Athletic Association.

Egg Harbor won last Saturday's game,—score 8 to 3. Our boys did not play their usually fine game. They couldn't hit safely at critical times, and made a total of six errors. Egg Harbor won in fifth inning, when Ted walked the first two men; then a hit and two outs netted three runs, and four hits netted two more.

Hammonton scored four hits, Egg Harbor 9, making the game even except fifth inning. Score: Hammonton.....0 0 1 2 0 0 0 3 Egg Harbor.....1 0 0 0 5 2 0 0-0

Owing to a misunderstanding, the Hamilton P. C., of Chester, Pa., came to play us. It was decided to play a double-header, and the game lasted seven innings, giving our team a victory,—12-2. Hamilton put up a strong game except in fourth inning, and our victory was earned by hard and brilliant playing and good batting. Score:

Hammonton.....0 0 3 7 0 2 1-14 Hamilton.....0 0 0 2 0 0 0-2

The playing against Hamilton would have defeated Egg Harbor, but the rally was too late.

The Association wishes to thank their many patrons for generous contributions toward paying the expenses of the Hamilton team.

To-day we play Vineland,—the last game of the series. We have won three; they, two.

Next week, Egg Harbor again.

Mr. Riddor: Regarding inquiries about the "Boat House Fund" money, which was earned from "Pygmalion and Galatea," I wish to state that the same was deposited at three per cent interest, March, 1910, in the Peoples Bank, and is now there. The amount is \$66.30, and if anyone has a suggestion as to disposal of it for the public benefit, the young ladies and myself would be glad to hear from him or her.

Mrs. Albert Jackson.
