## W. C. T. U.

The ladies have taken this space for one year, and are responsible for all that it may contain.

The annual convention of the Woman's Christian Temperance Union of Atlantic County was held in the M. E. Church at May's Landing, on Tuesday, Sept. 25th, at 9:30 a. m.

Opened with devotions, led by Mrs. H. Leedom. The Recording Secretary being absent, the President appointed Miss Bradbury Secretary pro tem. A roll call, responded to with Scripture texts, reading minutes of the Spring Convention, appointment of committees by the President. The ladies were then welcomed by Mrs. Hannah Howell; response by Mrs. Eva W. Lake, in her usual cheery manner. The pastor of the Church was introduced, and welcomed the ladies most cordially, and spoke very hopefully of the work the ladies are doing in this county.

Reports from the different officers and superintendents were then listened to till near the noon hour of prayer, when the lecturer for the evening, Miss Rena Mosher, B. S., national lecturer and organizer, was introduced. She made a few remarks, urging the sisters to interest the young women and girls in the work, and train them to take their places in the future. Mrs. Smith led in the noon prayer, and the meeting adjourned for lunch.

Afternoon session began with devotions at 2 o'clock, led by Mrs. Weaver. Collection was then taken, and minutes of executive session read and approved. Rev. Mr. Smith, of the Presbyterian Church, was then introduced, and congratulated the ladies on their work, both here and all over the world. Several resolutions were passed, on various questions of the day. Mrs. Leedom was then called to the chair, and the members proceeded to elect the officers for the coming year, with the following result:

President, Mrs. E. M. B. Tilton.  
Treasurer, Mrs. Dr. Eva Lake.  
Rec. Sec'y, Mrs. Ella Maurer.  
A request from the Committee of the Sunday School Association, that some member of this convention be appointed to represent the W. C. T. U. in their convention at Absecon, and address them on temperance, was received, and Mrs. Dr. Lake was chosen.  
Meeting closed with doxology.  
Evening, song service, with lecture by Miss Mosher, on "The future of the Republic."

**The Convention.**

The Republican County Convention, held last Saturday, was one of the most harmonious gatherings imaginable. In fact, there was no cause for discord. The officers for which nominations were to be made were already filled by men eminently well qualified, and satisfactory to all, and by common consent each was to be re-nominated.

Edward S. Lee, of Atlantic City, was chosen Chairman of the Convention, with E. C. Shaner, of May's Landing, Secretary. The usual committees were appointed and reported in due time. The rules then adopted were substantially the same as last year's. The resolutions gave hearty endorsement to "both the domestic and foreign policies" of President McKinley; approved our protective tariff; recited at considerable length the meritorious acts of the present national administration; approved the course of Congressman Gardner; pledged support to the entire Republican ticket.

Of course, the candidates were called upon and responded briefly. Mr. Gardner made a short speech, full of strong points and excellent advice.

**Golden Wedding.**

There was a pleasant gathering at

the home of Mr. and Mrs. Charles L.  
Roberts on Monday evening, when the  
members of the W. C. T. U. met there  
and congratulated them on the eve of  
the fiftieth anniversary of their wedding  
day. A social time was enjoyed by one  
and all. During the evening, Mrs. C.  
A. Smith presented an envelope with a  
golden gift to Mrs. Roberts, in behalf of  
the Union. Rev. W. M. Ogden read a  
poem appropriate for the occasion, as  
follows:

Fifty years have passed away  
since our happy wedding day.  
And here we meet with those we love,  
And gladly look to the good will.  
The kindness of our friends to-day  
We may not ever quite repay,  
But in our hearts they'll have a place,  
To share with us God's richest grace.  
We are striving for that home above,  
Where all is joy and peace, and love,  
And when the heavenly trump shall sound  
May all of us at last be found.

Among the guests present was Mrs. H.  
B. Russell, of Atlantic City. Refresh-  
ments were served, and after another  
hour of pleasant chat the happy company  
separated, wishing they could each have  
a golden wedding.

During the day on Tuesday, friends  
of the aged couple called, singly and in  
groups, tendering congratulations. In  
the evening, also, they came, members  
of the Woman's Relief Corps, Sons of  
Veterans, and Grand Army, conveying  
best wishes to comrades and friends.  
Greetings and good wishes were hearty,  
but considerable that is more substantial  
remained after all visitors had departed.

**Principal Cressman** and Mr.  
Schuster, of Egg Harbor City, with  
County Superintendent Hoffman, spent  
Thursday visiting Hammonton schools,  
and complimented them highly.

**Base-ball** this afternoon, with  
the Egg Harbor City nine, heavily re-  
inforced (they say) by several men from  
the College nine who played in Atlantic  
City this season. This ought to make  
the last game a good one.

**The Junior Mechanics** report  
having had a very enjoyable time last  
Friday evening. There was a goodly  
number present, and three candidates  
were shown the mysteries of the post  
chamber. Sandwiches, cakes, coffee,  
and music wound up the evening.

**At the "A-C-T"** announced for  
Wednesday evening, Oct. 3rd, in Red  
Moon's Hall, Mr. W. M. Montgomery,  
of Philadelphia, a facial and voice imi-  
tator, will assist in entertaining the  
guests. He is known to some people  
here, and will enrich the programme.

**A coal famine** is feared, even in  
Hammonton. Dealers cannot secure  
coal to fill orders taken a month ago,  
and are carefully dividing the stock on  
hand—that all may have a chance to  
take over the great miners' strike in  
Pennsylvania. Prices are away up,  
and may go higher.

**A CARD**—We desire to return our  
heartfelt thanks to our friends generally  
and the different organizations who by  
their calls, congratulations and substan-  
tial gifts made the golden wedding  
anniversary such a pleasant and happy  
occasion.

**Mr. and Mrs. C. E. ROBERTS.**

**Syd. C. Vortis** has resigned his  
position as Superintendent of the  
Electric Light Co., for a better position  
offered him elsewhere. We regret this  
action, as Mr. V. has proven himself a  
master workman, bringing the lights up  
to a high standard, and has won many  
warm friends in Hammonton.

**The "Italian Colony of Fruit**  
Growers" have bought from the Peoples  
Bank the property recently owned by  
the Fruit Growers' Union, including  
the large store and other buildings,  
railroad sidings and other conveniences  
for the shipment of fruit. The deal was  
closed on Wednesday last. We have  
not been able to learn the Colony plans,  
but we are glad to see the property in  
the hands of men who will make it  
useful.

and is equally certain to become one of  
the popular haunts of the day, will be  
given free with every copy of the Phila-  
delphia Sunday Press of September 30  
(to-morrow). The composition is un-  
doubtedly "Just a Look of Hate for Mother."  
It is a war song full of tenderness. The  
words are by Andrew B. Stead, and the  
music by Max Delfuss. The music  
store price is 40 cents.

**Last Sunday** morning, a young  
Italian woman—a cranberry picker  
from Philadelphia—gave birth to a child  
in the woods, out toward Atsion, and  
then abandoned the little one, wandering  
no one knew whither, returning late  
that night. In the meantime, the babe  
had been found and cared for. The  
Overseer of the Poor was notified and  
on Monday morning went out there and  
shipped mother and child back to the  
city.

**On Thursday**, Lucien Fairchild  
had a hearing before Justice Garton, on  
a charge of larceny. Larcenyman Cald-  
well identified a saddle which Chris.  
Rehman bought of the accused, who  
said the saddle was given him by Dr.  
Cunningham; but the doctor denied  
this. In default of two hundred dollars  
bail, the defendant was sent to May's  
Landing jail, to await another term of  
court. This is a sad case—a sample of  
nearly completed work of ruin. We  
know Lucien more than thirty years  
ago, soon after his return from the war.  
He was gentlemanly, popular, a hard  
worker. But the liquor habit has done  
for him what it will do for any one who  
yields to its early fascinations. Several  
years ago he tried honestly, we believe,  
to quit drinking and regain his good  
name; but it was too late. For some time  
he has been a vagrant, sleeping in barns,  
quickly spending his pension money,  
then living "by his wits," terribly dis-  
eased, a physical and moral wreck. It  
would be a kindness to place him in a  
permanent shelter, if there is any way  
to do so.

her that fearful night, but who begged

cured her on consumption. After taking  
this medicine she slept all night, and

## Base-Ball.

### Hammontons the Champions.

There was a great crowd at the game last Saturday, at Inlet Park, Atlantic City, when the Hammonton and Pleasantville Clubs played their third and decisive game for the County championship. It is estimated that one hundred and fifty Hammontonians were on the ground, with a large number from Pleasantville.

The game was a good one from start to finish — well played on both sides, as the score will show. Up to the eighth inning, the tallies were seven to nought, when Early was given third base by an umpire's error (confessed later), and allowed to score by a decision which was questionable. But the Hammontonians made no vigorous protest, — feeling quite comfortable because of the game's outlook.

Here is the score:

A Hammonton genius found himself unable to control his poetic impulse; and expressed his feelings on paper, as follows:

You have all heard of Hammonton,  
Heard of the Base-ball Club, too;  
Of the yells among the "rooters"  
For the game they won so true.

'Twas the day they played Pleasantville  
And the boys had so much fun,  
When Hammonton got seven  
And Pleasantville only one.

It was down in the Inlet ball grounds  
That the championship they won.  
It was on a little slake that  
Pleasantville made their single run.

The boys played so well  
That we had nothing to fear,  
And Paul Jefferson pitched  
The best game of the year.

After the game was finished  
We started to look around,  
But the boys from across the meadows  
Were nowhere to be found.

That night we took in Young's pier,  
And when we left, at 8:55,  
All that we could hear was,  
"Hamm, because we alive."

ROOTER.

### Stood Death Off.

E. B. Munday, a lawyer of Henrietta, Tex., once fooled a grave-digger. He says: "My brother was very low with malarial fever and jaundice. I persuaded him to try Electric Bitters, and he was soon much better, but continued their use until entirely cured. I am sure Electric Bitters saved his life." This remedy expels malaria, kills disease germs and purifies the blood; aids digestion, regulates liver, kidneys, and bowels, cures constipation, dyspepsia, nervous diseases, kidney troubles, and female complaints; gives perfect health. Only 50 cts., at Druggists.
