D. C. HERBERT,

Dr. and Mrs. Cunningham organized a party of over a score, and spent Monday at the Park and on the Lake. Everything proved enjoyable except the rain which damaged the supper, but did not dampen their enjoyment.

A McKinley and Pobart Campaign Club was organized in Folsom on Saturday evening, amid great enthusiasm. They are to meet every Saturday evening. Capt. Geo. P. Anderson is President, and M. J. Bowen, Sec'y.

The Universalists had a delightful picnic, Wednesday, at Weymouth. Nine of the boys played a game of base ball with an adult team of Weymouth, and made a fair showing considering the disparity of ages,--were defeated 22-10.

Local foot-ball enthusiasts are already preparing for the Fall sport. It is supposed that this year's team will be very nearly the same as last year's. Englehardt, of Egg Harbor, and Fred Sutton, may take the place of Jackson, who will be away from home, and one of the lighter men.

The H. A. A. have decided to postpone their Labor Day bicycle meet, with no future date set. Being a legal holiday, there were numerous "meets" arranged for and not all of them could expect to secure sufficient entries to make them attractive and profitable. Ours will keep for a time.

Mrs. A. H. Sutton has been appointed Deputy Inspector of the W. H. C. of this State, being assigned Corps in Red Bank, Long Branch, Asbury Park, and Atlantic City. The first named Corps is No. 13, composed of thirteen colored women, and is the only Corps in New Jersey which owns the building in which it meets.

A surprise party was given at the residence of Mrs. Geppert, last evening, in honor of Miss Fehrenbach. Among those invited were: Misses Bessie Hay, Grace Thayer, Mary and Helen Winchup, Mary Logan, Mary Laver, Beulah Jones and Carrie Moore; Messrs. Edwin Thayer, Chas. Laver, David Davies, Raymond Wilde, and Howard Montfort.

On an inside blind of our office is a small book which vibrates with a distinct tapping whenever a train from Philadelphia approaches. Just how far the vibration is carried we have not learned, but the warning is frequently heard before a train whistles for the Coldwell crossing, half a mile away, and before any rumbling is audible. It is a mystery.

The Baptist C. E. Society hold a social last week Friday evening, at Mr. Versler's. The programme included essays by members, entitled "Ben's Jump Camp," divided into "The trip down," "Our reception," "The great catch," "Journey home," etc. There was much wit and humor, and those who heard were not slow to manifest appreciation. Watermelons were served to prevent possible dryness.

A Republican mass meeting will be held in Asplawall's grove, Newtonville, next Saturday, Sept. 12th, at 3 o'clock p. m. Fletcher Budd, Esq., has promised to deliver an address, unravelling the 16 to 1 theories of the Silverites and demonstrating their fallacies. Let all who desire to hear a full and plain explanation of the subject be on hand, and we have no doubt they will be enlightened and gratified.

COMMITTEE.

The Baptist Boys' Brigade, of Atlantic City, will spend next week in Hammonton, encamped in the Park. Capt. Westcott and a detail will be here to-day, and, assisted by the local Brigade and Sons of Veterans, make all final preparations. The latter organizations will each have a tent for their own use at the encampment. Wednesday will be an open day for visitors. The Brigade will give two or three exhibition drills on the street. This is a popular organization at its home, is composed of young men, uniformed and equipped in military style. A welcome and cordial treatment awaits them here.

Baptist Boys' Brigade granted permission to parade on our streets at any time between Sept. 7th and 12th.

Clerk instructed to procure book for filing legal papers.

Town Marshal instructed to enforce ordinance prohibiting nude bathing in the Lake.

Chairman Cunningham asked whether members had received any additional light on the parade ordinance. Evidently they had not,--at least none was shed abroad. When asked whether any one desired to take action on recent violations of said ordinance, the silence was eloquent.

Chairman appointed Messrs. King and Anderson members of the Board of Health, to fill vacancies.

JOHN T. FRENCH, P. M.

We promised to try and publish Mr. McKinley's letter of acceptance in this week's REPUBLICAN. This we found impracticable; but have done better. By arrangement with the publishers, a copy of this week's New York Weekly Tribune has been mailed to every subscriber on our list. This contains the admirable letter, the addresses of ex-President Harrison and Speaker Reed, and as usual, much other rich reading. If you like the sample, send us 25 cents in addition to a year's subscription to the REPUBLICAN, and you can have both every week for a year. It's a bargain.

The funeral of Mr. George Bowers occurred Monday. Four bearers from the G. A. R. Post, and a guard of honor from the Sons of Veterans, escorted the body from his late residence to St. Joseph's Church, where they were met by the Post in a body. Rev. C. Spigardi conducted the mass, and gave a short appropriate address in English, after which the remains were taken to Oakdale Cemetery and buried with the Post's ceremonies.

THE LEVER CHAIN.

With It the Lintons Have Broken Some Remarkable Records.

For some years past there probably have been no more improvements in the bicycle than were made in the lever chain.

WORKING PARTS OF THE LEVER CHAIN.

For a long time inventors were content to use the simple ordinary chain, and it was not until Mr. W. S. Simpson, of the Lintons, began to experiment with the lever chain that the world was made aware of its existence.

The lever chain is a simple device, but it is a very effective one. It is made of a series of links, each of which is provided with a lever.

NOT A SICK DAY

AYER'S PILLS

Ayer's Cathartic Pills for over thirty years have kept me in good health, never having had a sick day in all that time. Before I was twenty I suffered almost continually as a result of constipation—frequent dyspepsia, headaches, neuralgia, or hails and other eruptive diseases. When I became convinced

that nine-tenths of my troubles were caused by constipation, I began the use of Ayer's Pills, with the most satisfactory results, never having a single attack that did not readily yield to this remedy.

My wife, who had been an invalid for years, also began to use Ayer's Pills, and her health was quickly restored. With my children I had no trouble, and all their ailments were precluded by constipation, and I soon had the pleasure of knowing that with children as well as parents, Ayer's Pills, if taken in season, were of great service.

BALLADE OF THE NEW WOMAN.

Of the New Woman now to sing,
You bid me, Prince, whose jangled lyre,
Whose wretched melody of weary woe,
Has lost her early night and fire.

More really your fond desire,
Would I concede and chant for you
If the fair being you admire,
If the New Woman were but New!

She is, alas no novel thing,
For history here might find,
Might faint and fail in following
Where the Old Woman did aspire!

What stellar space, what mortal mire,
Has not the fair sex ventured through?
Indeed, we men folk might admire,
If the New Woman were but New.

She rears now with questioning,
Must taste, experience, inquire,
For curiosity's the spring
That sends her soaring higher and higher.

That bade her with the snake conspire
And to the snake alone be true,
Who brought on us that fatal cure,
If the New Woman were but New!

Price, old as Adam, is our sire,
As old as Eve, whom Adam knew;
We might not labor and perspire,
If the New Woman were but New.

A PERILOUS WOOING.
At one time of my life I was governed in the family of Sir William Montagu.

My only pupil was his little daughter May, and both Sir William and Lady Montagu were the kindest and most generous of employers.

My pupil was a sweet, delicate child of about 15 years old at the time, and I was about to relate to you a story of her life.

Then the inevitable "she" appeared upon the scene in the person of Frank Dudley, a young brother of Lady Montagu.

Frank was in the army and had been in India for some time with his regiment, but was invalided home by his leg.

NATIONAL REPUBLICAN TICKET.

For President.

Wm. McKinley.

For Vice-President.

Garret A. Hobart.

For Congressman.

Hon. John J. Gardner.

The Second Congressional District

Republican Convention was held in the

grand pavilion on Young & McShea's

ocean pier, Atlantic City, on Thursday.

Called to order at 12 o'clock by Hon.

James Buchanan, chairman of the last

convention. Senator Skirm, of Trenton,

was chosen Chairman; Geo. E. Wimer,

of Palmyra, Secretary. Committees on

Credentials, Rules, and Resolutions

were appointed, and reported after a

short recess.

Nominations were then in order.

County Clerk L. P. Scott, in behalf of

Atlantic County, nominated John J.

Gardner, speaking in complimentary

language of his services as State Senator

and Member of Congress. The other

counties seconded the nomination.

Mercer's delegation endorsing the action

in a rattling good speech. The nomi-

nation was made by acclamation, and

the Secretary instructed to cast the

ballot, to comply with the requirements

of law.

Mr. Gardner was then introduced,

and received with enthusiastic cheers.

He gave us a witty, strong and very

interesting address which was listened

to with earnest attention, and frequently

applauded.

It was a harmonious gathering and

their action is a deserved tribute to the

candidate's many years of faithful public

service.

A statement was made to Town

Council, last Saturday evening, that a

Philadelphia party was considering the

question of electric lights and a water

supply for Hammonton; that they had

all the capital necessary to build and

operate both. These facts were com-

municated to us, and the question asked

whether Council would grant the neces-

sary permit to establish such plant.

We were not authorized to make any

statement to Council, but knowing the

parties, we mentioned the facts as a

"feeler." One or two members stated

that they would never vote to grant a

franchise for such purposes to any one;

that the Town should own their plant.

No action was desired, and none taken.

These people have ample capital;

the promoters have had long experience

in all branches of electric engineering

and operation, and would be willing to

pay well for the privilege, and then

supply high-power lights at a low figure.

Inasmuch as the town cannot legally

operate a lighting plant for private use,

it would seem business-like for Council

to at least consider a proposition that

may be made in the near future.

If our readers look sharp, they may

see the promoters of this scheme in town

to-day. Then, if things look at all

promising, the special committee on

water and lights may receive another

bid for water supply based on the plans

drawn for them some months ago.

This may all come to naught, as sev-

eral other proposed enterprises have,

through misapprehension or misman-

agement; but it will not be the fault of

the Editor, nor of those with whom he has

been corresponding.

The members of D. A. Russell

Camp, S. of V., are ordered to meet at

H. A. A. Hall, Monday, Sept. 7th, at

9:00 a. m. sharp to escort the Baptist

Boys' Brigade, of Atlantic City, to the

Park. Full uniform, arms and gloves.

BASE BALL.

HAMMONTON 13, CLINTON A. C. 12.

Springing up on the seats in the grand stand, a large number of spectators shouted themselves hoarse, and a sea of waving handkerchiefs and hats greeted Conley, last Saturday, as he made the winning run for Hammonton in the most exciting game of the season.

For four innings the game was rather monotonous, and at the end of the fourth the score stood 2 to 2. But in the fifth the fun commenced. Hitchner must not be blamed too severely for he had very poor support,—enough to discourage any pitcher, and his record at the bat was very good, often hitting the first pitched ball.

Southerland and Keenan were given bases on balls. Courtney sent through short and Southerland and Keenan scored. Courtney scored on Watt's overthrow to cut out Crawford at 1st. Burr stuck to Luderitz's fingers, and then a fine hit was "Rapped" to left field, bringing in Crawford. Rapp followed in time to see Mathis chase Grove's two bagger. Then they kept the left fielder busy. Two fine flies slid thro' his fingers, and a two base hit went over him, while Groves, Flynn and Sutherland scored. When at length the smoke of battle cleared away, and the locals had abandoned their battery for the bat, the score stood 10 to 2 in favor of the Clintons.

In our inning, Cunningham sent out a two-bagger but it availed nothing.

Both teams were shut out in the sixth—with our battery reversed. Then Bakely's muff and Sutherland's hit to center field gave the visitors another run. Many were the groans emanating from the lungs of the discouraged rooters as they added up the score—11 to 2. But this just got our dander up. In our inning, Naylor pasted center, Cunningham to 3rd, Hitchner sent a drive to left, Gartside shot the 2nd baseman and Mathis went over his head, netting our boys four runs—the four first named gentlemen crossing the plate.

Again the visitors were retired with a goose egg. Conley sent to short, Watt rubbed the shine off the 2nd baseman's shoes. Then t'other fellows began to get rattled. Naylor drew four balls, and the bases were full. Cunningham tried to frost the Burr and Conley scored. Bakely tapped to short and Watt scored. Naylor and the Doctor scored on Hitchner's sizzler through the diamond. Gartside sent a drive to center field that should have been good for three or four bases, but Rapp squeezed it, making the finest catch of the game. Bakely tallied tying the score, Mathis sent to 1st and Hitchner put us one ahead.

Courtney again tied the score after a base on balls and Crawford's hit to left field. In our inning, Conley sent to center, and on Watt's fine two-base hit to left his run was counted, completing the victory.

The score:
