NO. 33

SALE OF LAND FOR UNPAID

Taxes of 1910!

COLLECTOR'S OFFICE, Aug. 19th, 1911.
Notice is hereby given that L. A. Davis, Collector of the taxing district of Hammonton, County of Atlantic, New Jersey, pursuant to the authority of the statutes in such case made and provided, will on

Thursday, the twenty-first day of September, A. D., nineteen hundred and eleven, at two o'clock in the afternoon of that day, in the Town Hall, in said taxing district, expose for sale and sell the several tracts and parcels of land hereinafter specified, or any part or parts of said land sufficient for the purpose, on which the taxes for the year 1910 remain unpaid and in arrears, to such person or persons as will purchase the same for the shortest term, and pay the tax lien thereon, including interest and costs of sale, or in fee where no one will bid for a shorter term. This sale is made under the provisions of an act of the legislature entitled "An act for the assessment and collection of taxes," approved April 8th, 1907, and the acts amendatory thereof and supplemental thereto, and the names of the persons against whom the said taxes have been assessed, and the amount of the same are as follows:

To Whom It May Concern.
Notice is hereby given that on the 21st day of July, 1911, an ordinance was introduced into the Town Council of the Town of Hammonton, providing for the improvement, with sidewalks and curbs, of the following streets: Both sides of Pleasant Street from Egg Harbor Road to Third Street; both sides of Orchard Street from Egg Harbor Road to Third Street; both sides of Second Street from Pleasant Street to Bellevue Avenue; both sides of Third Street from Pleasant Street to Central Avenue; and both sides of Central Avenue from Bellevue Avenue to Walmer Street, excepting the north-east side of Central Avenue from Third Street to Vine Street, and the south-west side of Third Street from Vine Street to Central Avenue.
The improvements provided for in the aforesaid ordinance are as follows:—Sidewalks and curbing shall be constructed of Portland Cement concrete; sidewalks shall consist of a cement walk four feet in width, the middle line thereof being equidistant from the building line and the inner line of the curbing; said sidewalks shall be laid to a grade of one-quarter (1/4) of an inch for each foot in width from the curb; so much of said sidewalks as is not required to be paved with cement as above specified shall be filled in with gravel to the same grade above required; provided, however, that where the space between the curb line and the building line shall be so narrow as to render impossible the laying of a four foot wide cement walk, the Council may provide for the laying of a cement walk of less width; and provided, further, that where Council shall deem it advisable, Council may order a cement walk to be laid from the building line to the curb line, and provided further, that when Council shall deem it advisable, Council may order the cement walk to be laid or constructed nearer to the property line than to the curb line.
The aforesaid ordinance will come up for final hearing and disposal at a meeting of the Town Council to be held on the

22nd day of August, 1911,
at eight o'clock P. M., in the Town Hall at Hammonton, New Jersey. At this meeting an opportunity will be given to all owners of property abutting on the streets aforesaid to make objections to all or any of the provisions of the aforesaid ordinance and the improvements provided for therein.
On the completion of the aforesaid improvements, a commission will be appointed by Council to assess upon the Town of Hammonton and upon all owners of property abutting on the aforesaid streets, such portions of the costs and expenses of the aforesaid improvements as by law should be paid respectively by the Town of Hammonton and by the said owners of property abutting upon the streets aforesaid.
W. H. HENLEY,
Clerk of the Town of Hammonton.
Dated Hammonton, N. J.,
July 28, 1911.

Town Council Meeting.

Adjourned session held on Friday evening, Aug. 11th. Five present.
Bids for building sidewalks and curbs were opened and read by the Clerk, from twelve bidders,—from Hammonton, Jersey City, Audubon, Philadelphia, Atlantic City, Medford, Bordentown, and Newark.
H. K. Spear was the only Hammonton bidder,—offering to do the entire work for \$10,950; for sidewalks, 12 cents per square foot; curbing, 25 cents per lineal foot.

Voted to hold an adjourned meeting on Monday evening, 14th inst., when the bids would be considered. Messrs. White, Turner, and Sharpe were appointed a committee to tabulate all the figures.

Mr. White introduced an ordinance to extend the sidewalks and curb improvements, which passed first reading. This amendment includes Third Street from Pratt to Pleasant Street, and Central Ave. from Walmer Street to Broadway.

Monday evening, adjourned meeting. Six present.

The committee on bids for walks and curbs reported, stating that the figures ran from Mr. Spear's, at \$11,000, to \$16,650; recommended that contract be awarded to H. Kirk Spear.

Mr. White moved that the contract be awarded to Mr. Spear. Roll called, and vote stood: yeas, Nicolai, Rogers, Turner, White, Wood,—5; nays, Sharpe,—1.

Mr. Nicolai named Chas. E. Small as inspector, to oversee the work on contract just awarded,—to be paid \$2.50 per day for all time actually employed. So voted.

A committee of three appointed to confer with engineer and contractor, having power to settle any questions arising,—Messrs. Nicolai, White, Turner.

J. King stated that he had rented Union Hall to Atlantic City men, to be used for entertainments,—moving pictures, vaudeville, etc. Asked that permission be given to erect an arch over the street, to sustain electric lights for advertising purposes. Referred to Highway Committee with power to act.

Clerk instructed to write to Clerk of County Freeholders in regard to grades on County roads; also to ask permission to grade and pave sidewalks thereon.

Clerk instructed to have contract drawn with H. K. Spear.

John A. Saxton presented bill for one dollar,—paid for repairing harness, caused by defective drain at Fourth Street. Received and filed.

It was then eleven o'clock, and your reporter, weary, adjourned; but nothing of special interest was done later.

Council held a special meeting on Thursday evening, to complete the ordinance, and discuss matters pertaining to paving.

The storm on Friday night last will be long remembered. The electrical display was remarkable for the frequency and brightness of flashes, and almost continuous roar of thunder. One bolt struck a 12 x 72 foot, iron-roofed poultry house on Chas. K. Nelson's place, Central Avenue, and the flames entirely destroyed the structure. Many telephones had been put out of commission, hence the alarm was sounded so late that firemen reached the scene only in time to prevent a spread of the fire to other buildings. Eleven hundred feet of hose were required to reach the nearest hydrant. The same bolt caused the death of a mule in Wm. R. Wescoat's barn, near by. Another struck Julius Reimann's house, on Twelfth Street, entered every room, tore off plastering and broke dishes, but injured no one. Still another girdled a barn out on Broadway, and paralyzed a horse. It is reported that a tree was struck on W. H. Robinson's place, Central Avenue.

Last week, several autoists ran
 onto broken glass bottles, near
 Third and Walnut Streets, which
 had evidently been placed there by
 some malicious person. Elmer
 Priestley, with two or three friends,
 and a narrow escape, at least one
 of the party being quite badly in-
 jured by contact with a tree, and
 the machine received a ruined tire,
 bent axle, broken spring, etc. If
 the perpetrator should be discovered
 this section of the country will be-
 come uncomfortably warm for him.
 We hope they will catch him.

Bathing at the Dam is becoming
 more popular as the season advan-
 ces. We haven't seen much diving,
 but the number of good swimmers
 is increasing in a gratifying way.
 Among the regulars, the Misses
 Nicolai are the envy of the fair sex,
 —both are expert swimmers and
 each has a rescue to her credit; the
 Misses Gentel are acquiring a good
 stroke, and Mrs. H. O. Packard
 swims very easily for a beginner.
 Her son, who with his mother was
 with difficulty rescued last summer,
 is developing into a good
 swimmer. Probably the
 little chap in the water is Rob-
 ert Gray. He bids fair in time to
 beat his father's strong and telling
 stroke. Henry Nicolai is a strong
 and easy swimmer. But probably
 the easiest and most enduring stroke
 of all.

MR. EDITOR: Election is near-
ing, and there are several members
of Council to be elected. Shall we
allow any of the outgoing men to
succeed themselves? Are you
satisfied with the way they have
expended the public money? I
am not. Are you satisfied with
the style of the paving ordinance
lately passed? I am not. Are
you satisfied with their arrange-
ment with a surveyor to make
exorbitant charges for giving us
curbing lines? I am not. Should
not a local surveyor have had that
work to do, at half the price we
are now required to pay? I think
so. Should not our taxes be less
than they are, since the State and
County have taken off our hands
about twenty miles of our principal
roads? I think so. We will learn
in a few days that our taxes are
tremendous! Where did the money
go? Is it possible that high-
handed grafting has come to town?
Our Council says they will require
more money next year. Will you
grant their request? I say nay;
don't do it, unless you wish to still
further increase your taxes. I
believe in all kinds of public im-
provements, be they roads, side-
walks, or buildings; but I want
an equivalent for my money. I
abhor extortion in any form. I
might refer to the large amount
of money spent in the backwoods,
as well as some other matters; but
enough for now. **TAX PAYER.**

TO THE PUBLIC: Having been
awarded the contract for cement
walks and curbs, by the Town, in
reply to questions raised, I will
state that the work will be done in
rotation unless otherwise ordered,
and continue both sides of streets
at once. When the Town does the
work, I understand they will make
no collections until the contract is
finished.

I am under a five year bond to
keep work in condition. All work
I do will be done in accordance
with the Town specifications, using
crushed stone or large pebbles for
concrete aggregate. I will mix
concrete by machinery, and use
steel forms for the work, ensuring
regular work and true alignment.

Any one outside of my contract
lines who want work done can have
it at same rates.
H. KIRK SPEAR.
[Sixty days after paving and
curbing is completed, Town will
call for the payment of ten per ct.
of the cost; the balance to be paid
in equal annual installments, run-
ning nine years, with seven per
cent interest. Or, if any so desire,
they may pay the whole bill at
once, or the balance at any time,
and save interest.—EDITOR.]

Athletic Association.

Last Friday, our home team
journeyed to Vineland to join in
their celebration of "Old Home
Week." The games resulted in
a victory for each team,—Vineland
winning the morning game, 8 to 7,
by a wonderful rally in the ninth,
scoring 3 runs. The condition of
the grounds caused some queer
plays and errors. In the afternoon
our boys started out determined to
win, and they did,—7 to 4.

There was considerable dissatis-
faction, on both sides, about umpir-
ing; but true sportsmanship pre-
vented any trouble.

Saturday, the traveling team, in
their second appearance here this
season, defeated the Atcos, 9 to 8.
Each team was ahead a number of
times, and the game was not decid-
ed until the last inning. There
were a number of errors for both
sides, some of them costly.

A noticeable feature was the
base-running of the Travellers.
They took advantage of every
opportunity, and generally with
success. Siscone pitched a good
game, and fanned the Atcos quite
frequently. Rubba, catcher, by
throwing to Werner or Murphy, on
second, put a stop to base-stealing
for Atco.

The game, as a whole, was a
surprise to those who considered
the Travellers a second team, and
therefore vastly inferior to the
home team.

Our home team played in Pleas-
antville, and lost,—10 to 3. Evi-
dently, three games in two days
are too many.

To-day we meet Vineland again.
Each team has won two games.

First game with Egg Harbor on
September 2nd, instead of 9th.
