SATURDAY, AUGUST 3, 1912

We notice that residents of Fairview Avenue are taking pride in the appearance of their properties.
An exchange reminds us that Christmas is coming on a jump; and also suggests that now is the time to commence saving for that purpose. That reminds us, we have two good banks, who will be pleased to receive deposits, and both have the little savings banks to take home, which help wonderfully toward collecting silver and coppers.
Wouldn't it be a wise idea to employ a motor cycle policeman on Saturdays and Sundays? Many machines get through without being caught, which could otherwise be followed, and their speed and number taken. Other towns are doing it, and some of our officials favor the scheme.

On page seven will be found a poem entitled "The Dark Man." It will do you good to read it.
If it were not for the fact that the building is little changed, we doubt whether a resident of twenty years ago would recognize the old Fruit Growers' Union property. In place of the gravel roads and walks and the double track siding, will be found grape vines, pear trees, lima beans, corn and general garden truck. It certainly has not improved in appearance.
Mr. Litke, of the "moovies," started out to give only good, clean shows; and from what we have seen, and heard, he has kept it up. Large numbers can be found at the tent every night.

We are informed that our record of the sale of the Swank place was premature—no money or papers having been passed, and was not yet a sale. As we were shown plans for the new house, and at least three local contractors had bid on the work, we supposed our first information was correct.

To Republicans of the Second New Jersey Congressional District.

BRIDGEPORT, N. J., July 23, 1912.
Early in January last announcement was made that the writer would be a candidate for the Republican nomination for the office of Member of the House of Representatives of the United States for the Second Congressional District, and that later on declaration would be made as to the platform on which his candidacy would be submitted to the people who under the new act for the nomination of Congressional candidates will have the final say. Having this day filed the petition required by the statutes of New Jersey in the office of the Secretary of State, Trenton, the following is submitted as the platform on which the undersigned will stand:

One cent postage for the people; establishment of the Parcel Post, with further improvement of the Rural Free Delivery and other mail service; Constitutional amendment limiting the Presidential term to six years, with ineligibility; liberal appropriations for public improvements, rivers and harbors, and especially for Atlantic City Inlet; revision of the tariff on protective lines, to the end that manufacturer and laborer alike shall receive their just reward; nation-wide Presidential primaries on a uniform date; further legislation for the relief of the veterans of the great Civil War, and their widows; reduction of the cost of food if it can be done by legislative act; legislation for the promotion of agriculture and benefit of the farmer; enactment of laws which shall defend and protect workmen in their human rights—shorten the hours of labor—and increase their wages; opposition to special privilege; maintenance of the cardinal principles of the Federal Constitution as laid down by the fathers of the republic in the preservation of that splendid system of government of checks and balances which for a hundred and thirty-six years has been the admiration of civilization, with additional amendment of the Constitution by the usual course of procedure as shall preserve the integrity of the Courts, but prohibit by penalty the perversion of the legislative intent.

My desire is, if nominated and elected, to support by voice and vote every measure having for its object the public good, opposing just as vigorously all that is bad. During a somewhat extended experience in the New Jersey Legislature, there is no act of mine on record which can in any sense be construed as other than representative of the people's cause. The rule of my legislative life has been and will continue to be that of the servant, and not the master. When it required courage to be a progressive, it will be remembered that I, T. Nichols, stood for every reform movement. How numerous the list of those who were comatose then who seek the limelight now, when the battle is practically won.

Gentlemen of the Second Congressional District, the primary occurs in two months, September 24th. Please remember that it is not always what a candidate may promise when anxious for votes. The proper test is as to his record when in power. That record was his testing time. On that record the writer will stand, as later on, Providence permitting, it will be our privilege to appear on the stump.

L. T. NICHOLS.

[Paid for by Arthur S. Craig, under provisions of act of the Legislature, approved April 20, 1911.]

Your Money is Always Available Just the Same.

There's no advantage whatever in keeping cash lying about the house, constantly exposed to loss by theft or fire, and too handy to draw upon at any suggestion of needing this or that, when you can deposit it at the bank where it will be safe and secure at all times, and yet be just as available for you to draw upon. Your check book should be your discharging agent, because it will show a record of every obligation paid. When checks come back to you paid by us, you have a receipt. The fact is, people are realizing more and more every day that a bank like ours is not alone for the big merchant or manufacturer, but its service extends into the private home and to the man or woman with a small business.

A Worthy Object.

Unprecedented demands which have been made upon The New Jersey Children's Home Society in its work for the homeless children of New Jersey, have left the organization without necessary funds to meet its summer obligations.
It receives under its care homeless children from every part of the State regardless of age or nationality. It has received under the care of its placing out department 1828 children, over 900 of whom are at the present time with private families.
It maintains an aid department which deals with cases concerning over 1400 children last year.
It has no State aid, but is supported entirely by voluntary contributions.
If the Society is to respond to these urgent appeals for help, it must have money and that immediately. Make checks payable to The New Jersey Children's Home Society, and mail to H. Arthur Smith, Treasurer, Trenton Trust & Safe Deposit Co., Trenton, N. J.; or if you prefer, hand contributions to any of the pastors, or send to this office. Choose your own way, but hurry.
Burglars entered Peter Raner's garage on Monday night, evidently with a duplicate key. They forced open the cash register, but found little booty, as Peter had pocketed most of the cash before closing time.

Town Council Proceedings.

At the special meeting, Monday
evening, all members were on hand
at 8.30.

After going into Committee of
the Whole, much of the evening
was spent in discussing the street
light problem; also sewerage and
appropriations.

It was decided to hold a public
meeting on the 21st, in Bellevue
Hall, to talk over these subjects
and learn the wishes of citizens.
The Light Committee were in-
structed to confer with the local
company in regard to rates for
virtually the same number of lights
now furnished. Several changes
may be made, including the sub-
stitution of electric incandescents
in place of many gas lamps, and
putting several all-night electric
lights on Bellevue Ave.

As the town and county appro-
priations will necessarily be high
this year, two thousand dollars
will be taken from the general
surplus fund and applied to Fire
and Poor accounts, thus reducing
the total amount to be raised.

The inlets at the Fourth Street
drain were ordered raised, and the
bars removed to prevent clogging
by drifting street rubbish, leaves,
branches, etc.

Mr. Sartori was present, and
gave Council many good points in
regard to installing an efficient
sewerage system.

Adjourned to meet on Thursday
evening, August 1st.

At the adjourned meeting on
Thursday evening, all were present
except Mr. Godfrey.

Clerk was instructed to consult
Solicitor about mode of procedure
to instal sanitary sewerage.

Bids were opened for vitrified
cross-walks and culverts, and the
contract awarded to A. F. Jannatt,
at \$697 for the eighteen walks and
necessary culverts.

Mr. Doughty, of the local light
company, was present, and stated
that they were ready to renew the
contract for street lighting, which
will expire Sept. 7th. They pro-
pose the same rates for midnight
service, —\$10 for each incandescent
lamp; \$50 for each arc. For all
night lights they bid \$15 for each
incandescent; \$75 for each arc.
They are not ready to replace the
45 gas lamps with electricity.

Committee instructed to prepare
specifications for lighting, to report
at next meeting.

By resolution, the assessors were
authorized to assess the amounts
appropriated at the election last
November, as follows: Highways,
\$5000; Town Purposes, \$5000;
Lights, \$4500; Park, \$300; for
Drainage, \$200; Board of Health,
\$500; Memorial Day, \$50; total,
\$15,500. This omits \$2000 taken
from surplus, as above.

Adjourned at 11.07, to meet next
Monday evening.

A Former Town Official's Death.

William H. Burgess died on
Friday evening, July 26th, 1912,
aged 59 years, after several weeks
of severe suffering with jaundice.

Mr. Burgess has resided in Ham-
monton many years, and was well
known all through this section of
the state. For a long time he was
Overseer of Highways, and we
never had a better one. Later, he
was the efficient Supervisor of all
improved County roads. He was
said to be the best judge of gravel
lands in the state. For two or
three years he has failed visibly in
health, to the regret of all.

One of the great-hearted men,
he won hosts of friends everywhere,
and will be sadly missed.

Funeral services were held in
the Presbyterian Church on Tues-
day afternoon, conducted by Rev.
W. S. Marple and Rev. W. L.
Shaw. Burial in the beautiful
Greenmount Cemetery.

A widow and three daughters
survive him.

Un-Claimed Letters.

The following letters remained

Mr. J. H. Rogers	Miss Jo Hare
Mr. Arthur Crane	George Olson
Mrs. Ida Olson (2)	Miss Hicketta
W. H. Tompkins	Geo. B. Taylor

Persons calling for any of the
above will please state that it was
advertised. THOS. C. ELVINS,
Postmaster.

Mr. Frank Zero and Miss Jennie
Mondello were married on Saturday
last, July 27th, by Rev. Wallace
S. Marple, assisted by Rev. Tom-
maso Scapitti,—at the Presbyte-
rian parsonage.

Your property depreciates in value unless protected by a quality
paint. Such a paint has a hard, smooth surface, keeping out the
moisture and is a perfect armor against Nature's assaults. It is
elastic—expanding and contracting with heat and cold, thus avoiding
cracking, peeling and scaling.

A good paint has beauty of color. It does not fade quickly.
It proves the poet's saying, "A thing of beauty is a joy forever."

Lucas TINTED GLOSS PAINT

ONCE USED—ALWAYS PREFERRED

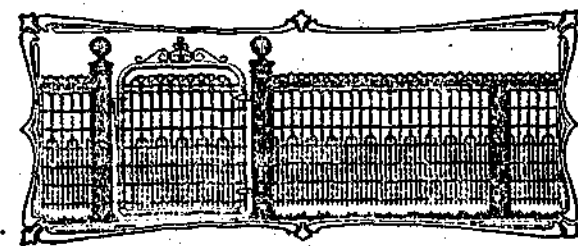

is an exponent of the "good paint" doctrine. Every known science
plus 62 years manufacturing skill, gives you a paint that is absolutely
right as a protector and a beautifier. The Lucas reputation for
quality is back of every can.
