.

Treat started in by striking out B. Myre in first inning. Then Armstrong bunted, stole second, and came in on a wild pitch. Berry and Cook fanned out. Watt followed suit for our team. Loveland flew to Durbet. Setley sent through short, got his second on the error, and scored on Boyle's push thro' Berry. Tomlin popped out to Armstrong.

In the Quakers' next, the chief item of interest was Boyle's fine catch of Brown's foul. Conley sent to right, moved up to Mathis base on dead ball with two out, and came in on the right fielder's muff of Watt's push; while Mathis scored on a wild throw to cut off Watt.

It was in the fourth, though, that we knocked Armstrong out of the box with four bunched hits. Beverage popped one over second base, moved up on Treat's drive to left, and scored on Mathis' scorch to right. Treat came in on Watt's sacrifice, B. Myre to Brown, while Mathis rode in on Loveland's drive to center.

B. Myre was the only one to draw a base on balls from Treat, which he did in next inning, but died on second.

In the seventh, Treat was touched up for two bases by Craven, and for single by Herrie, which tallied Craven. A base on balls, a sacrifice, and passed ball, scored Setley.

The Quakerites were not permitted to reach first in eighth or ninth.

Bryan managers to gold Democrats:
Step right up here and be kicked; then
go and vote our ticket.

A good advertisement does not sacrifice sense to attraction; it makes good sense attractive.

Four states will elect Governors this year,—Massachusetts, Ohio, Iowa, and Virginia. The first three ought to be reliably Republican, and the last is conceded to the Democrats. In Iowa, the Silverites of all parties have united on a combination ticket, and in Ohio a desperate attempt will be made to win the State from the Republicans; but the chances are that both states will stand by their old colors. In Massachusetts, the Democratic candidate will be overshadowed by a tremendous majority.

The study of the Spanish language may well be introduced in our public schools. It is an easy language to acquire, and in the near future, when the trade relations of North and South America and Cuba are closer together, it will be indispensable to all who may be engaged in trade and commerce.

Democratic organs insist, first, that the revival of prosperity is due to fine crops, not to the Republicans; second, that the revival is only temporary; and third, that there isn't any revival.

The Pitman Grove camp-meeting will open on Tuesday, Aug. 3rd, with W.C. T. U. day. The day following will be Epworth League day, and the Camp proper will open Aug. 6th.

A board bill of \$1,579.95 was sent by the State of New Jersey, last Friday, to Uncle Sam. It is for the keep of United States prisoners in the penitentiary at Trenton.

Uncle Sam has never made a mistake in annexation, and he is not likely to go wrong in the next one, after having thought it over for sixty years.

Europe acts as though it had a copy-right on the annexation idea. The United States insists that it has the right, copy or no copy.

Protection may be defined as a policy on which Republicans are united and all the other political parties very much divided.

Delightful Summer Tours.

For the convenience of those who seek the most attractive way of spending a Summer holiday, the Pennsylvania Railroad Company has arranged two delightful tours to the North, under the personally-conducted touris system, July 27 and August 17. No matter how much may be expected, one cannot be disappointed in Watkin's Glen, Niagara Falls, Thousand Islands, Quebec, Montreal, Au Sable, Chasam, Lakes Champlain and George, Saratoga, or the Highlands of the Hudson.

Something to Depend On.

Mr. James Jones, of the drug firm of Jones & Son, Cowden, Ill., in speaking of Dr. King's New Discovery, says that last winter his wife was attacked with la grippe, and her case grew so serious that physicians at Cowden and Paun could do nothing for her. It seemed to develop into laaty consumption. Having Dr. King's New Discovery in the store, and selling lots of it, he took a bottle home, and to the surprise of all she began to get better from the first dose, and half a dozen dollar bottles cured her sound and well. Dr. King's New Discovery for Consumption, Coughs and Colds is guaranteed to do this good work. Try it. Free trial bottles at Croft's Drug Store.

SATURDAY, JULY 24, 1897.

Mr. Samuel Anderson, Jr., placed a pleasant forecast, Thursday, inviting nearly a score of lady bicyclists to join her in a short run at 7:30, to take breakfast at her residence on their return. But the weather indicated a boat race instead, and they postponed until evening, starting at 6:30, riding to Elwood and back. Among those participating were—

Mr. and Mrs. George Turner
Mr. and Mrs. M. L. Jackson
Miss Cora Wild
Miss Nettie Monfort
Miss Edith Anderson
Miss Kate Anderson
Mrs. Duan
Mrs. Talmage and daughter, of Philada.
Miss Alice Bacon, of Greenwich, N. J.
Mrs. Wm. Anderson, of Philadelphia.

They had a delightful run, and on their return repaired to Mrs. Anderson's, where a bountiful supper was spread, consisting of sandwiches, pickled olives, cheese, crackers, fruits of all kinds, and lemonade. In the centre of the table was a very fine floral piece, made in the form of a bicycle wheel.

Rev. W. C. Stiver's illustrated service, last Sunday evening, was appreciated. The Baptist Church was filled. The stereoscopic pictures were of the life of Christ, from the first visit of the angel to Mary until the ascension. Several well known hymns were thrown onto the screen, and the congregation united heartily in singing them. The service was a novelty, and the preacher improved the opportunity to speak many good words for his Master.

The Second Base Ball team was defeated at May's Landing last Saturday, by their local team. Score, 10-11. Will Westcott was knocked unaccountably early in the game, by a flying player on the opposite side. It was feared for some days that the hurt might prove serious, but he was about on Thursday, declaring his readiness to try it again next Saturday.

Despite the enormous importations of manufactured goods, the manufacturers of the country are showing an improved business condition. Reports from various sections show an increase in the number of hands employed and hours occupied. Reports from *Pitt's Review* covering the failures for the month of June show that the failures among the manufacturers were only 230, against 284 in June of last year, while the liabilities were only \$6,365,010 against \$8,209,491 in June of last year, and \$12,150,408 in June 1895.

Those of our Councilmen who are conscientiously (?) in favor of license in Hammonton because "the people voted for it," had better read that proposed ordinance twice more. It is not what "the people" voted for,—at least a great proportion of them. "They wanted 'one good first class hotel' but that ordinance provides for any number of 'mns or taverns,' at the pleasure of any Councilman that may hereafter be elected. Keep this in mind, and scotch the snake.

Don't be afraid

To blacken your hands, but take down the smoke-pipe of your heater,—disconnect it from the chimney. More harm is done to your heater during Summer, if left connected to chimney, than by the burning all Winter. If you don't like to do this, command us—at your service.

Also, don't forget, everybody who has a National Blue Flame Stove, or an Insurance Gasoline Stove says they are first class; and "what everybody says must be so." Try one.
