TOPIC FOR OCTOBER 1, 1911. THE LARGER CHRISTIAN LIFE.

Various phrases are used to de-GOLDEN TEXT.—Hear the word of scribe the sort of life into which we

pleasing face, twice as much book-lore as Balley, and like him, pleaty of latent and displayed energy. For months Balley had been casting sheepseyes at Ruth. She caught them hot off the but and sent them back with a swift shot of her bright brown eyes that caused Balley's usually pale-in-spots face to blend in one bloom redder than his bair, while the imagine that any strong impression on mind by shutting that truth out of soup floated into his windpipe. This created a diversion and covered Bailey's confusion, but did not rid him of the chaffing of the crew. Indeed. this had gone so far that Bailey had offered to "shoot up" with the he

> see, his was a taste that demanded plenty of color and abundance of size. He had hesitated to "speak" from both bashfulness and fear until the promise of the fireman's job set his heart pounding like the air pump on the engine. As he backed out of the master mechanic's office he lost his dignity, threw his cap in the air and disappeared. He had binted to Ruth that he expected the job and promised to tell her when he came to dinner Bo when he falled to show, Ruth's
