Miss Inez Trefts, of New York, and Mrs. Joseph Trefts, of Baltimore, were recent callers at the M. E. parsonage.

Mr. Alvin Bradley, of Philadelphia, is spending a few days in town, after passing the summer at Ocean Grove.

Notwithstanding the heat, the Universalist Church rally, on last Tuesday evening, was successful and enjoyable.

Miss Lillian Wescoat is spending a week at Walnut Nook Farm, with her father, Thos. E. Wescoat, and uncle D. H.

John W. Roller arrived home from the hospital on Monday, glad to be among his old friends again. It will be some time before he can do a full day's hard work.

Early last Sunday morning, between one and four o'clock, some one unlocked Bellevue Garage door, and stole Chas. Snyder's new Studebaker car, exchanged its tag for a Penna. license on another car, and got away, leaving no clue.

Two of Hammonton's sons, Frank Romeo and Peter J. Heck, Jr., are finding out that Williston Seminary, East Hampton, Mass., is the best school in the East, both educationally and in athletics, and are having the time of their lives.

The reception to Hammonton school teachers, last week Friday eve'g, in the Presbyterian Church, was one of the most elaborate and enjoyable events of the season. There were probably two hundred persons present, including teachers and Board of Education. There was no formal programme,—choice selections being rendered during the evening by the Hammonton Orchestra, also three by the Board of Trade Sextette. Refreshments consisted of block ice cream and cake, the waitresses being young girls. Much credit is due to the committee in charge for the very pretty decorations, consisting of crepe streamers, tiny electric lights, ferns, etc., and in fact, the entire affair, which was certainly a decided success.

Lew G. Henderson, of Honolulu, grandson of Mrs. Daniel Wescoat, is visiting his mother, relatives and friends in Phila. and vicinity.

Miss Minnie Adams, of Philadelphia, has just returned from a trip through California. She visited the great expositions, and was entertained by Mrs. Woodward and the Ballard boys.

On Wednesday evening, a party of friends surprised Mrs. Catharine Bernshouse, at the home of her son George, in honor of her birthday. The house was decorated with purple and gold crepe paper, and flowers. Refreshments were served, after which we dispersed, hoping to spend many more birthdays with Mrs. Bernshouse.

There will be a street meeting, this Saturday evening, at corner of Bellevue Avenue and Second Street. Mrs. Churchill, of Denver, Colorado, will be the speaker. She has been a voter for many years, and is an interesting and attractive speaker. Come and hear a real live woman voter speak. She will speak of her own experience.

Miss Estella Wescoat is in the city, attending millinery openings. Her mother, Mrs. Daniel Wescoat, is with her, and was able to attend an annual garden party given by the University School Garden, under direction of her granddaughter, Miss Minnie Adams. FORD, the UNIVERSAL CAR.

ANNOUNCEMENT.

The following prices f. o. b. Detroit, effective Aug. 2, 1915:

Ford Runabout	- - - -	\$390
Ford Touring Car	- - - -	\$440
Ford Town Car	- - - -	\$640

No Speedometer included in this year's
 equipment, otherwise cars fully equipped

There can be no assurance given against an advance in these prices at
 any time. We guarantee, however, that there will be no
 reduction in these prices prior to August 1, 1916.

Profit-Sharing with Retail Buyers

On August 1, 1914, we made the announcement that if we could
 make and sell at retail 300,000 Ford cars between August 1, 1914 and
 August 1, 1915, we would share profits with the retail purchasers, to the
 extent of from \$40 to \$60 on each car. We have sold over 300,000 Ford
 cars in the time specified, and profit-sharing checks of \$50 each will be
 distributed as rapidly as possible after August 15, 1915. Retail
 purchasers who have not yet mailed us their profit-sharing coupons,
 properly endorsed, should do so without delay.

Our plan to profit-share with retail purchasers of Ford cars during
 1914-15 has been most successful. We thoroughly believe in it, but,
 realizing the uncertainty of conditions generally makes it advisable to
 defer any announcement of future profit-sharing until a later date.

We are, however, confident of our inability to reduce costs for
 several months, and therefore can offer no profit-sharing for cars
 delivered during August, September, and October, 1915.
