It seems as though some newspapers were over anxious to make conspicuous the fact that the death rate among the old soldiers is increasing. They are careful, however, not to mention one of the factors in the death rate—their treatment by this administration.

A U. S. judgeship is said to be the price of Chairman Wilson's agreement to put coal and iron ore on the free list. Crippling his home industries is not the best preliminary occupation for a judge.

G. C. to objecting Democrats: "Love me, love my tariff bill."

Gov. McKinley condensed a whole volume of political economy into a short sentence when he said: "The more there is to do, the better wages will be paid; the less there is to do, the less wages will be paid for what is done."

Mr. Cleveland may blame Gresham, and Gresham may blame Blount, but the people will put the blame where it properly belongs—on the shoulders of the President.

It isn't a bit consoling to the fellow who has to wear the hair off the top of his head trying to think how he can get the four or five tons of coal required to carry his household through the winter, to be told that the cruiser Columbia consumes 570 tons a day.

It now costs \$5 and one hour in jail to send a challenge to fight a duel, in Va. Reforms move slowly, but the time may come when even Virginia will be controlled by a majority of the legal voters within her borders.

Time will tell whether the stand taken against the pension policy of the administration, taken by Senators Voorhees and Turpie, is for Indiana consumption alone.

Will Powderly be able to play Samson to the temple of the Knights of Labor?

Gov. McKinley has been asked to make a protective tariff speech at Birmingham, Ala. It's not apparent however what benefit such a speech can be at this time. It does not require the eloquence of Gov. McKinley to tell the Alabamians that the future prosperity of their State is dependent upon a protective tariff; they know it, and knowing it still support a national free trade party.

It was the restraint of the Republican Senate which gained Mr. Cleveland the reputation for conservatism during his first term, which he has entirely lost before one-fifth of his second term has been served.

There is no reciprocity in the Cleveland tariff bill, unless putting coal on the free list so the Whitney syndicate may realize on their Newfoundland investments, may be so regarded by the parties directly interested.

ARE YOUR CHILDREN SUBJECT TO COUGHS? If so, you should never be without a bottle of Chamberlain's Cough Remedy. It is the sole reliance with thousands of mothers who have croupy children, and never disappoints them. There is no danger in giving this remedy in large and frequent doses, as it contains nothing injurious. 50-cent bottles for sale by A. W. Cochran, druggist.

THE BEST PLASTER.—Dampen a piece of flannel with Chamberlain's Pain Balm and bind it over the seat of pain. It is better than any plaster. When the lungs are sore such an application on the chest and another on the back, between the shoulder blades, will often prevent pneumonia. There is nothing so good for a lame back or a pain in the side. A sore throat can nearly always be cured in one night by applying a flannel bandage dampened with Pain Balm. 50 cent bottles for sale by Cochran, druggist.

PAINT! PAINT!

When you buy the Hammon
Paint, you do not buy seven-
eighths of a gallon for a gallon,
or three pints for a half-gallon;
nor do you get one of those
packages that weigh 12 to 14
pounds, and containing so much
alkali that it is impossible to
use it without thinning; but in
buying the Hammon you get
a full standard gallon of paint,
weighing 14 to 16 pounds to
the gallon, made from the best
materials known to the trade,
and costs the consumer from \$1
to \$1.50 per gallon for honest
paint.

If the purchaser doesn't want
honest paint, and wants to be
honest to himself, then be sure
to buy the Hammon Paint, and
the manufacturer will give a
receipt with every gallon sold
telling you how to make two
gallons of paint out of one of
the Hammon. It will cost
33 cents for the extra gallon.

One Dollar.

And then here comes Commercial
Paint, in 30 shades,—the best wearing
paint ever put on the market for so low
a price as \$1 per gallon, and guaranteed
to be a first-class wearing paint. If any
one should not want to pay so high a
price for a good exterior paint, then work
the 33 cent racket, and get two gallons
for \$1.33. Manufactured at
Hammon Paint Works.

SATURDAY, DEC. 2, 1893.

Mrs. H. H. H. says Cleveland's
election was accomplished by "a
combination of flukes, fads and frauds,"
which is largely true; but the people
are already disgruntled, disgusted, and
determined to make amends.

Neither Cleveland, Grover nor
Blount will ever enjoy hearing Hawaii
mentioned again.

The Earl of Warwick made kings for
an existing kingdom, but Cleveland
goes him one better, and offers to make
a queen for a delinquent kingdom.

Resignations are becoming epidemic
in European cabinets. This country
itself would feel grateful if the disease in
its worst form would strike the Cleveland
cabinet.

Mr. Radolph Coleman, of 323 South

tion and election of officers.

Will O. Hoyt ate Thanksgiving
dinner with his brother, Haddonfield.

Will M. Galbraith and family,
Haddonfield, were down on Thursday.

Miss Ethel Chambers, of Phila-
delphia, spent Thanksgiving at home—Folsom.

George A. and Thomas Elyria
were home from school for Thanksgiving.

REMOVAL.—Miss Jennie Whitmore desires
to remove her store from its present location
to the new building at No. 100 North Third St.

Born, on Tuesday, Nov. 7th,
1893, to Dr. Jas. H. Darby and wife,
a son.

Read the Union advertisement
carefully. There's a good deal in it
this week.

John Banhardt and Elizabeth
Blazer, of Folsom, were married on
Thanksgiving-day.

Mrs. Bradbury entertained her
mother and sister, Mrs. and Miss
Adams, from Massachusetts.

Foot-ball game this afternoon,
between the Haddonfield eleven and our
H. A. A., at the school-house.

GINGER.—A good singer sewing machine
is for sale. Inquire at Post-Office.

Our doctors say, "They
have a leg and arm, and a good deal of
profitable foot-ball; then fear would be
injured."

The town ought to buy that plot
of ground near the school-house, and
hold it for athletic games. This is
the only suitable place now unoccupied.

Loan Associations next week.
Workings on Monday evening, in
the hall over Black's; the Hammon
on Thursday evening, in the Council
room.

It gives business men and others
a comfortable feeling, to know that a
trustworthy man (Jas. H. Gaston), is
patrolling the business section of town
all night, every night.

During the foot-ball game, on
Thursday, Chester Crowell's jaw bone
was broken by a "head-on" collision
with another player. He will "take
milk in his" for some time.

Town Council should make our
watchman a member of the police force;
and there would be no complaint if they
added a trifle (say two dollars per week)
to his very moderate pay.

Why should anyone go to the
city to buy Christmas presents, when
we have a "Fruit Growers' Union
Store," with its endless assortment
of all sorts of desirable things.

New exercises.—A new series of songs (the
No. 20th) will be offered by the Hammon
Loan and Building Association, at the
next meeting, Thursday evening, Dec. 2nd.
Shares may be taken at any time, of
W. B. TILTON, Secretary.

Will Elyria and John Butters
were the lucky ones among a hunting
party of eight or ten Hammonians,
on Wednesday,—each killing a deer.
They were down in the neighborhood
of Weymouth.

THE HARVEST FEAST.

There is Easter, the day of the life,
And May-day, the wild-dove's pride,
And Christmas, the day of the holy,
And many other feasts;
And all of these days are beautiful,
And all of these days are sweet,
And all of these days are great,
From the depths of our hearts we greet
But none of these days are fairer
As they tread the Year's weighty train
Than the Feast of the gathered Harvest,
Than the day of the Golden Grain.

No guests have a gladder welcome
Than those who have come to share
In the feast of the Year's Harvest;
For the bounties and countless care,
No festival more is fairer.

Than the song that with praise rings,
So hallow to the Feast of the Harvest,
And hallow to the Feast of the Year,
Than the day of the Golden Grain.

Regular monthly meeting of the
Town Council last Saturday evening,
Nov. 25th. All members present.

Commissioners of Appeal in cases of
taxation presented their report, show-
ing a reduction of \$78.57, for various
reasons.

Road-Committee reported Third St.
improvements, ordered at last meeting,
partially completed. Work near the
Park not yet begun.

Town Clerk instructed to notify the
Overseer to work the 200 yards of road
between Shonacker's and Fifteenth St.,
Roadside.

Road-Committee reported in favor of
granting Rocco Rupertone permission
to fill in his dam with dirt from Pleasant
Mills Road, as the road would thus
be improved. Granted.

Light-Committee reported having set
stakes for new lamps on Central and
Hammon Avenues, and has been
unanimously re-elected every year since
that time. He was one of the organ-
izers of the "People's Bank," and is its
Vice-President. Mr. Jackson has been
and is a staunch Republican, evincing
his devotion to the principles of his
party by personal work and liberal
contributions. There is no question as
to his ability to worthily fill the office of
State Treasurer, and we sincerely hope
he will be elected.

Thursday was a day for which one
might well give thanks. The sun shone
brilliantly, and the temperature was as
mild as spring. The union service was
well attended.—Pastors Eldridge and
Wags in the pulpit,—the former giving
an able sermon from the text: "Thanks
be to God for his unspeakable gift." Among
the gifts for which we should thank
God were our geographical location—
separated from other nations by
oceans on the east and west, a cold zone
on the north, the gulf and a narrow
strip of land on the south; for a peace-
ful settlement of the Behring Sea dis-
pute; for unbroken peace within our
borders; for abundant harvests of all
things essential; for the abolition of
County Excise Boards, and the people's
verdict against race-tracks and legalized
gambling.

A FAVORITE IN KENTUCKY.—Mr. W.
M. Terry, who has been in the drug busi-
ness at Elkton, Ky., for the past twelve
years, says: "Chamberlain's Cough
Remedy gives better satisfaction than
any other cough remedy I have ever
sold." There is good reason for this. No
other will cure a cold so quickly; no
other is so certain a preventive and cure
for croup; no other affords so much
relief in cases of whooping cough. For
sale by Cochran, the druggist.

WHAT IS THE DIFFERENCE?
Between the Compound
Oxygen Treatment of Dis-
eases and that by the use
of Drugs? It is an important
one.
Drugs are taken into the
stomach. For this reason
their action is not direct.
Compound Oxygen is taken
into the lungs, and, there-
fore, comes immediately into
contact with and is absorbed
into the blood.
Drugs, being generally
poisons, act by causing a
disturbance in the body.
Compound Oxygen, being
composed of the elements
of the air, and acting upon
the blood, is not open to this
objection.
But, however it may act,
it has certainly cured many
cases of chronic disease,
in which drugs have failed.
This is the point
of greatest interest to all
chronic sufferers. To all
such we say:

pound Oxygen is, how it
acts, and, above all, what it
has accomplished.

YOUR FUTURE

IS IN YOUR OWN HAND.
Palmaristry assumes to tell what the lines in your hand indicate. It will amuse you, if nothing more. The above diagram almost explains itself. The length of the LINE OF LIFE indicates probable age to which you will live. Each BRACELET gives you thirty years. Well-marked LINE OF FORTUNE denotes brain power; clear LINE OF HEART denotes peace of mind; the combined mean success in life; but you must keep up with modern ideas to win it. You will find plenty of these in Demorest's Family Magazine, so attractively presented that every member of the family is entertained. It is a dozen magazines in one. A CLEAR LINE OF HEART bespeaks tenderness; a straight LINE OF FATE, peaceful life; the reverse if crooked. A well-defined LINE OF HEALTH spurs you to do better; so will the health hints in Demorest's. No other magazine publishes so many articles to interest the home circle. You will be subject to extremes of high spirits or despondency if you have the GIRDLE OF VENUS well marked. Keep up your spirit by having Demorest's Magazine to read. By subscribing to it for 1904 you will receive a series of exquisite works of art of great value, besides the superb premium picture, 17x22 inches. "I'm a Daisy" which is almost a real baby, and equal to the original oil painting which cost \$300; and you will have a magazine that cannot be equaled by any other. The beautiful illustrations and subject matter, that will keep you posted on all the topics of the day, and all the facts, and different items of interest about the household, besides furnishing interesting reading matter, both grave and gay, for the whole family; and while Demorest's is not a fashion magazine, its fashion pages are perfect, and you get with it, free of cost, all the patterns you wish to use during the year, and in any size you choose. Send in your subscription at once, only \$2.00, and you will really get over \$20.00 in value. Address the publisher, W. Jennings Demorest, 25 East 14th St., New York. If you are unacquainted with the Magazine, send for a specimen copy. A large QUAD-RANGLE means honesty; a large TRIANGLE, generosity; long FIRST DIVISION OF THUMB, strong will; LONG SECOND DIVISION, reasoning faculty; THE MOUNT OF JUPITER begets ambition; that of SATURN, prudence; the SUN, love of splendor; MOON, courage; MOON, imagination; VENUS, love of pleasure and MERCURY, intelligence. Take our advice as above and you will be sure to possess the last and most valuable quality.

The Superb Market Reports
of the N. Y. TRIBUNE are now positively the best
printed by any newspaper in New York City. The
Tribune is the only newspaper in New York which
sends men personally into every market for the price
every day of the business week to obtain actual prices
and the state of trade. Other papers make up quotations
largely from circulars. Commercial travelers
say unanimously that the Tribune's Market reports
are the best. The Tribune beats all rivals in the
accuracy and wonderful completeness of its quotations.
To be successful, a practical and level-headed man
must keep fully informed as to prices and the state of
trade. This can be done by taking the Tribune.
Illustrations
of the news of the day are freely used in the Tribune.
The paper has its own corps of artists in New York and
graving plant. It contains features for the ladies and
children; foreign letters and book reviews; and many
special features.
No Matter Whether
you agree with the N. Y. Tribune or not, in its sen-
timents, can you afford not to read its dollar Weekly,
regularly, while a reactionary party is in power, and
during
These Times of Change?
The N. Y. TRIBUNE is the ablest, most aggressive,
and soundest advocate of Republican policy. What
the Republican party intends can be learned from the
N. Y. Tribune. The Tribune's motto is the truth and
only the truth. The articles of Roosevelt G. Horr, on
the Tariff, Currency, Wages, etc., will be continued.
Remember!
The N. Y. Tribune is the cleanest, purest, and safest
of newspapers for your family. Does a weekly news-
paper which invades the home with immorality, sen-
sation, and falsehood, receive your sanction? The
broad columns and large print of the Tribune make
it the easiest paper to read.
The Tribune has the largest circulation of any
weekly in the United States, issued from the office of
a daily. We have challenged the country for a year,
with no takers.
