The Baptists have been there two years, and this year the Presbyterian Committee virtually agreed on Clementon, and chose the day after the Baptists', the 2nd. On the advice of the Reading Railroad Company, they got together, and the Schools compromised on a union picnic on the 8th.

Tickets will be sold by children of both schools, at 50 cents for adults, and 25 cents for children. These tickets will be exchanged at the Reading's platform, by the Committee, for official coupon-tickets issued by the Company especially for this occasion.

There will be room for everybody, especially if the public buy tickets early, thereby letting the Committee judge how many are going. They have engaged special trains each way, leaving Hammonton at 8.45 a. m., and Clementon at 7.30 p. m.

In case of storm on Tuesday, the next day, Wednesday, has been arranged for.

To those who have never been to Clementon, these facts might be interesting: There is a large lake, with motor and row boats, a large refreshment stand, where hot and cold drinks, sandwiches, milk, etc., can be purchased; also, all kinds of amusements,—merry-go-round, etc.—a base-ball diamond, and plenty of shelter.

The Methodist Picnic.

There were showers to the right of us, showers to the left of us, and for a short time showers right on us. But right ahead the sky was bright, so we pushed on. It had sprinkled only a few drops at Weymouth, and the grounds were dry. A brisk fire soon dried the few who got wet from umbrella drippings. As soon as we got the key to the church, thus provided with shelter, the skies cleared and we had a delightful day.

Bro. Steel, as Professor of Domestic Science, proved his worth, and everyone praised the coffee and lemonade. Bro. Chambers and Dickson, expert riggers, soon put the swing-in-shape, and the severe test it was put to, shows they did their work well.

The superior battery work of Small and Myers brought victory to their side in the ball game, by a score of 9 to 5. Davenport Bros. officiated for the losers. Bro. Jackson put up a strenuous game, but didn't get a hit. After Brother Doughty pushed over on his wheel, another game was gotten up for his benefit.

Mr. Thompson, in charge of the "Mansion," showed us every courtesy, and the little folks were delighted with the Shetland ponies.

After treating Weymouth to ice cream, we had an enjoyable ride home (business of blushing by some of the young folks), and arrived tired but happy, about ten o'clock.

Athletic Association.

We defeated Oakwood A. C. again last Saturday, in a thrilling game, by a score of 8 to 7. The visitors played well, and were applauded again and again for good plays. Score:

Hammonton.....1 0 1 1 3 0 0 0 2-8

Oakwood A. C.....0 0 2 0 0 2 0 0 3-7

Hayfield was moved in from left field to second base. He covered the bag well, except two errors, which more familiarity with his new position will prevent in the future.

A noticeable feature of the game was the daring base stealing by our boys.—Lockhart going from second to third on a high foul caught by the catcher; and a number of other successful steals were worked.

Our boys batted above average,—connecting fourteen times. Persico got four hits and a pass in five times up. Lockhart scored three hits.

Oakwood rallied in the ninth, and on three hits and two errors scored three runs,—putting them ahead, 7 to 6. Once more our boys brought out a ninth inning rally. Couly and Persico singled; Couly was caught at third. Reeves reached first, and Persico, by a subway slide scored and tied score. Reeves came in on Lockhart's single and Fitzpatrick's fine fly to centre.

This game was another warning to the people who leave about the eighth inning. Stay and see it all.

To-day we meet May's Landing in a county championship game. Each team has one victory.—Hammonton 4 to 0, June 24th; May's Landing 8 to 5, July 8th.

Come early, and avoid the rush.

Next week, Stratton A. C. Regular meeting of the Association on Tuesday evening, Aug. 1st, in Firemen's Hall.

Contractor Mart cut down the top of Bellevue Avenue, at Fourth Street, and lowered the huge pipes to allow better drainage at that point. Special officers were stationed, Wednesday, to turn traffic onto Third Street and Fairview.

WASHERY.—A good landmark to do washing at home, for one person. Reference required. Address Box 122, Hammonton.

Early Monday evening a violent thunder storm visited this section. It didn't last long; but a bolt struck H. C. Leonard's house, Maple Street, breaking a window and shattering the frame. At Third and Fairview, another, besides doing a little damage, shocked two children, who recovered.

Presbyterian Church. To-morrow morning theme: "Known by name." Solos, Miss Mabel Small and Miss Mabel Brownlee. Rev. R. "What God is like." Violin solo by John F. Rhodes; solo by Miss Bella Henry. Rev. R. H. Sharpe will preach each Sunday morning in August. In the evenings, the C. R. Society will have charge.

Circus Coming Next Week.

In the little town of Monroe, La., lived the family of Enos Haag, and about thirty-seven years ago there came to grace the family a son, and this son was named Ernest Haag; and as soon as he could even play with toys, pet playthings were the toy animals his parents and neighbors had given him. When he grew older, his play days were spent playing circus and show, and when he was fortunate enough to see one of the circuses that visited his own home, he would elaborate on it in his own way, and so it went on until he was 19 years old. He then secured a position with one of the circuses in an executive capacity, returning home at the finish of the season with one thought, to have a show of his own that would be recognized by the circus king, also a Southern show for Southern people. The following spring he bought a flat boat and organized a small show, floating down the Red River on the flat boat, playing the small towns on the river front. He next bought a few wagons, and started an overland show, every year enlarging and getting new features and with that one idea and ambition, to give his friends, the public, the best money could procure, successful management suggest and brains devise. Every year Mr. Haag enlarged his show until it became too large to travel on wagons. It was then transported to a railroad show with its own special trains.

In the fifteen years' history of this enterprise each year has been an unexplained growth and increase in size over the preceding one, and this year has been no exception to the rule. Mr. Haag has always had three principal objects in view, namely; Cleanliness, honesty, and kind treatment to all. Mr. Haag claims the distinction of being the only Southern gentleman owning and controlling a Southern show.

Haag Shows will exhibit at Hammonton, on Saturday, Aug. 5th, on the Walther grounds.
