ENLISI

Your Dollars in Your Country's Service

U. S. Bonds, War Savings Stamps, and U.S. Thrift Stamps must be purchased by the people from money saved from their incomes - every dollar spent for an unnecessary thing is a force for evil. When that dollar buys labor and materials for equipping our army and navy it has a double force—first it ceases to aid the enemy and second it is fighting for us in the behalf of manhind. Be sure that your pennies, nickels, dimes, quarters and dollars are enlisted in the cause of your country. An idle dollar to a SLACKER dollar, but a dollar wasted in war time to a TRAITOR dollar.

Cán an Old Battery be Repaired?

That depends:

-on how old it in

on how well you've taken care of it

on how soon you let the Willard expert locate the typuble and correct the fault.

Nobody can repair a battery until he finds the treatie, and nobody can correct a big fault as easily as he can a little one.

If you suspect any little hat-tery troubles you'd better drive around and let us find them. Ask for the booklet "A Mark-with a Meaning for You."
