Town Council Meeting.

All the members were present at Wednesday evening's meeting of Council except Messrs. Baker and Godfrey.

Fire, Water & Light Committee made their report, viz: that manholes should be placed at all gate valves on Bellevue Avenue up to Third Street before permanent improvements. That all but two properties along above line have town water connection. That the extension of water system down Pleasant Mills Road would take 3850 feet of four-inch pipe, at a cost of \$3,500, plus the cost of fire plugs. They could not figure that the rentals would pay for the installation.

Mr. Nicolai reported that efforts had been made to sink pipes in bottom of the Lake, but failed to find solid bottom. Other methods will be tried.

Chief of Police reported eight arrests (four of which were drunk and disorderly), and six lodgers. Bills paid made up the following totals:

Town Purposes	\$281.67
Highways	300.85
Fire Department	17.75
Poor	81.11
Street Lights	65.30
Park	45.50
Drainage	21.00
Sewerage	122.68
Int. on sidewalk loan	39.44

Collector and Treasurer reported receipts as \$314.28.

Clerk's receipts for month, for licenses, etc., \$244.07.

Board of Trade asked that the following be adopted: danger posts or signs in center of street at each end of Bellevue; that bottom of the Lake be levelled, to remove danger, at the dam; that a tug motor be purchased and placed at a central point, to be used in emergencies. The last suggestion was referred to Property Committee, to investigate and report price and available money.

Irving I. Hearing asked permission to hang electric sign within property line. Agreed, that he has the right to do so, but recommend that it be placed against building.

Official notice received from the collector, of Judge's decision confirming assessment commissioners' report.

Bond issue ordinance passed its final reading, and was adopted. (Published this week.)

An ordinance was introduced, appointing three commissioners to assess sidewalk benefits. Messrs. Wm. O. Hoyt, Jas. V. Baker and J. B. Small were named.

Voted, that a special meeting be held next Monday evening.

Treasurer was authorized to purchase necessary books for keeping sewerage accounts.

Highway Committee was given instructions to have the weeds cut along the highways, especially rag weeds.

OLD WISDOM

The ancient Hebrews, as is
 disclosed by the Bible, placed
 olive oil among the blessings of
 the Promised Land.

The ancient Greeks traced its
 origin to a gift from Minerva
 which was not for beauty alone
 but for useful purposes as well.

The ancient Romans used it
 as much as the Italians of to-
 day, and still more for protect-
 ing and beautifying the skin,
 and from their interest in olive
 growing sprung up the great
 Italian progresses in this branch
 of endeavor.

BRUNO'S PURE
VIRGIN OLIVE OIL
 is the finest pro-
 duct of the labors
 and experience of
 so many centuries.
 Packed where
 it is pressed, in
 the tins you buy.

It is guaranteed as the best for
 medical and kitchen purposes.
 Use it and follow old wis-
 dom's lead.

FORD, the UNIVERSAL CAR.

ANNOUNCEMENT.

The following prices f.o.b. Detroit, effective Aug. 2, 1915:

Ford Runabout - \$390
Ford Touring Car - \$440
Ford Town Car - \$640

No Speedometer included in this year's
 equipment, otherwise cars fully equipped

There can be no assurance given against an advance in these prices at
 any time. We guarantee, however, that there will be no
 reduction in these prices prior to August 1, 1916.

Profit-Sharing with Retail Buyers

On August 1, 1914, we made the announcement that if we could
 make and sell at retail 300,000 Ford cars between August 1, 1914 and
 August 1, 1915, we would share profits with the retail purchasers, to the
 extent of from \$40 to \$60 on each car. We have sold over 300,000 Ford
 cars in the time specified, and profit-sharing checks of \$50 each will be
 distributed as rapidly as possible after August 15, 1915. Retail
 purchasers who have not yet mailed us their profit-sharing coupons,
 properly endorsed, should do so without delay.

Our plan to profit-share with retail purchasers of Ford cars during
 1914-15 has been most successful. We thoroughly believe in it, but,
 realizing the uncertainty of conditions generally makes it advisable to
 defer any announcement of future profit-sharing until a later date.

We are, however, confident of our inability to reduce costs for
 several months, and therefore can offer no profit-sharing for cars
 delivered during August, September, and October, 1915.
