Vol. 55

HAMMONTON, N. J., SATURDAY, SEPTEMBER 1, 1917

No. 35

J. C. Rizzotte is hustling peaches in a fine new truck.

Thos. C. Elvins is a recent purchaser of a fine truck.

The Civic Club meets Tuesday next, at three o'clock.

The Board of Education meets next Wednesday evening.

Druggist S. T. Godfrey's petition is in for Chosen Freeholder.

Plans for the annual Halloween celebration will soon be out.

Mrs. E. F. Fernald, of Camden, is visiting at W. E. Perry's.

Independent Fire Company will meet on Wednesday evening.

J. H. Price could well take a prize for handsome egg plants.

Frank Werrier and family moved to West Collingswood this week.

The "sewer rent sale" was again postponed—to Saturday, Sept. 8.

Misses Mabel and Annie Delker have been visiting in Collingswood.

John H. Russell, of Plautsville, Conn., is visiting his brother, D. W. C. Russell.

Alton Vaughn is carrying his right arm in a sling,—broken while cranking his car.

Miss Margaret Gilchrist, of Philadelphia, is visiting her friend Mrs. D. W. C. Russell.

Miss Emma V. Strouse, from Clayton, is visiting her father, Justice Geo. E. Strouse.

Mrs. D. Cottrell and family have moved into the Robinson house, on Egg Harbor Road, near Maple.

L. A. Hoyt, of West Philada., was a very welcome guest at his father's, for a couple of days this week.

Should any have Red Cross benefit tickets yet unsold, they are asked to return them to Miss Lola Cunningham by Monday evening.

A dozen or more new books have been added to Civic Club Library. Among them (and one of the most asked for) is "Obstacles to Peace," the best war book out.

Additions to the list of contributors to the Home Guard uniform fund: E. A. Cordery, \$5; A. Pier & Son, \$5; Prof. N. C. Holdridge, \$5.

A Memorable Occasion

Winslow Lodge, No. 40, I. O. O. F., held one of the pleasantest reunions in its history, on Wednesday evening. There were nearly a hundred present, including delegations from Green Bank, May's Landing, Egg Harbor, and other points, as far as Ohio.

Among the Grand Lodge officers were:—Chas. A. Mac Crossan, Gr. Master, Palmyra; J. B. Stratton, D. G. M., Mount Royal; Harry S. Pine, Grand Secretary, Trenton; Geo. H. Dalrymple, Gr. Marshal, Passaic; Burton L. Boye, Grand Conductor, Summit; Benjamin M. Brace, Grand Herald, Camden; Dr. Wm. H. Izard, Past Grand Master; B. A. Gaskill, Dist. Deputy, May's Landing.

The occasion was a double one,—a district meeting, and the anniversary of the oldest living member, Mr. William Bernshouse, who has held continuous membership in this lodge for sixty years,—the lodge being but eleven years old when he joined. The brother was honored by several speakers, and presented with a handsome gold and enamel jewel, appropriately engraved, in commemoration of the unusual event. Responding, in his usual interesting way, he gave a short sketch of the early history of the lodge; also of his first impressions of Hammonton, back in '48. Mrs. Bernshouse was also honored—a handsome bouquet being presented to her.

After business and a short social time, all retired to another room, where the ladies had prepared a banquet such as but few have had the pleasure of sitting down to in Hammonton. Of course, justice was done to all the good things, and the diners proved themselves no exception to the rule, although they were "odd fellows."

The local lodge is taking in many new members, and is probably the most promising lodge in the district.

HOME GUARD DAY

Next Monday, Labor Day, will be one of the liveliest of the year,—a military day, with athletics, etc., to make a variety.

Companies will arrive from surrounding towns, probably fifty each from Merchantville, Haddon Heights, Millville, and some other localities.

Congressman Bacharach and his predecessor, Hon. J. H. Baker, will attend, and speak on the latest war issues. County candidates Daniel H. V. Bell and Albert C. Abbott are also expected.

The gas office will be headquarters for officers, while their wives and daughters will be made to feel themselves at home in Civic Club Hall.

At nine o'clock in the morning, there will be shooting matches in the Park, followed by track events of various kinds,—running, jumping, dashes, bicycle races, and perhaps potato and three-legged races, etc.

Prizes will be awarded to winners in the various races. Entries must be into Secretary Delker by this evening.

At 12.45 sharp, the local Guards will assemble in the rear of the school house, newly uniformed and with guns, and march to parade grounds, where the procession will form and start out at one o'clock, sharp. Hammonton Band will be at the head, followed by various organizations, including the local fire companies. The route will be as follows: from parade ground to School Lane, to Bellevue, to Third Street, to Orchard, to West End Avenue, around Reading Station, to Bellevue, to School Lane, there counter-march down Bellevue to Egg Harbor Road, to Hammonton Park. Here there will be flag-raising, music, competitive drills, speeches, and an exhibition drill by the local Guards. Tents will be erected for visiting companies, presenting a military aspect.

Conscripts are invited to join with the Guards. They, and all Guards who can, are asked to attend drill this afternoon, at four. Autos will be parked at one side and an officer placed in charge. Basket-ball will be played in the hall, early in the evening. One of the prettiest sights will be the canoe pageant, illuminated, on the Lake. The Hammonton Canoe Club will have charge, and invite all owners of canoes to join them. They will meet for practice this afternoon, at four o'clock.

As yet, the programme is not complete, but a good time is promised to the town people and their thousands of expected visitors.

Refreshment and other stands will be open all day, at the Park.

The Canoe Club will treat themselves to a supper, Monday evening, in their commodious headquarters.

Scout Master Cusworth and the boys returned from Camp Holland, and report having a very enjoyable time.

At the County Fair, this week, Prentiss Myrick won a ten dollar prize for the best three baskets of peaches.

The Rt. Rev. Paul J. Matthews, Bishop of New Jersey, took dinner on Sunday last at the Raleigh-in-the-Pines.

Dr. Wallace Harley has received from Uncle Sam a commission as First Lieutenant in the Dental Department.

Pocahontas and friends will leave Red Men's Hall at seven o'clock next Friday morning, for their trip down the bay.

Loan Association meetings next week,—the Workingmen's on Monday evening, and Hammonton on Thursday evening.

The school bell will ring next Tuesday, for one session—eight to one o'clock. Suburban schools open two weeks later.

Frank Scamoffo left samples of elegant peaches at the Republican office, yesterday. The editors know how to dispose of them.

The Pollyanna Club will hold their monthly meeting on Wednesday evening, Sept. 5th. All members requested to be present. T.

BANK BROTHERS' STORE

Hammonton

Announcement!

We wish to announce that we have opened a Flower Shop at our Greenhouse, Third Street and Fairview Avenue, Hammonton, (formerly H. J. Rolfe's.) We carry a full line of Plants, both Decorative and Flowering, all seasonable Cut Flowers, and are ready to furnish Funeral Designs on short notice.

Our past experience in the business assures the public of reliable service and prompt satisfaction. Since most of our stock is raised in large quantities, here and at our other establishment, at Egg Harbor, we can sell at most reasonable prices.

A trial will convince you.

Respectfully,

Bange & Bergen.

Now is the best time to Buy

A HUDSON SUPER-SIX

To-day's Prices are based on Last Year's Material casts. Present
Markets have already forced 51 Makers
to add \$100 to \$700 to their prices.

Former \$1200 and \$1400 cars now cost about as much as a
Hudson Super-Six.

No changes warrant such an increase. They are practically
the same as the cars which recently sold at \$200 to \$300 less than
the Hudson Super-Six.

Cars in the \$200 class and up have increased from \$350 to
\$700. That removes them further from Hudson Super-Six price.

Increased cost of material is responsible for the higher prices.

Hudson prices have not increased this year. Our materials
were contracted for months ago. When our present supplies are
exhausted, then Hudsons, too, must cost more. Until then Hud-
son, because of its value, is the lowest priced car on the market.

Here is an indication of how prices have been affected. Con-
sider just one item.

The principal material in a fine automobile is steel. All steel
is made from iron.

For 25 years before the great war, the average price of iron
was a few cents over \$16 a ton. In December last it was \$30 a
ton. It is now \$54 a ton.

Makers who bought materials this year must get more for their
cars than for those built of materials bought last year.

Good fortune for Hudson buyers

Even when other cars sold at \$200 or \$300 less, Super-Six
sales exceeded those of any two makes in the \$1200 to \$1400 class.
Now that there is no such difference in price, you can realize how
much greater will be the demand for Hudsons. The present sup-
ply won't last long. Then Hudson, too, must cost more.

There can be no preference now that former cheaper cars cost
as much as the Super-Six.

Super-Six endurance makes it the preferred among fine cars.
In every revealing test it has proved endurance unequalled by any
other car.

All Due to the Super-Six Motor

Hudson leadership is due to the Super-Six motor. No other
motor is like it. It minimizes vibration. That increases power
and lengthens motor life. Vibration is the most destructive force
in a motor. All Hudson tests show how by minimizing vibration
endurance is obtained. The Super-Six is the most powerful auto-
mobile motor of its size known.

The Phaeton costs \$1650, f. o. b. Detroit. There are seven other body designs of open and closed models

Hammonton Auto Station

P. T. RANERE, Proprietor.

The Ford car makes its appeal to you in appearance as well as for
service. Large radiator and enclosed fan, streamline hood, crown-
fenders, entire black finish, nickel trimmings, — up-to-date in all
requirements for handsome appearance—and serving the people the
world over, as a money-saving, time-saving, labor-saving utility.
It is surely your necessity. The Ford car is just as useful on the
farm as it is in the city; just as necessary to the business man as
it is to the professional man. More necessary to every man than
ever before. Low purchase price and very economical to operate
and maintain. Why not investigate? Touring Car, \$360; Runa-
bout, \$345; Coupelet, \$505; Town Car, \$595; Sedan, \$645.
f. o. b. Detroit.

Order your car now, to insure prompt delivery.

When you buy a Ford car you also buy Ford service.

We carry a complete line of parts for repairing Ford automobiles,
and can do your work in first-class manner, promptly, and
at a moderate fair price.

BELLEVUE GARAGE, Inc.

E. A. CORDERY, President.

My 1917 Case Demonstrating Car was sold
upon arrival from Syracuse.

James W. Cottrell, Hammonton

No owner has yet discovered the real limits of Super-Six
endurance, and almost 40,000 Super-Sixes are now in daily service.

Endurance is the most wanted quality of a motor car. A car
should not wear out soon. It should not require frequent mechan-
ical attention. That Hudson has proved.

You Need No Greater Proof for Hudson.

A double transcontinental run with a seven-passenger phaeton
broke every previous record each way. Pike's Peak, up the high-
est and longest mountain road in the world, was climbed by a
Super-Six special in less time than any other car. Twenty-two
of the world's fastest special cars contested. A stock chassis
established the record for the fastest mile. A stock Super-Six
phaeton made the fastest time for one hour. Carrying driver and
one passenger, car fully equipped, it traveled 100 miles at an
average of 74.67 miles per hour.

A stock chassis made the greatest 24-hour long-distance run
on record. It covered 1819 miles in that time, and at the top
showed nothing to indicate that its endurance had been reached.

But these tests, greater than any other car made, were not
enough to reveal the limits of Hudson endurance. Then special
racing cars were built that they might compete on the speedway
with the world's fastest, most carefully-built automobiles. The
same principle that accounts for Hudson endurance in the stock
cars is included in these.

The American Speedway record for 200 miles was established
by one of them at an average speed of 104 miles an hour.

That speed for that distance calls for endurance beyond that
which ordinarily is needed in a lifetime's requirements. These are
proofs of Hudson endurance. They indicate the service you may
expect from a Hudson Super-Six. If such tests mean nothing to
you because of their extreme, then think what the service to
almost 40,000 users means. There can be no greater assurance
than that.

There is no advantage now in buying another car, not even
the apparent saving in the first cost price.

But the number of Super-Sixes that can be built from last
year's material purchases is limited. If you are to get your car at
the present price it must be from that number. You must decide
soon.
