several applicants for the Cottage were already in the field.

To be brief, we agreed to take it; and on a scotching day in July, our party—tonsisting of two maid-servants, my husband, and mysall, and or pouls little maiden of three-years old—started from Padding—ton Station or route for Exeter, where we wint to branch a most precious little maiden of three-years old—started from Padding—ton Station or route for Exeter, where we wint to branch a most precious little maiden of three-years old—started from Padding—ton Station or route for Exeter, where we wint to branch of for our final destination, Morleigh Cottage. The Pont had promised that we should find everything as comfortable as he could find our only plane.

How far is the Cottage from

Cottage.

That very morning, we nad arranged life!

On the 8th movements of the body were for us? my to drive to rather a distant spot to get. Another twist in the road hid as moon the 8th movements of the body were for is and velvet on a group of the body were for is and velvet on a group of the body were for is and velvet on a group of the body were for is and velvet on a group of the body were for its and velvet on a group of the body were for its and velvet on a group of the body were for its and velvet on a group of the body were for the bod

everything as comfortable as he could possibly arrange; and as sundry hampers had preceded us, I had no fears as to settling down cosily as soon as we should arrive.

The follower to Evelor by an allowed that the possible is to shake it off, but only partly succeed:

I ventured to glance behind. Nothing was visible; but every moment was precious we must reach the pony trap and constantly that Jack had promised to return in a day or two.

I ack had just become a line of the policy of the

pers had proceeded us. I had no fears as you not console me by reminding me to settling down cosily as soon as we amount agriculture.

The fourney to Exeter by an express train was by no means tedious; we rather enjoyed it. As our branch train slowly steamed, into the wasyide station, we seemed to be the only passent gers who wished to alight; and presently we found ourselves, with the exception of a colitary porter, the sole occupants of the platform. At one end of it lays goodly pile of our luggage, which the said porter had in a very leisurely manner extracted from the yun.

The pony-trap was to meet us; and as the first the converted and the platform. At one end of it lays goodly pile of our luggage, which the said porter had in a very leisurely manner extracted from the yun.

The pony-trap was to meet us; and as the very leisurely manner extracted from the yun.

The pony-trap was to meet us; and as the first the convertion, they often as to long to make the pony trap was to meet us; and as the first the convertion, they often is the pony trap was to meet us; and as the first the proposition of the first the proposition of the proposition of the first the proposition of the platform. At one end of it lays goodly pile of our luggage, which the said porter had in a very leisurely manner extracted from the yun.

To our Beaders: We cannot too

attongly arge upon our readers the ne-cessity of subscribing for a family weekly newspaper of the first class—such, for nstance, as The Independent of New York, It is a newspaper, magazine, and, review, all in one. It is a religious, lite. rary, an educational, a story, an ark a scientific, an agricultural, a figurbial, and a political paper combined. It has 38 folio pages, and 22 departments. No matter what a person's religion, politics, or profession may be, no matter what the age, sex, employment or condition may be, The Independent will prove a help, an instructor, an educator. Our readers can do no less than to send a postal for a free specimen copy, or for thirty cents the paper will be sent a month, enabling one to judge of its merits more critically. Its yearly subscription is \$3, or two years for \$5. Address The Independent, 251 Broadway, New York City.

Indications point to the election of John A. Logan president protem of the

The Mormons threaten bloodshed unless the prosecution of the Edmunda law is abandoned entirely. It will be observed that the whole Mormon crowd are determined to break into jail.

The Republican U.S. Senate has been called upon to show its magnanimity by electing a Democratic president. That might be done, but the Senators have been vainly looking into Democratic hisstory for a precedent, and scarcely feel called upon to make the sacrifice.

COAI COAL.

All wanting the best quality of Lehigh Coal can find it at Scullin's coal yard en Egy Harbor road, near Bernshouse'. from the cars into the yard, and will be sold in five ton lots at the same rate as car-load lots from other yards. Having a good plank floor to shovel from, in-stead of the inconvenience of shoveling from the cars, is really worth ten cents a ton to every purchaser.
All coal will be sold strictly for cash

Office at Anderson's teed store. JOHN SCULLIN,

THE INDEPENDENT

The Largest, the Ablest, the Best Religious & Literary Weekly

The most infinential religious organ in the States,—Spectator, London, Eng.

The independent is one of the best repers in the world. Its good spins live many and striking. They have only to be structed by any of the fity-ten dense of the year. Any number will show that its contents are marked by

ABLITTY ARIEST, and INTEREST.—The great thinkes, the freest story without the great poets, men ABBLITY, YABLETY, and INTEREST.—The great hunkers his great above withan, the great poets, men of the highest regulation in all departments of human knowledge, make up its list of contributors. Religion philosophy science, literature, art, travels, discoveries, stories, and all conceivable topics are embraced in the requirement, and everybedy, old of young, learned of us learned, whiten the great to sex, employment, or condition, will find sometting of interest in every issue.

Compronensiveness.—It is a religious, a literary, an educational, a story, an art, a scientific, an agricultural, a financial, and a political paper complained.

Ained.

BRRADTH, OANDOR, PARKESTNESS.—The Insequence is tied to no denomination; it is the organ of no clique or party in State or Church. It is free to discuss all questions, and to speak its mind candidly. If is not swerred by fear or favor. It is a vigorous defonder of the Eyangelical faith, it preaches practical rightcomess, cannestly supports all moral reforms. All its columns—the advertising as well as the reading—are free from everything of doubtful or objectionable character. No matter what a person's religion, politics, or forfession may be, if he desires to keep up with the times, and know what the brightest minds are thinking of, the shlest regas are writing—about, and what the world at large in Soling.—he should read the Independent.

Terms to Subscribers.

52 Dividends During the Year Every intolligent family needs a good newspaper. It is a necessity for parents and children. A good ray to make the acquaintance of The Indeendent is to send 30 cents for a Trial Trip? of one

Specimen Copies Free.

No papers are sent to subscribers after the time paid for me expired.

The independent's Globbing List will be sent free to any person saking for it. Any one wishing to subscribe for one or more papers or magnature, in connecting the line independent, can save money by ordering from our Club List. Address The Independent, 2787. New York Chy.

the ima, nor in the circumstances, when the time, nor in the circumstances, when they would have given use extreme pleasure.

It is always good to know, if only in passing, a charming human being; it refreshes one like flowers and woods and clear brooks.

How few recultz that the stratas of two and hate lies colose together that it takes but little to bring the latter uppermost, when under the pressure of unkindness or injustice.

The despised of some people are the looked, up to others. Were it not so, the little enes of the earth would not be able to hold up their needs under the contumely of the great onces.

And when we are in advarsity we are ready to think that our mountain will never be brought low, so when we are in advarsity we are ready to think that our mountain. There are some truths in regard to which we are not warranted to ask the hold warranted to

Divine perfections, so love must be not one element in a minister of Christ, but one element in a minister of Christ, but the very soil and life of his work.

If we would have powerful minds, we must think; if we would have strong must be, we must think; if we would have strong must be, we must think; if we would have strong muscles, we must abor. These findled all that is valuable in life.

It is easy in the world to live after your own; but the great man is no the crowd, keeps with perfect sweetness the independence of solitude.

The trotting dates claimed so fire next year are Albany, N. Y., August 26 to 20; the crowd, keeps with perfect sweetness the independence of solitude.

The has such, had conditions to us sinners, that every genial endowment, love, hope, joy, sprightliness, benevolence, must sometimes he cut thou the crowdence of solitude.

The segretary of the conditions to us sinners, that every genial endowment, love, hope, joy, sprightliness, benevolence, must sometimes he cut thou the crowdence of the corner of the crowdence of the corner of the crowdence of the crowdence of solitude.

The segretary of the time fine weather the two-thirds of the time fine weather. The air is so clear the life of this work.

The most are about two-thirds of the time fine weather the two-thirds of the time fine weather. The air is so clear the late of the date of the Beneard Corner while he was there. The air is so clear the late of the date of the Greenwich had a subject to the fine of the Greenwich had was a point of the Greenwich had a subject to the first of the strong the world to live after the world to the crowd the world to live after the world to live a

poor rund. It has a population of three that time owned. He was probably raising a substantial foundation of time notices of horses in Egypt were the only horse in any country or of any raising a substantial foundation of time notices of horses in Egypt were the only horse in any country hon-stone several feet above the ground. It is unquestionably of great imports over his grave. It is unquestiouably of great importance that enquiring sinners should take some open and positive step in the line of a Christian life, and should be encouraged in so doing; but atways with title feeling that one step requires that

around her child, and whose heart is sore till she can make her child see the love which is her glory.

We smile at the Ignorance of the saverage who cut down the tree in order to reach the fruits; but the fact is that a plunder of this description is made by every person who is over-eager and impattent in the pursuit of pleasure.

Other is described and whose heart is gelding. Charlie Kendrick was sending to carrie to the discovery warm. The Czar and two eggs; three and one-quarter pounds flour; one the sappointul soda dissolved in hot water; four tablespoonfuls carried the flour. Colonel Snowden and Harry Johnson were together behind a bay and a sorrel. The Colonel snowden and Harry Johnson were together behind a bay and a sorrel. The Colonel snowden and Harry Johnson were together behind a bay and a sorrel. dr. John Bull's FOR THE CURE OF

FEVER and ACUE Or CHILLS and FEVER. AND ALL MALARIAL DISEASES.

The proprietor of this celebrated medi-cine justly claims for it a superiority over all remedies ever offered to the public for the SAFE, CERTAIN, SPEEDY and PEEthe SAFR, CERTAIN, SPERDY and FER-MANENT cure of Ague and Fever, or Chills and Fever, whether of short or long stand-ing. He refers to the entire Western and Southern country to bear him testimony to the truth of the assertion that in no case whatever will it fall to cure if the direc-tions are strictly followed and carried out. In a great-many cases a single dose has been sufficient for a cure, and whole familes have been sured by a single bottle, with been sufficient for a cure, and whole fami-fies have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every case more certain to cure, if its use is continued in smaller doses for a week or two after the disease has been checked, more especially. In difficult and long-standing cases. Usu-ally this medicine will not require any aid to keep the bowels in good order. Should the ratient, however, require a cathartic the patient, however, require a cathartic medicine, after having taken three or four does of the Tonic, a single dose of BULL'S YEGETABLE FAMILY FILLS will be suf-

ficient.

PULL'S SARSAPARILLA is the old and reliable remedy for impurities of the blood and Ecrofulous affections.
