## THE ANSWER!!!

Council has decided that it will not publish the 1921 budget in the "Star." We knew we faced the loss of Council printing when we dared speak the truth, but had a faint hope—a very faint one—that there might be four out of seven members who would not resort to the unjust, un-American weapon of the boycott. We were entirely too optimistic, it appears.

**TYPEWRITER RIBBONS**

You can get ribbons for various makes of typewriters, such as Oliver, Underwood, Smith-Premier, at the "Star" office at 15 cents each.

We wanted a square deal. No reply! That is the situation at date in the matter at issue between the Mayor and ten former officials. Because we felt the Mayor's charge was wrong—in part at least—we took the stand we did.

**HAMMONTON HIGH GIRLS PLAY BASKETBALL**

The husky girl students of Mount Holly High School defeated the girls of Hammon High in an interesting basketball game, in which the male students from both institutions of learning did their utmost, as partisan fans, to bring victory home to their alma mater. But the Mount Hollyites copped the game, 16 to 7, despite the frantic appeals of the Hammonites.

The line up:  
For Mount Holly—Elizabeth Royal, forward; Roberta Oliver, forward; C. Long, center; G. Budd, side center; R. Levery, guard; M. McLaughlin, guard.

For Hammon High—Helen House, forward; Rebecca French, forward; Fannie Montgomery, center; B. Westcott, side center; Francis Fabrizio, guard; guard; guard.

Mary Smith substituted for Saxton; Alice Kind for Westcott.  
Field goals—French 1; House 1; Royal 1; Oliver 1; Thomas 3. Fouls—House 2; French 1.  
Referee, Miss M. Smith; scorer, Charles Cunningham.

**MAY HAVE BANDITS IN TOLLS**

It is understood here that the Camden County authorities, acting in a quiet manner, have gathered in a number of persons suspected of having taken part in a number of robberies just over the county line; in fact, been engaged in several at this place. Much secrecy surrounds the affair, but rumor has it that one or more of the suspects reside in Hammon.

It is generally supposed that the arrests relate to the robbery and shooting at the Circle farm, about ten days ago, when a farmer named Circolo, hearing his dog bark and the shot fired at him, engaged in the fight. He was greeted with a load of shot in his hand. All of his poultry was slain. It is believed that some of the persons engaged in that expedition are identical with those engaged in the same, and attempts at hold-ups, reported in this section recently.

**INQUIRE IN RE-SERVICE MEN'S RECEIPTS**

A committee of the American Legion will soon call upon Council regarding a sum of money collected almost two years ago for the purpose of giving returned soldiers a reception. The money, in the amount of \$350, was never used for that purpose, and the committee will endeavor to have the money made of the money. Plans of the Soldiers' Memorial Committee call for the use of the money for the day the monument is dedicated, but that plan is only tentative.

**AMERICAN LEGION OFFICERS**  
The full complement of officers for Frederick A. Funston Post, No. 186, American Legion, has been chosen, and is as follows: Commander, James W. Cottrell; Vice Commander, Raymond L. Howard; Treasurer, Homer Saxton; Assistant Adjutant, Gervy V. Patton; Finance Officer, Clifford J. Wana; Insurance Officer, William B. Phillips; Chaplain, J. Joseph Heck Jr.

**IT'S JUST AND PROPER**  
We trust that steps will be taken to issue a financial report by the Board of Education. Taxpayers have had no printed report for several years. It is due them to have the same. Continued failure to issue a report of expenditures leaves an opportunity for error in the future. Let the public know how their money is spent.

**REPUBLICAN WOMEN ORGANIZE**

About thirty women of this place met this Wednesday in the Eagle Theatre and organized the "Women's Republican Club of Hammon." Mrs. Alexander Brown acted as temporary chairman of the meeting, which later elected the following officers of the permanent organization: President, Mrs. H. O. Packard; Vice President, Mrs. G. L. McIntyre; Secretary, Mrs. W. W. Mayberry; Treasurer, Mrs. S. Goforth; Mrs. Ingorsoll, wife of Judge Robert Ingorsoll, who was to have addressed the meeting, was unable to be present because of illness.

**HELP LEGION BOYS**  
Frederick A. Funston Post, No. 186, American Legion, of this place, promises a high-class vaudeville show here on February 16, in the Eagle Theatre.

Cheer—To a quick buyer, good used Ford touring car, Dodge touring and delivery van, Buick, Packard, Roadster, opposite Reading depot.

**SEE, IT WAS SOME MEETING!**

"Hello, 'Star,' there's an honest-to-goodness story going to waste here, but, holler bright, I can't give it to you. 'S. O. S.' 'S. O. S.' 'S. O. S.'"

Thus ends what promised to be a good story, one about the new voters of Hammon. The "Star" reporter is of the masculine gender, and it is hard for one of the sterner sex—"sterner," oh, boy—to get the details, but it is said that there were some fireworks at the organization meeting of the Women's Republican Club here yesterday.

At least one of the new voters went home in a great huff, and the ladies are discussing the event with great gusto, except when the men folks approach, when the subject is changed. But one of the dear ladies has promised to tell her hubby all about it, and the boys are waiting for the details.

In the meantime, numerous and varied are the reports circulating, and local political wits are of the opinion that the school are grinning, and the local reporter, good for murder stories, a real crap, or a red-hot argument with those desiring the same is helpless as a child, because the new voters wear skirts, not shirts.

**FIRE CHIEF PHILLIPS' REPORT**

In the final report of Fire Chief Henry M. Phillips, whom the local firemen desired to reelect by council, it was shown that there were forty-eight alarms of fire during the year 1920, of which twenty were fires requiring the active work of the firemen. The losses totaled \$11,750, with insurance of about \$3000.

**DIG FIRE**

Fire of unknown origin Tuesday destroyed five properties at Minotola, causing a loss of \$20,000. The fighting force from a glass plant did excellent work in preventing the flames from spreading to other properties. The firemen lost all their possessions during the sweep of the flames.

**CHAMBER OF COMMERCE MEETS**

Tuesday night's session of the Hammon Chamber of Commerce proved to be an interesting occasion, everything seeming to come the way of that body.

J. Louis O'Donnell, chairman of the Municipal Improvement Committee, reported that council has acted favorably upon the request of the Chamber of Commerce that council take action to have a systematic numbering of properties here and there the intersection of leading thoroughfares improved with street signs. The Chamber voted thanks to council for its action in including \$700 in the budget for the above purpose.

Chairman O'Donnell also reported that starting with yesterday the Pennsylvania Railroad has given Hammon improved train service, stopping the four o'clock southbound express from Philadelphia at this place at 4:38 P. M. While no effort had been made to get this particular train, yet several committees in the past have made efforts to induce the Pennsylvania officials to give Hammon further consideration along these lines.

The Chamber voted to send a letter of thanks to A. G. Mitchell, superintendent of the Atlantic Division of the Pennsylvania Railroad for remembering this town when the opportunity presented itself.

The Chamber voted to have a dinner and entertainment on the evening of March 4, and efforts are now being made to secure several speakers of note for the occasion. The committee will also secure music and other entertainment features, and it is expected that the occasion will be a most enjoyable one. Each member will be given an additional invitation that he may be able to bring a friend. The affair will be held under the management of the Entertainment and Hospitality Committee, of which O. C. Rodgers and Thos. B. Deiker are the respective chairmen.

**WHO IS THE "BOOZE KING?"**

For months past there have been many indications that liquor was being sold here in liberal amount. One or two places have been frequently mentioned as disposing of the same, but the identity of the person who has been bringing the "hooch" into town has not been made public.

Since publication has been made of the arrest of a man near Camden as being the head of a booze ring, and that many aides of his were working in towns in this section of the State, it has been developed that a man well known throughout this town is under suspicion of being the local head of a most profitable branch of the big men's game.

**TOWN TO SELL LAND**  
For years Council has been in the  
habit of leasing a number of plots of  
ground here at nominal sums. This  
year there were three applicants for  
one parcel, a portion of the Eleventh  
street gravel pit. Council was in a  
quandary, but one of its members, a  
lad who has made many thousands in  
real estate deals, computed the poor  
returns the town was getting, figured  
that it was barely half of the interest  
would be on a tract of that size and  
kind, and finally it was decided not to  
lease the land any longer, but to sell  
it at public sale. It is expected that  
the municipality will get as much  
taxes as it did lease money from the  
owner to be, and will have a neat sum  
in the treasury with which to reduce  
taxes at a later period. This plan  
may be followed with one or more  
other parcels of land owned by the  
town of Hammoncton.

**ANNUAL SCHOOL MEETING**  
Interest is already being shown as  
to the outcome of the annual school  
meeting to be held here on Tuesday,  
February 8, when successors will be  
elected to three members of the Ham-  
moncton Board of Education, whose  
terms expire this spring. Those whose  
terms expire are Mrs. H. O. Packard,  
Mrs. S. C. Loveland and Albert Jack-  
son.

Mr. Jackson is practically certain  
of re-election, but there are rumors  
current that a couple of more males  
will put up a hard fight and down the  
ladies. Both of these lady members  
are valuable assets to the Board and  
it is felt that it would be a mistake  
to replace them with new material of  
the masculine persuasion.

Mrs. Packard is the wife of H. Otis  
Packard, a successful poultry grower  
and a man who takes a keen interest  
in the life of the community. The lady  
herself is a member of the Atlantic  
County Republican Executive Commit-  
tee, and did excellent work here in  
war-relief movements during the mem-  
orable days of 1917 and 1918.

Mrs. Loveland is the wife of Cap-  
tain S. Crowley Loveland, a man who  
has traveled the world over many  
times as captain of his own and other  
ships. He is also connected with the  
Department of Motor Vehicles as an  
inspector. Mrs. Loveland did mem-  
orable work in the Liberty Loan cam-  
paign, and is one of the best-known  
and most-liked women of the com-  
munity.

## NOTICE TO CITIZENS!

To all citizens of Hammonton and particularly to those directly interested in the Hammonton Public Schools.  
Quite frequently is heard the remark, that "If the Board of Education would not admit pupils from 'Out of Town' or other Districts, there would be no need for more school room, in the Central Section."  
While no concrete proposition for more school room will be submitted at the coming Annual Meeting, yet the Board of Education feels that a careful study of the following table of enrollment, and of pupils coming from 'Out of Town' or 'Other Districts,' will reveal to any fair minded person the fact that more school room is needed, not for the "Other District" pupils, but for the pupils in our very midst.

Pleads for Europe's Helpless Children

"They are no more my children than yours," is Herbert Hoover's homely yet eloquent plea for 3,500,000 European children who face incredible tragedy this winter unless America comes to their rescue. The funds by which American aid has been feeding millions have run out, and that the work may not stop and thus precipitate what would amount to "a massacre of the innocents" seven other great American relief organizations have united with Mr. Hoover's organization under the name of the European Relief Council in a joint appeal for funds. The collaborating agencies are the American Red Cross, the American Friends Service Committee (Quakers), the Jewish Joint Distribution Committee, the Federal Churches of Christ in America, the Knights of Columbus, the Y. M. C. A. and the Y. W. C. A.

**LAUNCH VAST EFFORT FOR EUROPE'S YOUNG**

Eight American Relief Agencies Combine to Save 3,500,000 Children Death Menaces

Eight great relief organizations, working among and for every race and creed, have united under the name of the European Relief Council to coordinate child relief in Europe this winter. The Council will seek to provide funds for 3,500,000 starving and diseased children in Eastern and Central Europe and to administer this relief economically.

It consists of Herbert Hoover, chairman, and Franklin K. Lane, treasurer; Edgar Rickard, representing the American Relief Administration; Dr. Livingston Farrand, representing the American Red Cross; Felix Warburg, representing the Jewish Joint Distribution Committee; Wilbur K. Thomas, representing the American Friends Service Committee (Quakers); James A. Flaherty, representing the Knights of Columbus; Dr. G. V. Hubbard, representing the Young Men's Christian Association; Miss Sarah S. Lyon, representing the Young Women's Christian Association; Dr. Arthur Brown, representing the Federal Council of Churches of Christ in America.

It is the purpose of the Council to raise \$25,000,000, in an appeal centering at the Christmas holidays, to the end that the desperate situation regarding child life may be met. In every town and community of the nation, it is planned, local committees, representing all the co-operating agencies will be formed to secure the vitally necessary funds. Of the amount sought, \$23,000,000 will be used for basic food and \$2,000,000 for medical service.

For every one of these American dollars the local governments and communities aided will furnish two dollars, in the form of transportation, labor, guards, clerical help, cash contributions and such food supplies as are locally obtainable. No children receive the free food except after medical tests showing them to be seriously undernourished. The remaining \$2,000,000 of the fund is just as urgently needed for medical service to the children.

The European Relief Council will do much more than effect economies in the raising of the child saving fund. It will, with the inspecting forces of eight great agencies, keep a constant eye on the administration of America's merciful gift, in order that there shall be no wastage and no tendency toward pauperization.

"This is the largest co-operative benevolent organization ever attempted in the United States," Mr. Hoover says. "The organizations represented have come to the unanimous, though independently formed conclusion, that nothing but prompt and united action by the whole American people can avert this terrible tragedy for the helpless children involved. The organizations forming the Council will organize their representatives in every town and community of the nation for the raising of the necessary funds."

### American Committee for CHINA FAMINE FUND FROM PRESIDENT WILSON'S PROCLAMATION:

famine, alarming in its proportions, today holds in its grip several important provinces in China. The crisis is complete, and the present distress, which is great, is likely, before winter has run its course, to become appalling. In fact our diplomatic and consular agencies in China inform me that the loss resulting from death in distressing form may run into millions of souls. It is certain that the local government and established agencies of relief are unable to cope with the magnitude of the disaster which faces them. \*\*\* Therefore not only in the name of humanity but in that of the friendliness which we feel for a great people in distress, I venture to ask that our citizens shall, even though the task of giving is not today a light one, respond as they can to this distant but appealing cry for help.

#### HEADQUARTERS: BIBLE HOUSE, NEW YORK CITY THE FAMINE IN CHINA

**AREA**—The five northern provinces, Chili, Shensi, Shanxi, Honan and Shantung, are all affected. The actual famine zone covers 100,000 square miles with a population of 45,000,000 Chinese, caused nearly one and one-half years of continuous drought, during which the normal rainfall has decreased from 26 inches a year to less than 3 inches.

**NUMBERS**—45,000,000 Chinese are directly affected; 15,000,000 are facing immediate starvation and will die without our help; 10,000 are already dying daily.

**WHAT IT MEANS TO CHINA**—The famine, unless halted by American relief, means the break-up of civilization in North China; in fact the complete collapse of a vast region commercially, economically and morally, which is certain to persist for a generation to come.

**WHAT IT MEANS TO AMERICA**—An opportunity to help a friendly nation in distress, to strengthen existing ties, to expand our trade and to have the consciousness that we have saved the lives of 15,000,000 human beings who would have died without our help.

**THE NEED**—To feed, and save lives:

- 3c. will save one life one day
- \$1 will save one life one month
- \$5 will save one family one month

**HOW TO GIVE**—If the American Committee for China Fund has no representative in your community, give your contribution to your bank, your church or send it to Vernon Munroe, Treasurer China Famine Fund, Bible House, New York City.

**HOW FUNDS ARE DISTRIBUTED**—All funds collected by the American Committee are transmitted to the International Famine Relief Committee at Peking. This committee acts as a clearing house for the five regional committees in the famine area; the Peking Committee (including the Red Cross), the Hankow, Tientsin, Honan, and Shantung Committees, all of which are represented on the International Famine Relief Committee, and whose members are working among the famine victims.

**WHY GIVE?**—China is in the grip of the worst calamity in history. She turns to us as her oldest and richest friend, whom she has learned to trust. We cannot ignore her call and let these helpless people die without an effort to save them.

SAVE A LIFE IN CHINA!
