HAMMONTON, N. J., SATURDAY, OCTOBER 6, 1917

No. 40

H. R. Monfort is riding around in a new Buick car.

Columbus Day, next Friday, will be a holiday in New Jersey.

Born to Mr. and Mrs. James Delzeit, on Tuesday, October 2nd, a son.

W. J. Slack, Jr., was welcomed by his parents on Friday, September 21st.

The Red Cross instruction classes are being well attended, and they find it pleasant work.

An automobile load of Baptist Endeavorers took in the State Convention this week, at Bridgeport.

The Baptist Sunday School had a largely attended and enjoyable get-together social, last evening.

There will be a meeting of the Suffrage League at Mrs. W. H. Gardner's, Tuesday evening, 7.30.

Frederick Hoefler left, Monday, to attend the Dental Department of the University of Pennsylvania, his second year.

Mr. W. H. Barrar was delegate from the Presbyterian C. E. Society to the State Convention held this week, at Bridgeton.

Mrs. Jesse Treat is on from Michigan, and is receiving many cordial greetings from friends, who are pleased to see her so nearly recovered from her injury.

The War Workers of Needlework Guild acknowledge receipt of a handsome cash donation (ten dollars) from the W. C. T. U., also like amount from "a friend."

Thos. J. Creamer, one of Hammonton's best known and extensive peach growers, died suddenly on Tuesday afternoon, aged 76 years. He had been unwell for a year or more, though he had been actively engaged up to a short time before his death. Services were held at the house yesterday afternoon.

The moon train ("the dumber") does not now carry mail. Instead, the 9.37 and 11.30 (expresses) take through mail up, and in the eve'g, the 5.40 up. This service in addition to the accommodations, 7.04 a. m. and 4.18 up. Mails leave the post-office about ten minutes before train time.

DeWitt Morris, formerly a Hammonton boy, has been promoted to manager of the milk and cream testing department of the Dairy Laboratories of Philadelphia. The department handles from eight to nine thousand samples monthly, from New York, Pennsylvania and our own state.

The annual meeting of Needlework Guild will be held early in November, instead of in October. Date will be given next week. This change is to give directors a little more time to get the garments together. It is hoped that people will be liberal in their gifts. Local needs will be looked after first.

The Ladies' Missionary Society of the Presbyterian Church have invited the ladies of the Baptist, Methodist, Universalist and Episcopal Churches to unite with them in a union service to be held in the Sunday School room of the Presbyterian Church next Tuesday afternoon, three o'clock. Pastor Mudge spent five years among the Mormons, and will tell a very interesting story of his life and experience there, and the present efforts of the Mormon Church to hold the balance of power in our government.

Observations of an Observer

What would happen if every property owner and renter in Hammonton occasionally swept off their front sidewalk, and once a week the gutter, and burned the dead leaves? Is it not worth while, for the good reputation of our town, and public improvement, that each one do this little bit?

Why not get rid of that great bill-board opposite Baptist Church. It is neither beautiful nor useful.

Some of our vacant lots and back yards would not bear inspection.

Who is responsible for the condition of the fountain in School Park? It appears to be a sort of waste-basket for the children.

It was a mistake last week, giving Mr. Nelson credit for donation of lumber for the Red Cross work closets; it should have read "Mr. Nelson Ake."

Louis L. Purchase, proprietor of Raleigh - in - the Pines, and Miss Juanita Lintner, of Hammonton, were married in New York City on Tuesday, Oct. 2nd. Both are well known, and have best wishes for lasting happiness.

Hammonton Hallow'en Association's committee is holding weekly meetings, and promise to give the people a fine time on the night of the 31st. They ask that all cooperate, by fantastic dress, and if possible, a float in the parade.

Charles W. Mawson and Miss Henrietta Small, two popular Post Office employees, were married on Tuesday, Oct. 2, by Rev. Robert H. Sharpe. After a short trip, they will receive congratulations from their many Hammonton friends.

On Wednesday, the Universalist Churches of the state held their Annual Convention at Summit. Rev. Dr. Gardner, of Hammonton, preached the convention sermon. Next Monday, Dr. Gardner will have a part in the installation services of the new pastor at Hightstown.

Mr. A. M. Parker, the new Superintendent of W. J. & S. R. R., wrote to T. B. Delker this week, confirming the agreement to install an electric signal system at this place, so that the gateman at the Bellevue Ave. crossing may have ample warning of the approach of all trains. Several accidents have been narrowly averted on foggy and stormy days, and Mr. D. took it upon himself to clearly set forth existing conditions to the officials.

COLUMBUS DAY

Their program promises a great time in Hammonton, next Friday. Should that day prove stormy, the celebration will be carried out the next day, Saturday.

In the morning, Columbus Band will parade the streets. At 2.30, the grand parade starts from Mesina Hall, covering principal streets of the town. Heading it will be the committee, the Band, Home Guards, High School pupils, honorary Presidents, Sons of Columbus Society, Red Men, Italian Beneficial Society, Sons of Italy, automobiles, floats, and citizens.

People are asked to decorate and enter floats, a prize of a ten dollar gold piece to be awarded for the best float. The route will extend to Hammonton Park.

Addresses will be delivered at four o'clock by Hon. Emerson L. Richards, Albert C. Abbott, V. Titolo, of Philadelphia, G. Demercurio, and others.

At 6.30, a grand dance will take place in Park Hall.

About eight o'clock, a magnificent display of fireworks will be set off by L. Romaine, a well known specialist from Camden.

Refreshments on sale.

The evening class is entirely
filled, but there is still some room
for Wednesday afternoon workers.

If it is the desire to hold a class
on Friday evening, please notify
Miss Conkey or Mrs. Cunningham.

To correct a misunderstanding:
it is not necessary that one belong
to the Red Cross Society in order
to attend the classes, nor is any
examination required in order to
become a learner. What we want
is workers.

The Library War Council ap-
pointed by the President appeals
to every citizen for help in supply-
ing libraries for the soldiers in the
thirty-two cantonments, for which
a million dollars is needed. Each
town is asked to contribute five per
cent according to population. If
we all will do our best, it will be
easy to send our share. Please
bring or send it to the library on
Saturday evening, or send checks to
E. A. McIntyre. Even Germans
supply their soldiers with reading
matter. Can we do less than
they? They even have traveling
libraries to cheer their boys in the
trenches. There is a great demand
for reading matter in all camps,
and the V. M. C. A. are doing
their best, but they cannot build
and equip libraries. Do your best.
If it is only five or ten cents it will
be acceptable. Every little helps.

After living in Philadelphia for
the past year, Mr. and Mrs. N. B.
Hinchman have returned to Atlan-
tic City.

To the Stockholders of Hammonton Cranberry Company:

GENTLEMEN: The following is a copy of a resolution duly
adopted at a meeting of the Board of Directors of the Company duly
convened and held on the fourteenth day of September, 1917:

"RESOLVED, That in the judgment of this Board it is

Will You Wait Until All Hudsons Are Sold?

We Cannot Fill Orders at the Present Low Prices
Much Longer, for our Allotment is Nearly Gone.

Of over 50 makes of cars, Hudson
is the only one that has not increased in
price since last January.

And because, in the past, it has
been customary to set a date for higher
prices to go into effect, many people
have put off their purchase of a Hudson
until the last minute.

Hudsons will advance, for with the
present price of materials they cannot be
manufactured and sold at to-day's prices
after the materials now on hand are
exhausted. But before that time comes
our allotment of Hudsons will all be sold
and we will not be able to sell you a car
at present prices.

When these other makes of cars
sold at from \$100 to \$300 less than the
Hudson, our sales were greater than the
total sales of any two cars that have

been advanced up to the price of the
Hudson. Now that practically all the
cars have advanced in price, Hudson
sales are at their highest.

Remember, too, that Hudson is
never compared with cars that sell at or
near its price, but always with cars that
sell at many hundreds of dollars more.

Men who planned to buy Hudsons
next spring are ordering them to-day.
They know then the price will be
higher, and the demand greater. To-day
there are over 40,000 Hudsons in use—
40,000 enthusiastic owners.

The present situation is an advan-
tageous one. You can save money if
you do not delay. Any day now we
may exhaust our allotment. Then you
will have to pay more.
