

CHECK OUT & READ A BOOK IN AXIS 360 READ NOW

1.

Browse the Magic Wall categories or use the magnifying glass to look for a specific subject or title.

2.

Select **Checkout** either from your search results or from the title details page.

3.

Select **ReadNow** to open your book in a new tab to begin reading

4.

You might need to enable pop-ups. (the screenshots above are from Chrome; enabling pop-ups might vary by browser.)

5.

Your book will open and you are ready to read!
To navigate, use the arrows on either side of the screen or use your forward and back arrows.

6.

Hovering your mouse near the top of the book will bring up the tools menu. Use the tool icons on the right to change font, highlight passages or bookmark locations in the book.

7.

Use the menu on the left to navigate to a specific section or access offline reading functionality (see reverse for offline reading).

OFFLINE READING WITH AXIS 360 READ NOW

1.

Select Offline Access to download the book contents.

2.

You will get a Success message.

3.

Before selecting **Return to Your Book...** we recommend you create a bookmark so you can access your book offline if you accidentally close the reading tab.

4.

You are then brought back to your book.

5.

When accessing a bookmark offline, you will be prompted to enter your **Library ID**.

6.

To switch titles, go to the menu and select **Offline Content Library**.

7.

You will view a list of titles you have downloaded for offline access.
