Look! Look!

Having bought a drove of very nice Sheep, very cheap, I propose to make Special Prices while they last, as follows:

Leg Mutton,	12 cents.
Loin,	12 cents.
Whole Hind Quarter,	10 cents.
Whole Fore Quarter,	5 cents.

M. L. JACKSON.

FLOUR. FLOUR.

We thought the Flour market had reached its "bed rock" some time ago; but it has again "slumped,"—seems to be bottomless as to prices. We refrain from quoting, only in a general way,—might frighten you. Enough to say, can give

Good Flour, \$3.75 to \$5

Per barrel, with several grades and prices between these extremes. Every bbl. warranted, and delivered free of charge.

Now, just a word on another line. We have a few *real bargains* in some fine

Imported English Decorated Dinner, Tea & Toilet Sets.

Note the prices we quote to start them,—

100-piece Dinner Set, 3 styles and colors, \$8.40

56-piece Tea Set, 3 styles and colors, \$3.60

10-piece Toilet Set, 2 colors, \$2.40

We know these are very low figures for these goods, but we want you to have them while they last, which won't be very long. We look for a rush,—“Don't get left.”

DID YOU EVER

Stop to think what a fine piece of mechanism your watch is? and that you are injuring it by letting it run too long without having it cleaned and oiled?

A watch is injured more in one month, when running dirty, than in a year's time when properly cleaned and oiled.

Why neglect to have it cleaned, when you can get it done, and guaranteed, for One Dollar?

AT DUDLEY'S,
HAMMONTON, N. J.

The State Citizen's League, which so persistently fought race-track legislation in the last Legislature, and which is composed of the best men in our State, from all political parties, have issued the following address, every word of which we endorse:

To the People of New Jersey:

Again the State Citizen's League feels compelled to call upon you to enlist in what it is hoped will prove a decisive campaign against race-track gambling and Legislative debauchery in this State. It is well known that last year while people slept, the gamblers attended the party primaries and nominating conventions, and succeeded in foisting upon the State a Legislature whose infamous record is to-day the shame and humiliation of the whole people.

As you well remember, the unprecedented efforts that were made to prevent this disgrace were scornfully and defiantly ignored.

Power has returned to the hands of the people, and the question now is, How shall we use it? How shall we co operate in order to expunge these foul stains from our statute-book and rescue the government of our State from the control of men who have so basely betrayed us? Must we believe that a majority of the people in any legislative district in this State will deliberately vote in the interest of gamblers and criminals, and thereby approve the infamous conduct of the last Legislature?

There is but one side to this question. It is not a controversy between political parties; it is a contest between honest and dishonest men. No one pretends to defend the conduct of the last Legislature by argument. Their acts were induced and will be defended only by the most lavish and corrupt use of money gained by wicked and criminal practices.

The just indignation of the people must be expressed by acts as well as words. There is no profit in disguising the fact that our greatest danger lies in the possible supineness of the law-abiding people in our State. The gamblers are openly and confidently counting on this to win in this conflict. Peradventure their expectation proves well founded, personal regrets for neglect of duty will come only too late.

In order that our action may be effective in escaping so humiliating and disastrous an issue, the State Citizen's League earnestly and urgently recommends—

First,—That all voters who do not approve the action of the last Legislature attend the primaries of the party to which they belong, to be called to elect delegates to the conventions for the nomination of candidates for the Legislature, and for the office of Sheriff in counties wherein these are to be chosen—and there make all earnest and honorable effort to secure the election of delegates who will support as candidates for the Legislature only such men as can be relied upon to vote for the repeal of the race-track statutes; and for Sheriff a man who will faithfully and fairly discharge the duties of the office.

Second,—That if practicable, even at personal sacrifice, they attend their party conventions, and by their presence and influence lend their aid to securing the nomination of candidates of sterling character, upon whom they can depend to carry out their views, and that they urge the adoption of an explicit resolution demanding the unconditional repeal of the disgraceful race-track laws at once.

Third,—In case, notwithstanding your best efforts to the contrary, candidates should be nominated by your party for the Legislature, or for the office of Sheriff, who cannot be trusted on the race-track issue, then we advise you to bolt such nominations forthwith, and to support with all your might the candidates of the opposite party if there is reason to believe they can be trusted in the matters above stated.

Fourth,—If the nominees of both parties seem to be unreliable and therefore unsatisfactory, we advise you to call a meeting immediately of the law-abiding voters of your district, and unitedly nominate and support candidates of well-known ability and integrity, whose position is clearly defined.

Experience warns us not to trust too

confidently in evasive assurances of candidates who are too weak to resist party dictation, or to scorn a price for their services.

In conclusion, we beg to suggest that there are no political issues to divide the people this Fall. The one sole and paramount issue is the redemption of the State from the infamy of last Winter, and under whatsoever political banner that issue can be best fought out, there should be found every citizen of New Jersey who regards the honor of his State and the best interests of the community and his home. In such a crisis indifference and apathy are little less than sinful; meek acquiescence in the dictation of professional politicians is a bondage degrading to the manhood of every American citizen.

Try it.—For a lame back, or a pain in the side or chest, try saturating a piece of flannel with Chamberlain's Pain Balm and binding it onto the affected parts. This treatment will cure any ordinary case in one or two days. Pain Balm also cures rheumatism. 50 cent bottles for sale by A. W. Cochran, druggist.

Troubles,
After Years of Suffering.

Munyon's Home Remedy Co.,
GENTLEMEN:—Munyon's Catarrh Cure
has cured me of Catarrh, with which I
have been troubled for a number of
years. My daughter Mary has been
cured of stomach trouble and nervous-
ness by using Munyon's Stomach and
Dyspepsia Cure. I have implicit confi-
dence in all of Munyon's Remedies, and
hope you will publish this letter, that
the public may know the good they
accomplish. Yours respectfully,
Mrs. A. P. McCUMBS,
Havre de Grace, Md.

Are you a sufferer from catarrh? Are
you willing to investigate a treatment
that cures catarrh by removing the cause?
If you cannot come to the office for a free
examination, ask your druggist for a 25
cent bottle of Munyon's Catarrh Cure and
a 25 cent bottle of Catarrh Tablets. The
Catarrh Cure will eradicate the disease
from the system, and the Tablets will
cleanse and heal the affected parts and
restore them to a natural and healthful
condition.

Munyon's Dyspepsia Cure is guaran-
teed to correct constipation and cure all
forms of indigestion and stomach trou-
bles, and all nervous conditions due to a

CHAUNCEY P. ENGLISH,
Chairman of last Convention.

It is evident that the race-track
and gambling laws of this State will be
the one great issue in the November
election. Let no honorable man be
misunderstood on this question. Repub-
licans, attend the primaries, choose
reliable men as delegates to the nomi-
nating convention, and see to it that no
man who favors legalizing race-tracks
and book-making is placed on the ticket.
Should your efforts be defeated, and the
nominee for Assembly be known to
favor the present infamous laws, or
even be classed as doubtful, don't vote for
him.

The man with a long head is rarely
headlong.

Who gives a trifle meanly is meaner
than the trifle.

PAINT!

Little THE HAMMONTON.

When you buy the Hammononton
Paint, you do not buy seven-
eighths of a gallon for a gallon,
or three-pints for a half-gallon;
nor do you get one of those
packages that weigh 12 to 14
pounds, and containing so much
alkali that it appears to be so
thick that it is impossible to
use it without thinning; but in
buying the Hammononton you get
a full standard gallon of paint,
weighing 14 to 16 pounds to the
gallon, made from the best
materials known to the trade,
and costs the consumer from \$1
to \$1.50 per gallon for honest
paint.

If the purchaser doesn't want
honest paint, and wants to be
honest to himself, then be sure
to buy the Hammononton Paint,
and the manufacturer will give
a receipt with every gallon sold
telling you how to make two
gallons of paint out of one of
the Hammononton. It will cost
33 cents for the extra gallon.

One Dollar.
And then here comes Commercial
Paint, in 20 shades—the best wearing
paint ever put on the market for so low a
price as \$1 per gallon, and guaranteed
to be a first-class wearing paint. If any
one should not want to pay so high a
price for a good exterior paint, then work
the 33 cent racket, and get two gallons
for \$1.33. Manufactured at
Hammononton Paint Works.

too thin.

The West Jersey Press of this
week stated that all arrangements had
been made for a school at Rosedale,
under control of Hammononton Trustees,
and even named the teacher engaged.
We hoped that this was true, but Mr.
Osgood, Clerk of the Board, contradicts
the story, saying that the Superinten-
dents of Atlantic and Camden Counties
must first meet and agree upon bound-
aries for the new division, before any
provision can be made for a school. So
far as he can learn, no such meeting
has been held.

WHAT IS THE DIFFERENCE?
Between the Compound
Oxygen Treatment of Dis-
eases and that by the use
of Drugs? It is an impor-
tant one.
Drugs are taken into the
stomach. For this reason
their action is not direct.
Compound Oxygen is taken
into the lungs, and there-
fore, comes immediately into
contact with and is absorbed
into the blood.
Drugs, being generally
poisons, act by causing a
disturbance in the body.
Compound Oxygen, being
composed of the elements
of the air, and acting upon
the blood, is not open to this
objection.
But, however it may act,
it has certainly cured many
cases of chronic disease,
in which drugs have failed.
This is the point of
greatest interest to all
chronic sufferers. To all
such we say:
Send for our book of 200

for yourselves what Com-
pound Oxygen is, how it
acts, and, above all, what it
has accomplished.

We believe that no person having
knowledge of the commission of a crime
has a moral right to conceal such knowl-
edge, or in any manner aid the criminal's
escape from punishment. Just recently,
four men were charged with a heinous
crime. A complaint was made before
Squire Atkinson, three of the men
were arrested by Constable Bernshouse
(the fourth fled), and held for a hearing
on Friday afternoon. At the appointed
time, neither the complainant nor any
of his witnesses appeared; and of course
the accused were discharged. What
would seem to be the natural conse-
quence? These men, and others with
criminal tendencies, seeing that no
punishment is meted out to offenders
against morality and law, are encour-
aged to give way to their passions; and
who will be safe from their assaults?
In this case, the Justice spent consider-
able time and used his blanks; the
Constable spent at least fifteen hours
and paid out his money to apprehend
the accused; and neither will receive
any compensation. Why all this mis-
carriage of justice? Because, evident-
ly, of some collusion between complain-
ant and friends of the four defendants.
There have been several such cases in
town, and there should be some way of
preventing them.
