Children are Important Customers

In our estimation. When they are sent to us on a trading errand we always remember that they are not discriminating buyers, and take special pains to see that they get what both you and they want. Then we always try to be prompt in waiting on them—there is always a little worry at home when they are sent on an errand and stay too long, often through no fault of their own.

W. J. LEIB, Druggist,
Hammonton.

Two Killed on the Reading.

Simoni Notto lived on his farm, away out toward Atsion, with his (second) wife and several small children. On Thursday afternoon, Simon and wife drove over to Thirteenth Street to visit his brother, Rosario, whose child was very sick. On their way homeward, about half-past five, when crossing the Atlantic City Railroad at Thirteenth Street, a Reading sixty-minute flyer, six minutes late, and running nearly eighty miles per hour, struck his horse, the blow forcing the wagon around against the locomotive. Mrs. Notto was literally cut to pieces—losing both hands, both legs cut, and her body badly mangled. No doubt her death was instantaneous. Mr. Notto had both legs broken, his head and breast badly hurt. He was taken to Cooper Hospital, Camden, where he died early yesterday morning. The horse was cut up, the carcass being carried on the pilot nearly to Eleventh Street, its hoofs striking and breaking fence pickets at the station. A wallet, containing a large sum of money, was found some distance from the bodies.

The responsibility will be fixed by Coroner Gaskell, who visited the scene that evening, and will hold the inquest Wednesday afternoon at one o'clock, in Town Hall. A jury was empanelled yesterday, composed of Jos. H. Garton, Chm., J. L. O'Donnell, W. E. Keyser, J. W. Myers, M. Cappuccia, and Chas. Roberts, who viewed the remains.

One thing is certain, there must be some protection at Thirteenth Street crossing. Two deaths and many narrow escapes prove the necessity of gates there. The Pennsy have a flagman at their crossing. Note that the train was going at such speed that it was nearly a mile from the scene of the accident before it could be stopped.

Tennis Tournament.

Considerable interest has been manifested, within the last few days, in the tennis tournament, and the doubles which have been played principally at the Spear and Waiter courts. We give below the results of the doubles, which were played Thursday afternoon. On account of lack of time, each of the later contests was decided by single set.

C. Moore and Miss M. Smith won from J. E. Hoyt and Miss G. Thomas, 4-6; 6-1; 6-2.

E. Thayer and Miss M. Post defeated E. Coggey and Miss Grant, 6-0; 6-2. Wm. Doerfel and Miss A. Post won from L. Tilton and Miss Kent, 6-4.

In the second round, E. Thayer and Miss M. Post defeated Wm. Doerfel and Miss A. Post, 6-1.

M. Waas and Miss Feletoin defeated C. Moore and Miss M. Smith, 3-6.

Final was played by E. Thayer and Miss M. Post, and C. Moore and Miss M. Smith.

Winners will play Mr. and Mrs. Bert King to-day, at 3.30.

M. Waas and Miss Kent have issued a challenge to the winners.

The credit for arranging the matches and arousing interest in the contests is largely due to Edwin Thayer.

Hammontonians and their visitors certainly enjoyed the band's open air concert last Tuesday evening. Seats were placed along the sidewalk on the opposite side of Bellevue, which were filled all the evening. Then there were hundreds of others—young and old—who occupied door-steps, or promounded up and down during the hour and a half of entertainment. We heard many complimentary remarks concerning the young men's music. The fact is, the members are among our best people, and take great pride in doing well.

An automobile passed through town Tuesday night, going at a very high rate of speed. On the County Road, and on Upper Bellevue, it is said that it exceeded sixty miles an hour. There will be a Coroner's inquest, one of these days.

James H. Barron, President Manchester Cotton Mills, Rock Hill, S.C., writes: "In 1899 I painted my residence with L. & M. It looks better than a great many houses painted three years ago. Don't pay \$1.50 a gallon for linseed oil, which you do in ready-for-use paint. Buy oil fresh from the barrel at 60 cts. per gallon, and mix it with Longman & Martinez L. & M. Paint. It makes paint cost about \$1.20 per gallon. Wears and covers like gold. Every Church given a liberal quantity when bought from H. McD. Little."

A colored employe at Giberson's stables was brought before Justice P. H. Jacobs, Tuesday evening, charged with assaulting a fellow employe. He was required to give bail in the sum of fifty dollars to keep the peace, or leave the place. He chose to tramp.

Warm and dry will give a fair idea of the weather this week, until Thursday afternoon, when we were favored with several little showers, but not enough to benefit anything. Friday morning brought us a regular down-pour—welcomed by farmers.

They say that the cranberry crop is three-quarters short this year, in this vicinity; but next week Monday John Rizzotte will send one hundred and twenty-five pickers to the Bozarth and Gloucester meadows; and about Sept. 1st John will go with about as many more to the Atlantic bogs, down near Weymouth. This is Mr. Rizzotte's twelfth year in the management of the picker business, and his people fall over each other in trying for employment by him.

Sour Stomach

No appetite, loss of strength, nervousness, headache, constipation, bad breath, general debility, sour risings, and catarrh of the stomach are all due to indigestion. Kodol cures indigestion. This new discovery represents the natural juices of digestion as they exist in a healthy stomach, combined with the greatest known tonic and reconstructive properties. Kodol Dyspepsia Cure does not only cure indigestion and dyspepsia, but this famous remedy cures all stomach troubles by cleansing, purifying, sweetening and strengthening the mucous membranes lining the stomach.

Mr. S. S. Ball, of Raritanwood, W. Va., says: "I was troubled with sour stomach for twenty years. Kodol cured me and we are now using it in milk for baby."
