Four-year-old Mary Camminota was instantly killed on Friday morning, by being struck by a seven-passenger touring car, occupied by Michael Bosat and family, bound for their home at Scranton, Pa. Officer Adams and Dr. Cunningham were soon on the spot, and Coroner Franks summoned. As it appeared to be purely an accident, the children having a habit of playing on the street, the parties were allowed to go home, to be called back if necessary. Mr. Bosat, wife, and daughter, were very much affected by the sad affair.

Last week Thursday, Mayor C. G. Justice, of Pitman, Borough Clerk J. R. Treat, Councilmen G. W. Doughty, J. E. Peterson and Wm. H. Poncelear, with the Sewerage Committee from the Board of Trade, Messrs. John Hobday, S. P. Clark, Dr. M. F. Lammis, Rev. E. R. Hewitt, Rev. Fred K. Blaser and Dr. L. N. Slaughter, visited Hammonton to look over the new sewerage disposal plant. Pitman is contemplating building a sewerage plant in the near future, and as the State Board of Health has so highly commended Hammonton's plant, it was thought well to look it over; and the officials feel well repaid for their visit. J. R. T.

Attorney William B. Phillips is being congratulated on his escape from serious injury when thrown from a Reading train, on Thursday afternoon. His face was severely lacerated.

Mrs. Rhode lived in the same house for twenty-one years, enjoyed good health until Wednesday, when a doctor was called. Services were held on Tuesday; burial at Folsom.

Mrs. Margaret Sears died Saturday, Aug. 8th, at the home of Miss Ella I. Horton. She was widow of Dr. E. J. Sears, veterinary. They were early settlers, kept a hotel on the ground where Red Men's and Odd Fellows Halls stand. Funeral on Sunday afternoon; burial in Greenmount; Rev. Mr. Cusworth officiating. One son, three grandchildren, and several other relatives survive her.

The Union Picnic.

Though disappointed in the number who took in Tuesday's union picnic excursion to Clementon, the two hundred and seventy-five report having had a splendid time.

There were four Sunday Schools in the crowd,—Methodist, Baptist, Presbyterian, and Episcopal—the Universalists having declined to join,—and many outsiders.

The day was fine, excepting about ten minutes of rain—which always happens at Sunday School picnics. Free transportation was provided the children, also merry-go-round tickets, boats, swings, ice cream, candy, and peanuts.

A ball game, conspicuous for its fine plays and absence of errors, was played in the presence of a large number of enthusiastic fans. The score:

By Innings	1	2	3	4	Total
O'Learys	0	0	0	0	0
G. P. Linn, Capt.	5	0	3	0	8
Milligans	1	2	7	1	11
Len, Rogers, Capt.	1	2	7	1	11

(Strawer broke up the game)

People had taken lots of cats, and were seen making several attacks on their dinner baskets.

There were many amusements, trips about the country, to Phila., and swimming and boating.

About six o'clock, rain began falling; and over a hundred took advantage of the picnic cars on the siding, and sought shelter. Reaching Hammonton about eight o'clock in a down-pour, they filled the station to overflowing; and there friends found them, bringing umbrellas, rubbers, coats, carriages and automobiles.

Everybody was good natured, and happy, and thanked the committee for making the occasion so enjoyable.

Not Looked for Very Hard. The reason a lot of people can't find Opportunity is because old Op usually goes around disguised as Hard Work.—Chinaman's Enquirer.

GEORGE ELVINS,

Town Council Meeting.

All members were present at Council meeting, Wednesday eve. Clerk read minutes of regular and two special meetings. Highway Committee endorsed the scraping of streets, stating that to be most that they needed. Also recommended the purchase of a small two-horse scraper for cleaning gutters. Action on this proposition was deferred. Committee stated that Myrtle Street was in need of gravel for a quarter mile.

Bills ordered paid were:

Town Purposes	Total	\$256 72
Highways	Total	\$437 26
Grades	Total	\$18 00
Fire Dept.	Total	\$18 00
Poor Fund	Total	\$94 50
Street Lights	Total	\$416 14
Board of Health	Total	\$50 00
Sewerage Interest	Total	\$1289 52
Park	Total	\$99 05
Sewerage	Total	\$3075 00

Chief of police reported three arrests under bicycle ordinance, one cruelty to animals, six lodgers, five disorderly, and two suspicious characters.

Collector's receipts for the month were \$839.55, for taxes.

Clerk reported having received for licenses, etc., \$68.50.

A petition, endorsed by the Board of Trade, was received, asking for safety gates at the Reading's Thirtieth Street crossing, where several had been killed. The Star Republican Club backed up the petition; and Council voted to refer the matter to the railroad, and ask what they will do in the matter.

Voted, that Cantrell Co. be notified of the damage suit, threatened by a motor cyclist for his machine.

Antonio Pinto applied for a renewal of his pool-room license, in the O'Donnell building.

By vote, same was granted.

The special committee, — the Highway — appointed Saturday evening to figure up the amounts of the sidewalk bids, reported same. They were from ten thousand to fourteen thousand dollars.

Accompanying this report was a recommendation that the contract be awarded to H. K. Spear. After roll-call, the motion was declared carried, four to three.

The successful bidder was, by vote, requested to name his bondsman before the 19th.

The changes made necessary to the Town map is in the hands of a committee, who will advertise for bids.

R. L. Rubertone asked permission to have light and fire plug removed from his property front, in the line of Orchard St. extension. Referred to committee, with power to act, — the cost of changes to be borne by Mr. Rubertone.

Adjourned at eleven o'clock, to meet next Wednesday, Aug. 19th.

The Country Town Weekly.

Concerning the small town weekly newspaper, a well-known metropolitan publication recently said:

"No daily newspaper, however well edited, can take the place of the small town weekly, if the publisher knows his business. The latter has a hold on the hearts and lives of the people that can not be loosened by any outside newspaper, daily or otherwise. It's the personal friend of every man, woman and child in the community. It furnishes the first reading lessons for the toddler who has just learned the alphabet. In its columns are recorded the child progress through school, his departure for college and the record he made while there, his marriage and his business career in the distant city. It tells of the tragedies and comedies in the lives of those who are neighbors and acquaintances. It gives the gossip of the hour and the news of the day, and discusses subjects that are of interest to all who can scan its pages. Its editor is a sort of father confessor to everybody."

The home town newspaper is an essential to a town as the retail merchant. The extent of the prosperity of the town depends upon how well the merchant and editor pull together. Once in a while the remark is heard that the life of the small town weekly or the life of the small town merchant is threatened by interests now centralizing in the large cities, but this is not true. The community is safe, the local merchant is safe, and the editor is safe so long as we are alive and alert to our neighborhood interests and do the things that should be done to promote community welfare.
