The forty-fifth star has already been ordered placed on the United States official flag.

The only safe and sure plan to kill the speak-easies is to use money. Let twenty citizens agree to pay \$5 each (they need not deposit any money but simply pledge the amount) to raise \$100. Offer this as a reward for conviction, and pay it promptly to the party giving the information. There are many who visit speak-easies that will want the \$100. A young man who is going away may wish to take it with him. Again, the speak-easies give credit. They will then not dare refuse credit, for fear of offending the customer and will lose profit. The \$100 will be a temptation to inform on them. Let the offer be made, and pay the money over promptly. It will serve the purpose, and when it is paid let another \$100 be offered. Use the sneaks of war on them. The \$100 can be easily raised by the W. C. T. U. by solicitation. Here is a chance for them to do some practical work.

### ANTI-SPEAK-EASY.

Dry weather is seriously damaging crops of all kinds. Late peaches, which promised so well, are shrivelling on the trees; corn is turning yellow long before the ears are matured; late potatoes will be a failure unless rain in abundance comes soon. We are not the only sufferers, for the whole southern part of the State is in the same condition, and complaints of drouth come from Delaware and Maryland.

The left side of the strip is heavily discolored with dark, irregular stains and marks, possibly from water damage or mold. The right side of the strip is mostly black, suggesting it is either a shadow or the edge of the page. No legible text or specific data entries are visible due to the damage and the narrow, vertical crop.

### Delegate Representation in the Republican Gubernatorial Convention.

HEADQUARTERS ATLANTIC COUNTY  
REPUBLICAN CONVENTION  
The Republican voters of the several towns, townships, wards, and boroughs of the County of Atlantic are requested to select delegates to a State Convention to be held in Taylor Opera House, in Trenton, at 12 o'clock m., on Thursday, Sept. 19, 1895, for the purpose of nominating a candidate for Governor to be supported at the ensuing election.

Under the call for said Convention, Atlantic County is entitled to twenty (20) delegates, of which the several towns, townships, wards, and boroughs will be entitled to the following:

Absecon	1	Galloway	1
Atlantic City	1	Hammonon	1
Atlantic City	1	Lewistown	1
Atlantic City	1	Mallica	1
Buena Vista	1	Pleasantville	1
Brigantine	1	Somers Point	1
Egg Harbor City	1	Weymouth	1
Egg Harbor City	1	Weymouth	1
Total	20		

JOHN T. IRVING, Chairman.  
Attest: E. C. SHANER, Sec'y.  
Dated Aug. 19, 1895.

A move is on foot to have the Hammonon Post Office removed from its present location to the new building now being erected by M. L. Jackson. A petition to that effect has been circulated, and was signed by numerous business men and others. We can see no sufficient reason for the movement. The present location is a good one, and though the new building would be nearer the present "business center," it will not be in a few years, as business is growing, for the growth must be from the railroad. In fact, the latest opened house is beyond the post office, and the next one projected is on the opposite corner. It is so small a thing to sign a petition, that many do it thoughtlessly. In this case, one property owner expressed to us his regret that he had allowed the use of his name; another said: "I have been thinking it over, and am sorry; I will sign a petition to have the post-office retained where it is." It is no great hardship for business men, as it is now; they all visit the Bank and have but about two hundred feet farther to walk. Then, citizens not in the "business center" form a vast majority of post-office patrons, and most of them are better accommodated now than they would be after a removal. Ladies prefer the present location, and would vote almost unanimously against the change.

A counter petition has been circulated this week, and contains many names; but Post Master French informs us that it is too late, for on Thursday he received instructions from the Department to negotiate with Mr. Jackson for the new office, at a rental named, and this has been accepted. If properly understood, the Post Office will be removed about October 1st.

Tuesday night, as Deputy Sheriff Ashley was locking the cell doors in our county jail, at May's Landing, three prisoners who had been concealed behind their cell doors, sprang upon him and beat him about the head with black-jacks, which they had made of tinfoil from tobacco packages, tightly rolled and weighed about a pound each. Though taken by surprise, Mr. Ashley defended himself until his cries brought Sheriff Johnson, with whose aid the prisoners were secured, except the leader, a colored fellow, who sprang through a window and started for the woods. The Deputy followed him, and by a judicious use of his revolver, secured the man and marched him back to his cell. Had the sheriff and Deputy not been both brave and cool, sixteen prisoners would have escaped.

Who is to be County Judge? It would be worth something to be able to answer this question. There are candidates in plenty. Joe E. P. Abbott, of May's Landing, is the favorite among Republicans here; A. Stephan, of Egg Harbor City and Atlantic, has many friends who would willingly assist him to that honorable position; and A. B. Endicott, of Atlantic City, is also a candidate for nomination. Law Judge Joseph Thompson is the Democratic choice.

When moving into our present home I found a bottle of Chamberlain's Pain Balm left by a former tenant. On the label I found a statement that it was good for cuts and burns. I can testify to the truth of this. Nothing in all my experience has been found so equal for treating blisters or burns. F. B. BARNETT, manager, Sentinel, LeSueur, Minn. Pain Balm is also a sure cure for rheumatism. For sale by druggists.

To the winner of the fastest heat in the novice, one gold plated new departure bell, value \$10. The committee have also added to the prize list of the 2:40 class a 4th prize of a pair of \$12 tires, donated by Morgan & Wright, and will use the watch and holder for 5th prize.

In order to appear again at our races, Mr. Benner cancelled another date and the Benner boys will ride an exhibition third of a mile on their little tandem and will also ride a third of a mile handicap race. They were the leading attraction at the Aug. 3rd Meet, and should draw a big crowd this time.

Trick riding by the amateur champion of Philadelphia will be a feature. Those who have seen Mr. Ball say he is first-class, as good as they ever saw.

Every Class A man of any importance for miles around is entered for our Races.—Douglas, the N. Y. Athletic Club crack; Wm. Hammon, the popular Philadelphia; Walter Trot—the plucky rider, who missed his train and rode his wheel down in time to enter and win both handicap races last Meet; Frank Turner, the Wilmington flier; Hensel, Granch, Dickerson, Beverlin and others.

At 9 o'clock Sunday morning a great forest fire originated in the "goose pond," a dense cedar swamp in the rear of Congressman Gardner's farm, near Egg Harbor City. It blazed fiercely through the entire swamp of about 200 acres within two hours, and destroyed many thousand feet of cedar pilings belonging to the Congressman, which were ready for shipment to Atlantic City. At 12 o'clock it raged only one-half mile from Egg Harbor and about 200 feet from Mr. Gardner's extensive farm buildings, destroying everything in its course. It made great headway while passing through the blackberry and strawberry patches, fruit orchards and fields of growing corn. Two alarm bells brought hundreds to the scene, as the houses were blistered by the heat and several times threatened. Tuesday's rain aided in subduing the fire.

FOR SALE.—On Ninth Street, near First Road, 27 acres, 8 acres improved, small house and barn. Some fruit, 200 grape vines. Inquire of J. O. H. ARKINSON.

Persons calling for any of the above letters will please state that it has been advertised.

JOHN T. FRANCH, P. M.

Kenneth Bazemore had the good fortune to receive a small bottle of Chamberlain's Colic, Cholera, and Diarrhoea Remedy when three members of his family were sick with dysentery. This one small bottle cured them all and he had some left which he gave to Geo. W. Baker, a prominent merchant of the place, Lewistown, N. C., and it cured him of the same complaint. When troubled with dysentery, diarrhoea, colic or cholera morbus, give this remedy a trial and you will be more than pleased with the result. The price that naturally follows its introduction and use has made it very popular. 25 and 50 cent bottle for sale by druggists.

As an indication that Republicans mean business in New Jersey this year, it is not necessary to note that in some counties of the State primaries have already been called for the election of delegates to the State and County conventions. In some political divisions it is even possible that County nominations will be made prior to that of Governor. An aggressive fight will be waged, and with the candidates in the field, interest will naturally be stirred up.

The Ohio Democratic State Convention, nominated ex-Governor Campbell for Governor by acclamation, and in spite of his repeated refusals of the honor. The platform re-affirmed the financial declaration of the Democratic National Convention, and a free silver plank was rejected by a vote of 423 to 270.

While glowing reports of busy factories and increasing wages are being industriously circulated, the merchants are keeping a pretty sharp outlook upon the financial condition among the masses, and the consensus of opinion appears to be that the people have little or no more money than they had during the well remembered "hard times" not long ago. The prospect may be somewhat brighter but the condition of the average man's pocketbook remains about the same.

It may Do as Much for You.  
Mr. Fred Miller, Irving, Ill., writes that he had a severe kidney trouble for many years, with severe pains in his back, and also that bladder was affected. He tried many so-called kidney-cures, but without any good result. About a year ago he began the use of Electric Bitters, and found relief at once. Electric Bitters is especially adapted to cure of all kidney and liver troubles, and often gives almost instant relief. One trial will prove our statement. Price only 50 cents for large bottle, at Croft's pharmacy.

Two games of base ball on Monday with the esteemed Road-Poulkro nine. First game at 9:30 a. m., the second at one o'clock.

The Bank will be closed on Monday all day. The post-office will be open only from 7:00 to 10:00 a. m., and from 6:15 to 6:45 p. m.

The latest news from Charles and Harry Jacobs left them at Minneapolis, Minn. They spent a week at Wayne, Ill., their former home.

There was a game of base-ball in the field opposite D. Campanelli's, last Sunday, and there has been at least one every pleasant Sunday for several months.

A quiet little rain gave us a bit of relief, Tuesday. A better one came on Thursday afternoon and evening; and clouds look promising as we go to press. Encore!

A number of creditors to whom he owed small amounts regret the sudden disappearance of Louis Seaman, who came to May's Landing a year ago and opened a restaurant.

Universalist Church to-morrow morning: "The Communion of the Lord's Supper," with sermon on "The Influence of Christ." Evening sermon: "The Worth of the Bible."

St. Mark's Parish Guild had a very pleasant picnic on Thursday, at Batsto and Pleasant Mills. The rain got here before they did, but fortunately they were well prepared.

W. O. T. U. annual meeting, for election of officers, will be held at the residence of Mrs. C. E. Roberts, Tuesday afternoon next, 8 o'clock. Superintendents will bring annual reports.

It is rumored that Mr. Taylor, the fancy baker and confectioner of Atlantic City, will erect a fine business block this fall at the north-west corner of Bellevue Avenue and Third Street.

DR. GEO. A. FOWLER, formerly of Hammonon, having spent twelve years in New York and the West, making a special study of painless dentistry and teeth without plates, and having made many new discoveries in these lines, has, by special request, on MONDAYS and THURSDAYS, beginning Aug. 22 and ending Thursday, Sept. 12, at Joe Evans' Bellevue Ave. opposite Bassett's Nursery, Philadelphia office, 1812 Filbert St.

Mr. J. N. Jones and family will leave Portland, Maine, on Tuesday next, expecting to reach Hammonon on Thursday. They find that for health there is no better place than South Jersey.

Mr. and Mrs. Alex. Aitken expect to start next Saturday for Louisville, Ky., to attend the National Encampment of the G. A. R. They will make quite an extended tour of the South before their return.

The statue for the Grand Army Post's grand monument arrived yesterday morning. The parts are all here now, and will be in position in a few days. Due notice will be given of the date of dedication.

Don't drop burning matches on the street or elsewhere. Dr. Bowles' hedge was set on fire by an Italian, who dropped a match after lighting a cigar. Only prompt and energetic work prevented a serious fire.

G. W. Pressey will open a new street through his property, from Egg Harbor Road to Chas. Crowell's line; thence east to Maple Street, and west to Cherry. Many good building lots will thus be placed in the market.

"The Sleeping Beauty" Friday and Saturday evenings of next week. Those who have read that fascinating tale will desire to see its representation in living pictures,—in gorgeous costumes, with music and fancy dances.

Mr. and Mrs. E. H. Twomey, of Philadelphia, have returned home after a very pleasant ten days' visit with their parents, Mr. and Mrs. S. T. Twomey, and their sisters, Mrs. Fred Mealey, Jr., and Mrs. Chas. F. Money.

Residents in the upper part of town say that if there is to be a change in the Hammonon Post Office, they propose to share the benefit, and have started a move for a new office, to be located about Basin Road. They know that the Elm office is likely to be closed, and much of that mail will come their way. This will divert much matter now received at the Hammonon office, and probably reduce it to a third-class office, with a third-class salary. Those in charge of the new move are hustlers, know what they are doing, and mean business.

The usual services will be held in the Presbyterian church tomorrow morning and evening. While the foundation walls are partially removed, the building will be securely blocked and in shape to be used. Friends will please extend this notice.

In the Holbrook ten mile road race last Wednesday, A. K. Bernhouse, from the 14 minute mark, won fifteenth prize. His time was 25:04, which was the fourth fastest time made by the 74 contestants. Except for two mishaps Bernhouse would have had second time.

At the M. E. Church to-morrow. At 10:30 A. M., sacraments of Baptism and the Lord's Supper. Evening, 7:30, preaching by Pastor Wagg. At 8:30 P. M., the children's meeting will be held in Tilton's grove, weather permitting; and at 6:30 the Epworth League will begin a series of meetings in the same grove, to be continued during the evenings of the week.

The Christian Endeavor "Echo Meeting," held on Wednesday evening, was a very enjoyable affair. The program opened with a song service led by H. C. Lincoln, of Philadelphia, assisted by the large union choir. Rev. H. B. Rundall took the chair, and after Scripture reading and prayer by Pastor Killian, Miss Mamie Wood read an interesting report of the Look Out Committee Conference which she attended at the Boston Convention. Mr. Dairymple of Philadelphia, spoke of the evangelistic features of the Convention. The speaker of the evening, Rev. J. Howard Breed, of Philadelphia, then entertained the audience for nearly an hour with his "Echoes from the Convention." This was followed by a consecration meeting, led by Rev. A. Jagers, of Newtonville.
