Republican County Convention.

The Convention was held last Sat-
urday, October 12th, in Briell's Hall,
Egg Harbor City. Called to order by
Edward S. Lee, chairman of the last
convention.

For the first time within the recol-
lection of man, the proceedings were
opened with prayer, by Rev. W. F.
Zane, of Mays Landing.

Daniel Waters, Jr., of Absecon, was
elected chairman; E. C. Shaner, sec-
retary; Frank J. Moore, assistant.

The usual committees were appoint-
ed, and reported after a short recess.

Credentialed reported delegations full.
Also, reported a protest from citizens
of fourth ward, Atlantic City, against
admission of delegates named, alleging
irregularities, and because the ballot
box in that ward had been stolen after
about a hundred votes for delegates
had been cast. A motion to consider
the protest was tabled.

The rules in force last year were
reported and adopted.

The resolutions adopted, were as
follows:

1. The Republican party of Atlantic
County, in convention assembled, re-
affirm their absolute faith in the prin-
ciples of the Republican party, as for-
mulated in 1856, and as extended from
time to time to meet the changing
conditions of the country.

2. We unite with all people in de-
ploring the violent and untimely death
of our martyred President, Hon. Wm.
McKinley, than whom our country
has never had a more valiant soldier,
a more wise and judicious statesman,
and a grander example of true man-
hood.

3. We heartily endorse the platform
of the Republican party, as adopted
by the State Convention of September
26, 1901.

4. We commend and approve the
administration of State affairs under
Republican rule.

5. We declare our firm conviction
that wisdom and patriotism alike re-
quire that the administration of Pres-
ident Roosevelt should be supported
in carrying out the policy of President
McKinley, by the States which con-
tributed to his election; and to this
end we pledge our full and earnest
support to the able citizen and tireless
worker, Hon. Franklin Murphy, as
the candidate of the Republican party,
for Governor of this State, and like-
wise to all candidates named by this
convention.

Messrs. Lewis Evans and Edward
S. Lee, both of Atlantic City, were
named for State Senator. On the first
ballot, Lee received 121 votes, Evans
received 52.

Thomas C. Elvins, of Hammonton,
and Richard C. Cake, of Benna Vista,
were named for Assemblyman. The
ballot gave Elvins 137 votes, Cake, 10
from first ward of Atlantic, Brigantine
first ward 1, Buena Vista 5, Linwood
3,—a total of 15.

Albert C. Stephany, of Atlantic,
was nominated for Coroner without
opposition.

The candidates were introduced and
each accepted the nomination with a
few appropriate remarks.

Hon. John J. Gardner was called
for, and made a good speech, carefully
worded in certain parts, interesting
and entertaining throughout.

Voted to hold the next convention
at same place, then adjourned.

What would you think

If you saw a man sitting on the
bank of the Lake, watching some fisher-
men with a drag net, catching all the
fish, and after they had left he would
take a cork line out of his pocket, put a
worm on the hook, cast it into the water,
then expect to catch a string of fish.

That is precisely what some of our
Hammonton merchants are doing.
They sit in their stores, see some
wide-awake neighbor, by a liberal
use of PRINTERS' INK, catch all the
customers in the neighborhood, then
complain because they don't sell
their goods.

SATURDAY, OCT. 10, 1901

Republican Ticket.

For Governor of New Jersey,
FRANKLIN J. MURPHY,
Of Newark.

County Nominations.

For State Senator,
Edward S. Lee,
Of Atlantic City.

For Assemblyman,
Thomas C. Elvins,
Of Hammononton.

For Coroner,
Albert C. Stephany,
Of Atlantic City.

Our Next Assemblyman.

We congratulate the Convention
and the voters upon the nomination
of Thomas C. Elvins for the
Assembly. There is not a better
known young man in Hammononton
than he, and very few who so hold
the respect and confidence of the
community. His entire life has been
spent here, and we doubt whether
there has been one deliberate act
of his for which he would need to-day
to apologize. His natural ability is
beyond question; his education
liberal.

As a politician, he has been an
active worker for the Republican
party since he was old enough to
understand the relation of the parties;
his activity increasing with his years.
His advice and aid have been sought
and valued by our party leaders
ever since he began voting.

Evidently the public night school
is to fill a long-felt want in Hammononton,
for on Monday evening, the first session,
though the weather was disagreeable,
over forty pupils were present. On
Tuesday evening there were fifty-one;
and by Thursday evening sixty were
enrolled. They range in age from 12 to
20 years and over, some learning to
read, others in algebra, etc. Young
people who have the will to avail them-
selves of this unusual opportunity have
no doubt the ambition to make the
most of it, and will never regret the
time and labor necessary.

The immediate need of the world at
this moment is not more of us, but, if I
may use the expression, a better brand
of us.

A Night of Terror.
"A wild anxiety was felt for the widow
of the brave General Burnham, of Mach-
les, Mo., when the doctors said she
would die from pneumonia before morn-
ing," writes Mrs. B. H. Lincoln, who
attended her that fatal night, but who
brought for Dr. King's New Discovery,
which had more than once saved her life,
and cured her of consumption. After
taking one dose all night. For three
entirely cured her. This marvelous
medicine is guaranteed to cure all throat
and lung diseases. Only ten, and
cure. Trial bottles free at Crowsell's
drug store.

A Communication.
Mr. Editor:—Allow me to speak a
few words in favor of Chamberlain's
Cough Remedy. I suffered for three
years with the trouble and could not
sleep at night. I tried several doctors
and various patent medicines, but could
get nothing to give me any relief until
my wife got a bottle of this valuable
medicine, which has completely cured
me.—W. B. Brockman, Daguerre, Mo.

carriage, suffering from pain and shock.

Dr. Butler was summoned, and found a

Edwin Adams, Chairman of the

Dr. Joseph McFarland, Profes-
sor of Pathology and Bacteriology in
the Medical-Chirurgical College, Phila-
delphia, has purchased the Jan. Traylor
property, on Central Avenue, through
Gilbert & O'Callaghan, 409 Walnut St.,
Philadelphia. He will make extensive
improvements. The same firm have
sold the fruit farm owned by H. Cray-
ford Coates to S. E. Fisher, of Pitts-
burg, who contemplates building a fine
house on the place.

For two weeks we have stated
that there was an up-express on the old
road at 9:50 a. m. This was correct
according to the official card of Oct. 1.
We accidentally learned that another
card was issued Oct. 7th, with only this
one train changed. It now leaves our
station at 8:11. It would seem to be to
the company's interest to notify their
passengers promptly, through the local
papers, whenever a change is made;
but they don't do it.

T. E. Baxter & Co., the shirt
manufacturers of Philadelphia, have
made permanent arrangements with
the Sinton Mfg. Co., to keep the shirt
factory supplied with work, and the
only question now is, Can the company
secure enough operators to run the
sewing machines, and make it a suc-
cess?—It all depends upon this:—Work
has been shipped the factory, and the
factory will be there on Monday next
to start up. We want factories in the
town, there that are here to stay, and
we want more as will come. We hope
the Sinton Company will secure the
necessary operators, and that a good
number will report for work next Mon-
day morning.

On Wednesday evening, about
8:30, as Frank Jackson, agent for the
Colonial Insurance Company, was re-
turning from a collecting trip to Water-
ford, just after he had passed the new
bridge at Ancoats, he was attacked by
foot-pads, who knocked him off his bicy-
cle, then robbed him of everything of
value, including forty-seven dollars in
money, and punctured his bicycle tires,
to delay his progress homeward. Two
weeks ago he was stopped at the same
place, and his money demanded, but he
produced a revolver instead. This
time they appeared suddenly and hit
him on the head with a sand-bag. He
laid there in the mud for an hour or
more, then recovered sufficiently to walk
slowly homeward.

About eight o'clock last Monday
evening, Englewood Nelson discovered a
few small sparks around the armature
of the alternator. Springing to the
throttle, he quickly shut off steam; but
before the machinery came to a stand-
still, the few small sparks had increased
to a circle of fire. Had it continued for
a few minutes longer, the entire dynamo
would have been burned out, which
would have necessitated a large outlay
of time and money to repair. One of
the binding wires on the armature had
broken, and consequently commenced to
unwind, causing the trouble. The
accident is one that is unavoidable, and
might occur in any power-house in the
country. Six men immediately con-
tinued work on repairing the dynamo.

The dynamo was completed about two o'clock
Tuesday morning, and the dynamo
tested to see that it was in good working
order.

THE UNIVERSALIST denomination

tury Fund" for Church extension in

on the occasion was \$186.

There is to be a grand Republi-

Franklin J. Murphy, our candidate for

leave Hammononton at 7:30 p. m., stop-
ping at all stations, and returning,
leave Atlantic at 12 o'clock.

The Lyceum.
The Lyceum meeting was well atten-
ded, Monday evening, notwithstanding the
disagreeable weather. Dr. E. J. Eastman,
Read and Dr. J. C. Butler delivered a
modification of the right of free speech,
but Messrs. A. J. King and Albert L.
Jackson evidently had the best of the
argument, and the proposition was
negatived. Officers were elected as
follows:

President, A. L. Jackson.
First Vice Pres., Miss Rose Bodine.
Second " " Mrs. E. C. Alcorn.
Secretary, Miss Emma Hooper.
Treasurer, C. K. Nelson.

The following is from President McKinley's last message to the American people, delivered at the Exposition on the day before he was shot down:

"Let us ever remember that our interest is in concord, not conflict, and that our real eminence rests in the victories of peace, not those of war. We hope that all who are represented here may be moved to higher and nobler effort for their own and the world's good, that out of this city may come, not only greater commerce and trade for us, but, more essential than these, relations of mutual respect, confidence and friendship which will deepen and endure. Our earnest prayer is that God will graciously vouchsafe prosperity, happiness, and peace to all our neighbors, and like blessings to all the people and powers of earth."

Put a seal upon your lips and forget what you have done. After you have been kind, after love has stolen forth into the world and done its beautiful work, go back into the shade again and say nothing about it. Love hides even from itself.

Some people are like clocks; they are going all the time, but never get anywhere.

Noble natures pay confidence with gratitude; ignoble ones, with treachery. Decision of character will often give to no inferior mind command over a superior.

Stood Death Off.

E. B. Murray, a lawyer of Henrietta, Tex., once fooled a grave-digger. He says: "My brother was very low with malarial fever and jaundice. I persuaded him to try Electric Bitters, and he was soon much better, but continued their use until he was entirely cured. I am sure Electric Bitters saved his life." This remedy expels malaria, kills disease germs, and purifies the blood; aids digestion, regulates liver, kidneys, and bowels, cures constipation, dyspepsia, nervous diseases, kidney troubles, female complaints; gives perfect health. Only 50 c. at Crowell's Pharmacy.

A Certain Cure for Dysentery and Diarrhoea.

"Some years ago I was one of a party that intended making a long bicycle trip," says F. L. Taylor, of New Albany, Bradford County, Pa. "I was taken suddenly with diarrhoea, and was about to give up the trip when Editor Ward, of the Laceyville 'Messenger,' suggested that I take a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I purchased a bottle and took two doses, one before starting and one on the route. I made the trip successfully and never felt any ill effect. Again last summer I was almost completely run down with an attack of dysentery. I bought a bottle of this same remedy and this time one dose cured me." Sold by Crowell, drugist.
