W. C. T. U.

The ladies have taken this space by the rent, and are responsible for all that it may contain.

The State Convention of the W. C. T. U., held in Hackensack, October 22nd to 25th, inclusive, was opened on the evening of the 22nd, Mrs. Bourne, State President, in the chair.

The first evening was devoted to an address of welcome, reports of officers, and President's address. Mrs. Bourne reviewed the work of the year, and spoke encouragingly of the gains in both work and membership.

The second day was devoted to State Superintendents' reports, addresses by visitors, and regular routine work of the convention. Mrs. Fessenden, of Massachusetts, made the address of the evening, on the subject, "Does it pay?" and certainly proved it did not pay to sell rum, either as a nation or as an individual. Mrs. Fessenden conducted a parliamentary drill on Thursday, which was greatly enjoyed by all. The evening was devoted to the Y's, an address by State Superintendent, recitations by young ladies in the medal contest, and presentation of gold medal and other prizes.

The Twentieth Century Class of L. T. L.'s received diplomas during the convention.

The officers were re-elected, other business finished, and the twenty-eighth annual convention adjourned, after a delightful and helpful session.

POLITICAL COMMUNICATIONS

Hide the issues of this political campaign? Impossible! Mud-slinging and personal vilification will not hide them; neither can anything else. If you want a clean State government, vote for

MURPHY, LEE,

ELVINS, STEPHANY

Don't skip one. If you want to hasten the return to power of the gang that worked in Hudson County years ago, and made New Jersey to be a by-word all over the land, vote indirectly for McDermott, "Bob" Davis, and the others, by cutting and slashing the Republican ticket.

There are just two questions to be answered in this campaign,—no more, no less.—Are the principles and policies of the Republican party worthy of your support? To this there is but one answer,—Yes. Can Lee and Elvins be depended upon to carry out the policies and support the principles of the Republican party? To this also there is but one answer,—Yes.

Don't be fooled: a vote for Loudenslager is a vote for those back of him,—McDermott, "Bob" Davis, and all the rest of them. A vote for Lee is a vote for the honest conduct of State affairs, and for the upholding of President Roosevelt in his endeavor to carry out the policy of William McKinley, the well beloved, for the peace, honor, and prosperity of our country.

The following was written by Mr. A. M. Heston, Atlantic City's Comptroller, in reference to the Republican candidate for State Senator:

Some of the good things he has done for Atlantic City. . . Mr. Lee introduced the resolution cutting the rate of discount on city notes from 6 to 5 per cent, and saved the city not less than \$2000.

He fathered the resolution, and put it through Council, directing all city funds to be deposited at 3 per cent interest, subject to call. That netted the city during the past year exactly \$6,921.53.

Mr. Lee fathered the scheme to build the new boardwalk, that grand ocean promenade.

It was Mr. Lee who put through our latest public improvement, pay'd streets, and who, notwithstanding alterations, extensions, and repairs, has a balance of \$3,320.50 to credit of his committee, and after paying the final five per cent, he will have a balance of \$3,582. In many cases we might look for a deficit, instead of a surplus.

It was his untiring energy that corrected a blunder made at Trenton, when a paving bill which had not been passed by the Senate was presented to the Governor as an act and signed by him. This appears on page 204 P. L. of 1898. Had

Atlantic City proceeded under this "act," we would have run against the biggest kind of a snag. But Mr. Lee went to work, and after much difficulty had the real act of the legislature dug out of the hole where it had been placed, and duly signed by the Governor. But for Lee's persistence, more than half of our paved streets would still be mud holes.

That is the kind of aggressive and progressive man Mr. Lee is. It is not reflecting on any one of the fourteen gentlemen who have served this county as Senators during the past, when I say that no one of them did so much for Atlantic City and County as he will do, if elected. His work as councilman indicates what he will do as senator; he will be up and doing all the time.

Mechanics and workmen surely know that he was the first employer to advance wages and reduce hours of work. He did this before labor unions acted in the matter.

No matter what people may say against him personally, Mr. Lee will make a wide-awake, progressive, and useful representative of Atlantic County in the State Senate.

Special Town Meeting.

By direction of Council, the Clerk
has posted bills, calling for a special
town meeting, to be held in Jackson's
Hall on Saturday afternoon, Nov. 3d,
at 3.00 o'clock.

The object of this call is to ask for a
special appropriation of three hundred
dollars, to be added to the town pur-
poses fund.

Last year, the town appropriated
\$1000 for this fund, which, added to
an unexpended balance, gave Council
\$1713.36. Of this amount, \$218.84 re-
mained unexpended, showing an ex-
penditure of \$1494.52.

This year the voters appropriated
\$1050 from the license fees, plus \$12.20
from miscellaneous sources, which
made, with the balance above, only
\$1311.36 for the year, or \$402.32 less
than in 1900. This amount will not
be sufficient to pay salaries and the
dozen-and-one items of expense which
come under this heading.

There is now a neat sum-in the
treasury from license fees, \$900,—
and more in prospect. \$300 can be
voted from this fund, and not burden
tax-payers at large. Those who drink
beer have already paid it.

A friend asked why so much money
is required now, when \$900 was con-
sidered sufficient some years ago. We
note a few items. Councilmen then
received no salary; now it takes \$216
to pay them. Assessors were paid
\$100 a year; now it costs \$250 and
over. The Collector and Treasurer
formerly received \$100 a year; now it
is nearer \$400. The Overseer of the
Poor receives \$50 more than he did.
The Night Marshal is paid \$200 now,
but was then unknown. Figure these
up, and the difference will be accounted
for. The salaries paid are well earned.
The town's population has well
doubled in twenty years, and requires
more service, which must be paid for,
of course.

Next Tuesday will be election
day. At the suggestion of a member
of the Board, we call the attention of
voters to the necessity of care in cases
of "cut" tickets. Use only black ink
or a black pencil in crossing a ballot
and writing the other name thereon.
Be sure that the name is crossed out.
Then write the other man's name in
full and write it correctly, or it will
not be counted. If you put another
man's sticker on your ticket, be sure
to put it in the right place. Don't give
Thomas C. Elvins a vote for Senator or
for Coroner; but stick the sticker so as
to cover the name of the Democratic
candidate for Assemblyman. Many
votes are lost because of mistakes in
names, using red or blue pencil to
mark ballots, or displacing the stickers.
Be careful.

A Night of Terror.
"A awful anxiety was felt for the widow
of the brave General Burham, of Mach-
igan, Mo., when the doctors said she
would die from pneumonia before morn-
ing," writes Mrs. B. H. Lincoln, who
attended her that fearful night, but she
beggared Dr. King's New Discovery,
which had been then once saved her life,
and cured her of consumption. After
taking, she slept all night. Further we
entirely cured her. This marvelous
medicine is guaranteed to cure all throat
cough and lung diseases. Only 50c, and
\$1.00. Wild bottles free at Crowell's
drug store.

A Communication.
Mr. Editor:—Allow me to speak a
few words in favor of Chamberlain's
Cough Remedy. I suffered for three
years with the bronchitis and could not
sleep at night. I tried several doctors
and various patent medicines, but could
get nothing to give me any relief until
I got a bottle of this valuable
medicine, which has completely cured
me.—W. B. Brockman, Bagwell, Mo.
This remedy is for sale by Crowell,

The Lyceum.

The second regular meeting of the
Lyceum was held in Red Men's Hall on
Monday evening last, and was quite
well attended. Miss Anna S. Taylor,
of Philadelphia, rendered "Parasitus
and the Captive" and other selections,
and won much applause. The other
numbers on the programme, including
a vocal solo by Miss Mabel France
Hall, reading by Miss Lena Chapman,
and a vocal solo by Miss Marion Gilbert,
were also well received.

The debate followed, the subject of
which was—
Resolved, That the advantages of
public schools are greater than those of
private schools.

Mr. C. F. Osgood and Mrs. A. L.
Jackson were the regular disputant on
the affirmative side, with Mr. Harry
Smith and Mrs. E. C. Alcorn on the
negative. Mr. Osgood not being pre-
sent, Miss Rose Bodine kindly consented
upon request, to fill his place on the
debate. It was an interesting subject
to many, especially those connected in
any way with schools, and the dispute
was a lively one. Those who spoke
voluntarily were—Dr. J. A. Waas,
Miss Samaria Bernshouse, Miss Myrtle
Dickey, Miss Maude Jacobs, Mr. M. L.
Jackson, Mr. Milton Waas, and Dr.
Boardman Reed.

The decision of the judges was in
favor of the affirmative, on both the
merits of the question and arguments
presented.

The regular business meeting of

On Wednesday evening Mrs.
Pascoe fell down the rear stairway of
Mrs. McClelland's residence, where she
is boarding, breaking her left arm near
the shoulder joint. As the lady is feeble
from age, and is suffering from a cancer
on her right side, the surgeon found a
very serious problem confronting him;
but did the best he could do to render
relief. The patient seemed to sink into
unconsciousness, and her recovery is
doubtful.

A Republican rally was held in
Union Hall last Friday evening. The
notice given was short, hence the hall
was not filled. Thos. C. Elvins, candi-
date for Assemblyman, presided and
made a brief address—a good one. The
speech of the evening was by Hon. J. J.
Gardner, who was at his best. He put
some old things to a new light, and
maintained that a Republican victory
in this county and state would be the
best endorsement of both the state and
national administrations, which have
brought general prosperity. Edw. S.
Lee, candidate for State Senator, was
expected, but was sick, confined to his
bed. Albert C. Stephany, candidate
for Coroner, not an orator, was also
introduced.

Special to Mothers.

Have you seen "Nazareth" Children? By Nazareth
children we mean those wearing the perfect fitting Naza-
reth waist. If you see them you will know them by their
free and easy movements. There is nothing to bind, and
still every article of clothing is firmly held in place.

In Summer they take the place of the undervest, and
in Winter are worn over the undervest, as a drawer-body.

There is a row of buttons around the waist, upon which
the other clothing is fastened. They do not stretch out of
shape, and yet give with every movement of the wearer.

Mothers who have had these waists for their children
speak very highly of them, and will buy no others.

They are for both boys and girls, and are made in sizes
from six months to twelve years, at the popular price of
twenty-five cts. If you have not used these waists, your

ELWOOD NOTES.

Captain George Smith, a former resident, surprised his friends by a flying visit to his native town, this week.

Rev. A. P. Bousford, of Woodbury, will occupy the pulpit of the Presbyterian Church to-morrow.

Mr. Robert Smith has returned from his trip to Buffalo and vicinity, accompanied by Chas. Wagner, of Atlantic. These gentlemen have been tramping through the woods, locating the game. They have the birds treed now, and will probably begin shooting next week.

Capt. A. L. Gardner and family are to move to Atlantic City.

Did you see the ghosts Wednesday night, up the County Road? We think some of them must have been Indian spirits, judging from the blood curdling whoops that rent the air.

Mrs. Helen U. Beckman has returned home, but her daughter has not yet arrived.

Our friends, Mr. William Stone and Mr. Harry Langham, are still in New Albany, Indiana. We would have been pleased to have had them present at the social gathering of young people on Monday evening, at the home of Miss Laura Bozarth.

All who are going to the social this evening, at Mr. Garwood's, please meet at Mr. Bennett's at 7.30.

A Shocking Calamity

"Lately befell a railroad laborer," writes Dr. A. Kellett, of Willford, Ark. "His foot was badly crushed, but Bucklin's India Balsam quickly cured him. It is simply wonderful for burns, boils, piles, and all skin eruptions. It's the world's champion healer. Cure guaranteed. 25 cents. Sold by Crowell.

To do easily what is difficult for others, is the mark of talent. To do what is impossible for talent, is the mark of genius.

He who has a thousand friends has not one to spare, and he who has one enemy shall meet him everywhere.

It is an exquisite sense that knows how to grow old gracefully and keep the heart young and fair.

Working Night and Day.

The busiest and mightiest little thing that ever was made is Dr. King's New Life Pills. These pills change weakness into strength, listlessness into energy, brain-fog into mental power. They are wonderful in building up health. Only 25 c. per box. Sold by Crowell.

Learn to stop brooding. If you can't see any good in the world, keep the bad to yourself.

The universal mark of manhood is manliness. Possessions and positions are mere accident of local conditions.

Steady, patient, persevering thinking will generally surmount every obstacle in the search of truth.

Jess Weather, of Logansport, Ind., is a poor man, but he says that he would not be without Chamberlain's Pain Balm if it cost five dollars a bottle, for it saved him from being a cripple. No external application is equal to this liniment for stiff and swollen joints, contracted muscles, stiff neck, sprains, and rheumatic and muscular pains. It has also cured numerous cases of partial paralysis. It is for sale by Crowell.

There are some people who always discover a mistake when it is too late to rectify it.

Incredulity robs us of many pleasures and gives us nothing in return.

Of course the boys had their fun on Thursday night, as we all expected. The usual programs of truant games, signs, and movable property generally, including the town road scraper, was carried out. Considering the movers, and the number of articles moved, not much damage was done. Probably it wasn't done purposely, but L. Moriort's fountain was broken. If the boys have it repaired, no questions will be asked. We'll get our gates sorted out soon, if we find 'em all.

John Sanford, a young man employed by the Electric Light Company, residing on First Road near Tenth St., was on Sunday afternoon engaged in removing tree stumps by the use of gun powder and dynamite. He had just charged a log, plugged it, and was about to fire it, when the head of a match flew into the powder, and in a second the explosion flashed into his face. He was taken to Dr. Crowell's office for treatment. He may lose the sight of one eye.

Stood Death Off.

E. B. Munday, a lawyer of Henrietta, Tex., once fooled a grave-digger. He says: "My brother was very low with malarial fever and jaundice. I persuaded him to try Electric Bitters, and he was soon much better, but continued their use until he was entirely cured. I am sure Electric Bitters saved his life." This remedy expels malaria, kills disease germs, and purifies the blood; aids digestion, regulates liver, kidneys, and bowels, cures constipation, dyspepsia, nervous diseases, kidney troubles, female complaints; gives perfect health. Only 50 c., at Crowell's Pharmacy.

A Certain Cure for Dysentery and Diarrhoea.

"Some years ago I was one of a party that intended making a long bicycle trip," says F. L. Taylor, of New Albany, Bradford County, Pa. "I was taken suddenly with diarrhoea, and was about to give up the trip, when Editor Ward, of the Laceyville 'Messenger,' suggested that I take a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I purchased a bottle and took two doses, one before starting and one on the route. I made the trip successfully and never felt any ill-effect. Again last summer I was almost completely run down with an attack of dysentery. I bought a bottle of this same remedy and this time one dose cured me." Sold by Crowell, druggist.
