#### "HAMMONTON COLORS."

The Publicity Committee of the  
Chamber of Commerce invites you to  
send in suggestions for municipal col-  
ors. See what you can do.

#### SALVATION ARMY DRIVE

Because of the late arrival of infor-  
mation about the drive and the impos-  
sibility of carrying out a campaign  
to raise the money within the time set  
for the nationwide drive it will be  
continued in Hammoncton all of next  
week.

The members of the local Post of  
the American Legion are determined  
to do all they can to help the Salva-  
tion Army in their appeal for funds to  
be used in home service work in Atlantic  
county.

A booth on Bellevue avenue and sev-  
eral boxes for contributions will be  
used to carry on the drive. There will  
also be several subscription lists.

We ask each one to help put over  
this drive for the Salvation Army.  
There are appeals without number  
for money to be used for various pur-  
poses, but the work of the Salvation  
Army overseas in the World War is  
sufficient guarantee of the justice of  
any appeal they make.

The quota set for Hammoncton in  
this drive is \$600. That amount can  
be raised easily if everyone will help  
a little.

May we count on you?

**YOUNG men, women, 17 upward**

#### GET TOGETHER.

We trust all our barbers will get  
together, close their shops as the ma-  
jority desire, making it better all  
around.

Send in all names of service men  
to local editors. Names are to be  
printed within a few days, prior to  
being placed on memorial tablet.

#### RETAIN PRESENT NAME

Frederick A. Funston Post, the title  
of the local American Legion organi-  
zation will not be changed, as had  
been contemplated recently. When the  
name was changed it was shown that  
one Hammoncton man as having  
lost his life in the service, but the  
records show that eight died  
while wearing the khaki, and there  
has been strong sentiment in favor of  
retaining some of these men by nam-  
ing the local Post after them. But  
the Post found that this will not  
involve considerable expense, but  
will make more or less confusion for  
the present, at least.

#### BASEBALL TOMORROW

Because of the fact that the annual  
Day fete was postponed to Sat-  
urday last, the Hammoncton baseball  
team was unable to open the season  
contemplated, due to the fact that  
the grounds were being used for  
the annual field meet of the pub-  
lic schools of Atlantic county.  
The season will be opened this Sat-  
urday, when Hammoncton will play the  
Camden team at this place. A  
large attendance of fans is expected, as  
it appears to be an increasing in-  
terest in baseball at this place. The  
team will have a benefit at the  
Theatre on Wednesday of next  
week when it is hoped a considerable  
sum will be realized for the benefit of  
the team.

#### ONE DEAD—ONE SERIOUSLY HURT

J. L. O'Donnell, Peter Fell, Harry  
P. Hottel, Joseph S. Mart, Harry L.  
Murphy and John Rizzalle will serve  
as members of the Coroner's Jury  
which will investigate the death of Al-  
fred Simpson, of Philadelphia, killed  
here on Sunday by being run into by  
Antonio Zrillo. The smashed motor-  
cycle belonging to Simpson has been  
taken in charge by Officer Russell  
Montgomery, and its condition will  
play an important part in the inquest.  
The tragedy has stirred the town, as  
it is realized that such affairs are  
likely to be duplicated in the future,  
unless precautionary measures are  
taken, both by the county authorities  
and drivers.

#### VINELAND WINS

Hammoncton High School suffered  
defeat at the hands of Vineland High  
in a batting test in which each team  
had an even dozen hits. Hammoncton's  
High eleven errors, to two for the visi-  
tors. The final score was 6 to 2 in  
favor of Vineland High.

#### LEGION BOYS TO TURN OUT

All members of Frederick A. Fun-  
ston Post, No. 186, American Legion,  
of this place, have been requested to  
reserve the morning of Memorial  
Day, May 31, for exercises to be par-  
ticipated in by the local Legion Post  
in honor of departed comrades.  
The Post will assemble in School  
House at 10 o'clock in the morning,  
and proceed to the cemetery of I. Post.

Notices will be sent to every member  
of the local Post by mail, and it is  
expected that the largest turnout of  
members yet recorded will take place.  
Ex-service men, not affiliated with  
the Legion, are invited to take part in  
the exercises of the day.  
Because of the late arrival of in-  
formation about the Salvation Army  
drive, and the impossibility of carry-  
ing out a campaign to raise the money  
within the time set for the nationwide  
drive it will be continued in Hammoncton  
next week. A booth will be erect-  
ed on Bellevue avenue, and several  
boxes for receiving contributions will  
be slightly located. The local Post  
is determined to do its full share in  
this movement.

## MEMORIAL DAY MONUMENTS

**Headstones and Markers**

**Finished and Ready to Letter and Erect  
Before May 30th.**

We have in our show yards and warehouse at Pleasantville and Cam-  
den over 500 monuments, headstones, markers, corner posts, etc., of  
the standard granites and marbles of the country, one of the largest and  
finest stocks of finished memorials ever carried by any monumental com-  
pany. We manufactured these goods before prices advanced and are sell-  
ing them much less than we can manufacture them today. We can letter  
and erect any of this work before Memorial Day.

Those who desire to take advantage of this opportunity to get a  
monument erected prior to May 30th, it will pay them to call at our place  
of business in Pleasantville or Camden and make a selection at once, as  
we will soon be sold out at the rate we are now selling.

We also have in stock the largest supply of rough stock we ever  
carried, also bought before the price advanced, and we can manufacture  
promptly and erect at once most anything special that may be desired.

We are equipped with every labor-saving device to manufacture, letter  
and erect monumental work, including the surface cutter, polishing ma-  
chines, pneumatic tools, plug drills, etc.

Call and purchase now. The sooner you call the better display you  
will have to select from.

Our specialty is designing, manufacturing and erecting mausoleums,  
public and private memorials.

**THE UNIVERSAL CAR**

Out of the more than 3,000,000 Ford cars now in use, about  
sixty per cent have been sold to farmers. Probably no other one  
thing has brought to the farm so much of comfort and profit as has  
the Ford car. It has enlarged the social life, doubled the facilities for  
marketing, brought the town next door to the farm, multiplied for  
the farmer the pleasures of living, and by the same token the Ford  
Touring Car has brought just as much pleasure to the residents of the  
towns and cities, because it is an every day in the year utility,  
answering the demand of quick transportation at low expense. A  
family car without an equal in low cost of operation and maintenance.  
We solicit your order for one. We have the full line of Ford cars.  
We carry the genuine Ford Parts, and assure you the best in  
mechanical service and the most reasonable prices.

## COPS ON EIGHT HOUR SHIFT

The local police force has been  
placed on the eight hour shift system,  
as a result of the passage of the re-  
cently adopted police ordinance. The  
men are paid \$100 per month. No  
Chief of Police has been appointed, the  
chairman of the law and order com-  
mittee of Council, Harry P. Motola,  
acting as Chief of Police.

## GOING TOO FAR

Complaint has been made to Council  
that some farmers are carrying the  
food production campaign to too great  
an extent, by tearing up the public  
highway to plant them. In some  
instances berries and other fruits have  
been planted far out in the roadway,  
in other instances tractors have ripped  
the roads up. Council is arranging a  
hearing to hear talk with these men,  
advised that after a fatherly talk they  
will see the error of their ways.

Council has taken up the matter of  
the carrying of concealed deadly  
weapons, which practice is held to have  
greatly increased. Unless those guilty  
desist from the practice very drastic  
action will probably be taken, that  
the example may have a good moral  
effect upon the balance of the culprit.

Since the establishment of the plant  
at Amatel, in its heyday, the practice  
grew and many continued the habit in  
those times of peace.

## MAY DAY BIG SUCCESS

Both the annual song competition  
and the fifth annual track and field  
meet, as well as the physical training  
contests of the pupils of the schools  
of Atlantic county, held here on Sat-  
urday, were decided successes, both in  
the attendance of athletes and specta-  
tors, and the class of the events.

In the county song competition for  
the Hammononton Chamber of Com-  
merce trophy, the singing team from  
Egg Harbor City topped the honors.  
In the contest for the Hammononton  
Chamber of Commerce trophy for ele-  
mentary school, Ventnor City won out,  
for the third time, and now becomes  
permanent owner of the trophy. In  
this contest both Northfield and Mina-  
cola made good showings. The First  
M. E. Church, in which the competi-  
tion for the singing trophies was held,  
was filled to the doors, fully seven  
hundred persons taking in the deligh-  
ful program.

## A STEADY CAREER

Hon. George Elving, a venerable  
member of the First M. E. Church,  
of this place, attended the annual  
meeting of the Camden District Stew-  
ards of the M. E. Church recently held  
at Parkside, Camden.

This was the fifty-eighth session  
of that body at which Mr. Elving, who  
was formerly Post Master here and  
served Atlantic county in the Legisla-  
ture, has participated. Hammononton-  
ians feel that that equals, and prob-  
ably surpasses the record for such at-  
tendance. Both of the Elvings, father  
and son, have served in the Legisla-  
ture, "Tom," as he is familiarly known,  
having been returned for duty there  
probably more times than any other  
Representative from Atlantic County.  
Both are still engaged in business here  
and have made a reputation for stor-  
ing honesty.

## LOSES NEW HOME

Fire early Sunday morning destroy-  
ed the home of Thomas Kirkwood, on  
the county road near Eleventh street,  
the family barely escaping with their  
lives. The fire is supposed to have  
been due to crossed electric wires.

Kirkwood had just assumed owner-  
ship of the place the night before, in  
fact, some time before the fire was  
discovered, and is a heavy loser, the  
insurance carried not paying for the  
home, without considering the house-  
hold goods.

When the family discovered the fire  
they barely had time to run from the  
burning structure in their night  
clothes, their escape being the nar-  
rowest yet recorded in local fires. A  
popular subscription in being taken  
to partially compensate the family  
for the loss sustained, as they have  
practically nothing left, except two  
or three articles that were rescued  
from the flames by during work of  
firemen and others.

## FOLBOM HOTEL BOMBED

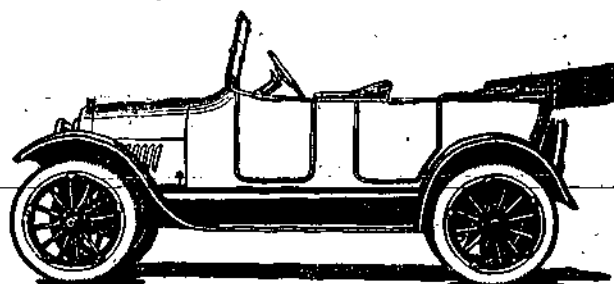

Schultz Hotel, opposite the Folbom  
station, was destroyed by fire early  
Thursday morning, the origin of  
which was almost certainly incendiary.  
In fact, it is in the belief of those in  
close touch with the subject that a  
bomb was exploded either during the  
fire, or immediately prior thereto.

The entire structure, with contents,  
was consumed by the flames, the oc-  
cupants, Samuel Polsky, the proprie-  
tor, his wife and little son, barely es-  
caping with their lives.

It was about three o'clock this  
morning when Polsky was aroused by  
a loud noise, which is now believed  
to have been the explosion of the  
bomb. Hurriedly dressing he went  
down stairs, and found the place a  
scething mass of flames. Rushing  
back to his bedroom he grasped his  
wife and child and making their way  
through the dense smoke made their  
exit from the building.

Investigation today revealed the fact  
that a telephone pole of the Bell sys-  
tem, which connects this place with  
Folbom, had been chopped down, car-  
rying the telephone wires with it, and  
severing communication with Hammon-  
ton, thereby preventing the calling of

Polsky's place is known far and  
wide to the sporting element, and its  
destruction has caused many to view  
with regret the loss of a resort much  
frequented by that element. As to  
whether Polsky had enemies, or the  
fire was the result of a grudge held  
by a patron, is open to surmise, but  
there appears little doubt that it was  
of incendiary origin, and that the  
person who chopped the pole was in  
close touch with the incendiary net-  
work. County officials are investigating the  
affair.
