## REPUBLICAN VICTORY IN EVERY NORTHERN STATE.

### AND TIDINGS OF GREAT JOY!

#### NEW HAMPSHIRE TO NEBRASKA.

##### That Was Done on Tuesday.

The Democrats were laid out, and the tide of Tuesday indicates that the tide of the Republican party is not yet ebbing. The general result is beyond the expectations of the most sanguine, and the assertion we made a week ago, that if we had had another month before election, the Republican party would have been non est. The more informed are becoming more enlightened as to the question of finance, and as they become informed, they become satisfied of the Greenback fallacy, and with it the folly; and the greatest portion of their party, and voted right. Intelligence and patriotism asserted their right to be masters, and gave a blow that sent its adversary reeling. Two years of the outrageous rule of the Democracy has satisfied the people that it is not a safe party to trust in power, and the result of Tuesday's work is a terrible rebuke for their misrule and labored attempt to undo the glorious work accomplished by the Republican party. In this the people have said—thus far can you go and no farther—you have been weighed again in the balance and found wanting. From every state except where red shirt clubs prevailed the exercise of the right of franchise, the Democracy has been routed, and the grand old party of liberty triumphed. In many of them, there have been great Republican gains, from New Hampshire to Nebraska.

New Jersey has been redeemed in part, having elected four of the seven Congressmen. Dr. Pugh in the 2nd district being defeated by a 1000 majority. This is the saddest reflection we have.

Robeson in the first district was elected by an overwhelming majority, some 2000. This is a grand vindication of Gen. Robeson who has been foul slandered and abused because he dared to his whole duty as a member of President Grant's Cabinet. It clearly indicates that the people of his constituency do not believe the slanderous tales his enemies have caused to be circulated. In many of them, there have been great Republican gains, from New Hampshire to Nebraska.

In Massachusetts Butler was crushed out, showing that no bully can by brute force and money, take the executive chair. Kearneyism, fraud, rascality, nor Butlerism can overcome the intelligence of such a people as those of the old Bay State. So Butler is out of his office and out of his money. "The fool with his money is soon parted." Connecticut threw off the yoke of Democratic thralldom, and gained two members of Congress, including the old patriot General Hawley, and secured a majority in the Legislature, and as there was no choice for Governor by the people, he was not again have a Republican U. S. Senator in the place of Barnum.

New York went Republican. Tammany was defeated, Roso Kelley abolished, and Cooper, the anti-Tammany candidate for Mayor, elected by a large majority. The South was gained five or six Congressmen, and the legislature will be Republican, ensuring Conkling's return to the U. S. Senate.

Pennsylvania is Republican by fifteen thousand majority, and the whole state ticket is elected. The result is the same through all the Northern States. The South, of course, went Democratic, for many of them no Republicans were allowed to vote. So much for President Hayes' lovely policy.

The result is glory enough for one day.

Dr. Pugh's Defeat. It is certainly to be regretted for several reasons, that Dr. Pugh is defeated. He is in every sense a man, and ably represented us in Congress, and it is humiliating to good men to think that the seat of such a man is to be occupied by Smith, the slouch of worse Dr. Pugh's shoes—he is not worthy to wear them, and we believe the people will have great reason to regret of electing him. But the die is cast, and we have to put up with it, no matter by what means such a result was brought about. We shall hope, however, in two years, to return Dr. Pugh to Congress by a sweeping majority.

It is rumored that a customer peddled himself ready to share on a fragment of the wreck of the Democratic ticket in Madison Co., N. J.

## THE BOARD OF CHARGES FOR ATLANTA

By virtue of a writ of habeas corpus, the Board of Charges for Atlanta, which was held at public session, on Saturday, November 9th, 1878.

When Senator Blaine spoke in the House, he said that he had traveled all over the country, and he had seen the "greenback" party in every Northern State. He said that he had seen the "greenback" party in every Northern State, and he had seen the "greenback" party in every Northern State.

The following quotation from the *Lord of the Flies* is a good illustration of the opinion which the foreign press holds of the Republican party. "The good sense of the American people has come to the rescue just in time to save the country from the consequences of party blundering and the immorality of professional politicians."

Of the result in this district it is difficult to speak with patience and serenity. The defeat of Dr. Pugh is regarded as a national calamity and a disgrace to the district. In every way he was to be preferred by patriotic and honest men to Mr. Smith, who proved himself unworthy of public confidence by the double-faced manner in which he conducted the canvass. He is also markedly inferior to Dr. Pugh, in all the essentials of a capable and efficient Representative. We deplore Dr. Pugh's defeat as a hurtful blow at upright and honest men, and the subordination of low intrigues to honorable candor in our political life. The lesson it teaches to young men is bad and demoralizing.

### IN THE COUNTY.

Never, since we have had to do with the politics of the County of Atlanta, have we seen things so strangely mixed, apparently, as during the late canvass, and never have we been more happily disappointed at the result. The election was very quiet, but both parties were doing their best. Hammondon did well, but our Republican majorities were not as large as usual. Pugh received 45 majority, and Jeffries received 45 majority, and Moore for Sheriff 33. The Republican ticket was successful in the County, Pugh's majority being 217, Jeffries, 314, and Moore for Sheriff 314. In Atlantic City Pugh had 53 majority, Quin 6 and Abbott 33. The Republican ticket was elected with the exception of one Democrat, John Doughty for council. This is a victory the Republicans of that place have reason to glory in. It keeps out a faction that was a detriment to its well being, and all good people will rejoice. John I. Bryant, the new Mayor, has a good opportunity to make a reputation as a good magistrate and he will do it. Had the Republicans worked for Dr. Pugh in other counties of the District as they did in this, he would have been elected. His majority here was sixty more than that of two years ago. His defeat is the only thing we have to regret.

HINTS TO ADVERTISERS.—When people send a man advertise they know he is a business man, and his advertising proclaims that he is not above business, but anxious to do it. Customers, like sheep, are gullible, and flock where they see others go. If nobody else were engaged in the same business, it would be important to tradesmen and dealers to advertise in the paper, because people are tempted to buy what they read of. But others are engaged in the same business, and even if they do not advertise, it becomes more important for you to do so, if they do advertise, it becomes doubly important.

Republicans, and all advocates of sound money cannot but feel to rejoice at the result of the recent elections. New Jersey, New York, Pennsylvania, Connecticut and New Hampshire have made great gains in the right cause, winning many Congressmen from the Democrats, as well as large majorities in their own legislatures. Massachusetts has proven the intelligence of her people by overthrowing Butler, and with him the Greenback and Kearney factions of that state. Illinois, Michigan, Wisconsin, Minnesota, Nebraska, Kansas and Colorado show the spirit of the West to be on the side of right. The Greenbackers have failed everywhere, and if they continue to fall off as rapidly, in a year or two there will be only a miserable remnant left.

We are reviewing the general results, and are surprised and throwing up our hands in amazement for our side, the side of right and liberty!

It is a good one on the Democratic lag, but redoubled the state for the purpose of obtaining permanent control of both the Senate and the Assembly, that on Tuesday last they lost both houses. Moral: Play a square game, even in politics.
